The TL has 21 quarterly principal payments of \$212,500, beginning on June 30, 2005, with the balance due August 24, 2010. The RCF has a termination date of February 24, 2010. Loans under ARCA are secured by the assets of the Company and substantially all of its subsidiaries. In addition, the Company must comply with customary financial and other covenants as stipulated in ARCA. Among these is an annual limitation on capital expenditures (\$30 million), an annual limitation on acquisitions (\$80 million in the aggregate and \$50 million individually) and an annual limitation on payments under operating leases (\$30 million). In certain circumstance the Company could be required to make addition principal payments on the TL.
