Item 1.01

Entry into a Material Definitive Agreement.

As previously disclosed, on August 11, 2017, Lazarus Energy, LLC (“LE”), a wholly owned subsidiary of Blue Dolphin Energy Company (“Blue Dolphin”), was involved in arbitration proceedings with GEL Tex Marketing, LLC (“GEL”), an affiliate of Genesis Energy, LP. The arbitrator’s final award (the “Final Award”) denied all of LE’s claims against GEL and granted substantially all of the relief requested by GEL in its counterclaims. Among other matters, the Final Award awarded damages, legal and administrative fees, and court costs payable to GEL by LE in the aggregate sum of approximately \$31.3 million.

As previously disclosed, on September 26, 2017, LE and Blue Dolphin, together with their affiliates Lazarus Energy Holdings, LLC and Jonathan Carroll (collectively, the “Lazarus Parties”), entered into a Letter Agreement with GEL, effective September 18, 2017 (as amended, the “Letter Agreement”), confirming the parties’ agreement to the continuation of the hearing on confirmation of the Final Award (the “District Court Action”) for a period of no more than 90 days after September 18, 2017 (the “Continuance Period”), subject to the terms of the Letter Agreement, to facilitate settlement discussions between the parties. In connection with execution of the Letter Agreement, GEL received \$3,648,742, which amount was applied to reduce Final Award. The Letter Agreement was subsequently amended nine times to extend the Continuance Period through and including July 31, 2018. In connection with the Letter Agreement amendments, LE paid to GEL an additional aggregate amount of \$3,500,000 (the “Continuance Payments”), which was applied to reduce the balance of the Final Award. During the Continuance Period, the parties engaged in negotiations over the terms of a potential settlement.

On July 20, 2018, GEL and the Lazarus Parties, along with affiliates of the Lazarus Parties, Nixon Product Storage, LLC, a wholly owned subsidiary of Blue Dolphin (“NPS”), and Carroll & Company Financial Holdings, L.P. (“C&C”), entered into a Settlement Agreement (the “Settlement Agreement”) whereby GEL and the Lazarus Parties agreed to mutually release all claims against each other and to file a stipulation of dismissal with prejudice in connection with the Arbitration (the “Settlement”), subject to the terms and conditions set forth in the Settlement Agreement.

The Settlement is conditioned upon payment by the Lazarus Parties to GEL of \$10,000,000 in cash (the “Settlement Payment”) and \$500,000 in cash at the end of each calendar month until the Settlement Payment is paid (the “Interim Payments”) or the Settlement Agreement is terminated. The Interim Payments will not be applied to reduce the amount of the Settlement Payment, but will reduce the Final Award.

The Settlement Agreement restricts the Lazarus Parties, including Blue Dolphin, from taking certain actions without the prior written consent of GEL, including (i) the incurrence of any debt not specifically excepted in the Settlement Agreement, (ii) the establishment of any liens not specifically excepted in the Settlement Agreement, (iii) the disposition of any assets other than certain ordinary course sales to unaffiliated third parties, payments to unaffiliated third-party trade creditors and scheduled debt payments, (iv) the entrance into any transactions with affiliates not specifically excepted in the Settlement Agreement, (v) the failure to pay debts generally as they become due and (vi) the entrance into a bankruptcy, reorganization or similar proceeding. A violation of any of the restrictions in the Settlement Agreement, as well as the failure of the Lazarus Parties to make Interim Payments as they become due, will constitute an event of default under the Settlement Agreement which, subject to certain cure periods, would allow GEL to terminate the Settlement Agreement and enforce its rights under the Final Award.

The Lazarus Parties are exploring the possibility of obtaining a commercial loan in an aggregate principal amount equal to the Settlement Payment (the "Settlement Financing"), subject to obtaining the consent of Veritex Bank N.A., as lender under certain loan agreements with the Lazarus Parties and their affiliates. Under the Settlement Agreement, the Lazarus Parties are required to work in good faith and take reasonable actions necessary to obtain the Settlement Financing in accordance with the terms of the Settlement Agreement. Prior to the consummation of the Settlement Financing, the Lazarus Parties are required to (i) cause NPS to consummate the Settlement Financing and restrict its ability to commence a bankruptcy case, (ii) assign to NPS certain tank leases that will constitute collateral for the Settlement Financing and (iii) cause NPS to assume joint and several liability for all or a portion of the Final Award. The failure to achieve certain milestones in connection with obtaining the Settlement Financing will constitute an event of default under the Settlement Agreement, which would allow GEL to terminate the Settlement Agreement and enforce its rights under the Final Award.

Simultaneously with the execution of the Settlement Agreement, Carroll and C&C entered into a Security Agreement pursuant to which Carroll and C&C agreed to secure up to \$10,000,000 of LE's obligations under the Final Award with a security interest in their equity in LEH.

The Settlement Agreement will terminate, unless extended in writing by GEL, on December 31, 2018 if the Settlement Payment is not made on or before such date, and may be terminated by GEL following the occurrence of an event of default under the Settlement Agreement, as described above.

Pursuant to the Settlement Agreement, the parties agreed to terminate the Letter Agreement, and GEL agreed not to take any action to execute or collect on the Final Award and to take all action necessary to continue the District Court Action until the earlier of (i) the date on which the Settlement Payment is paid or (ii) the termination of the Settlement Agreement.

Blue Dolphin can provide no assurance that the conditions necessary to consummation of the Settlement will be met. If certain conditions are not met or the Settlement Agreement is terminated, GEL may seek to enforce the Final Award against the Lazarus Parties, in which case, Blue Dolphin and its affiliates would likely be required to seek protection under bankruptcy laws.

The foregoing description of the terms of the Settlement Agreement does not purport to be complete and is qualified in its entirety by reference to the Settlement Agreement, which has been filed as Exhibit 10.1 to this Current Report on Form 8-K.
