Item 5. Interests of Named Experts and Counsel

The legality of the shares of common stock to be offered hereby has been passed upon by William D. Eggers, Senior Vice President and General Counsel of the Company. Mr. Eggers owns substantially less than 1% of the outstanding shares of Corning common stock. Mr. Eggers is eligible to participate in the 2003 Variable Compensation Plan.

Item 6. Indemnification of Directors and Officers

Under the New York Business Corporation Law ("NYBCL"), a corporation may indemnify its directors and officers made, or threatened to be made, a party to any action or proceeding, except for stockholder derivative suits, if such director or officer acted in good faith, for a purpose which he or she reasonably believed to be in or, in the case of service to another corporation or enterprise, not opposed to, the best interests of the corporation, and, in

criminal proceedings, had no reasonable cause to believe his or her conduct was unlawful. In the case of stockholder derivative suits, the corporation may indemnify a director or officer if he or she acted in good faith for a purpose which he or she reasonably believed to be in or, in the case of service to another corporation or enterprise, not opposed to the best interests of the corporation, except that no indemnification may be made in respect of (i) a threatened action, or a pending action which is settled or otherwise disposed of, or (ii) any claim, issue or matter as to which such person has been adjudged to be liable to the corporation, unless and only to the extent that the court in which the action was brought, or, if no action was brought, any court of competent jurisdiction, determines upon application that, in view of all the circumstances of the case, the person is fairly and reasonably entitled to indemnity for such portion of the settlement amount and expenses as the court deems proper.

Any person who has been successful on the merits or otherwise in the defense of a civil or criminal action or proceeding will be entitled to indemnification. Except as provided in the preceding sentence, unless ordered by a court pursuant to the NYBCL, any indemnification under the NYBCL pursuant to the above paragraph may be made only if authorized in the specific case and after a finding that the director or officer met the requisite standard of conduct by (i) the disinterested directors if a quorum is available, (ii) the board upon the written opinion of independent legal counsel or (iii) the stockholders.

The indemnification described above under the NYBCL is not exclusive of other indemnification rights to which a director or officer may be entitled, whether contained in the certificate of incorporation or by-laws or when authorized by (i) such certificate of incorporation or by-laws, (ii) a resolution of stockholders, (iii) a resolution of directors or (iv) an agreement providing for such indemnification, provided that no indemnification may be made to or on behalf of any director or officer if a judgment or other final adjudication adverse to the director or officer establishes that his or her acts were committed in bad faith or were the result of active and deliberate dishonesty and were material to the cause of action so adjudicated, or that he or she personally gained in fact a financial profit or other advantage to which he or she was not legally entitled.

The foregoing statement is qualified in its entirety by reference to Section 715, 717 and 721 through 725 of the NYBCL.

Article VIII of the registrant's By-Laws provides that the registrant shall

Edgar Filing: CORNING INC /NY - Form S-8

indemnify each director and officer against all costs and expenses actually and reasonably incurred by him in connection with the defense of any claim, action, suit or proceeding against him by reason of his being or having been a director or officer of the registrant to the full extent permitted by, and consistent with, the NYBCL.

The directors and officers of the registrant are covered by insurance policies indemnifying them against certain liabilities, including certain liabilities under the Securities Act, which might be incurred by them in such capacities.

Item 9. Undertakings

- (a) The undersigned registrant hereby undertakes:

Edgar Filing: CORNING INC /NY - Form S-8

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represents a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement.

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

Provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) of this section do not apply if the registration statement is on Form S-3, Form S-8 or Form F-3 and the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the

II-3

Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Edgar Filing: CORNING INC /NY - Form S-8

- (c) The undersigned registrant hereby undertakes to deliver or cause to be delivered with the prospectus to each person to whom the prospectus is sent or given, the latest annual report to security holders that is incorporated by reference in the prospectus and furnished pursuant to and meeting the requirements of Rule 14a-3 or Rule 14c-3 under the Securities Exchange Act of 1934; and, where interim financial information required to be presented by Article 3 of Regulation S-X is not set forth in the prospectus, to deliver, or cause to be delivered to each person to whom the prospectus is sent or given, the latest quarterly report that is specifically incorporated by reference in the prospectus to provide such interim financial information.
- (d) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

Exhibit 4.6

Corning Incorporated

2003 Variable Compensation Plan

1. PURPOSE

The purpose of the Corning Incorporated 2003 Variable Compensation Plan (the "Plan") is to motivate and reward performance with tax deductible payments to those executive officers of Corning Incorporated ("Corning" or the "Corporation") subject to Section 162(m) of the Internal Revenue of 1986, as amended, and to the regulations and rulings promulgated thereunder (the "Code").

2. EFFECTIVE DATE AND TERM

The Plan shall be effective for Corning's 2003 fiscal year upon approval by Corning's shareholders and will continue for each subsequent fiscal year through 2007 unless earlier terminated by Corning's Board of Directors (the "Board").

3. PARTICIPANTS

The individuals who may receive payments under the Plan, based on performance for any fiscal year while the Plan is in effect, shall be those persons employed by the Corporation at the end of each fiscal year who constitute the Corporation's chief executive officer and all other highly compensated executive officers whose compensation may be subject to the scope of Section 162(m) of the Code.

4. COMMITTEE ADMINISTRATION

The Plan shall be administered by a committee appointed by the Board of Directors and consisting of at least three non-employee directors, each of whom satisfies the requirements for an "outside director" as that term is defined under Section 162(m) of the Code. The Committee shall have the sole authority and discretion to administer and interpret the Plan in good faith to satisfy the requirements for tax deductibility of payments in accordance with Section 162(m) of the Code. Such authority shall include selection of the performance criteria for any applicable fiscal year and the individual participants. Decisions of the Committee shall be final, conclusive and binding on all parties including the Corporation, its stockholders and participants, and their personal representatives, beneficiaries and heirs.

5. PERFORMANCE CRITERIA

The Committee shall select the performance criterion or criteria for each individual participant for any fiscal year during the first fiscal quarter of such year and the formula or formulae for determining the amount of payment that the Committee may award for performance during such year. The performance

Edgar Filing: CORNING INC /NY - Form S-8

criteria which the Committee may use are: operating profits (including EBITDA), net profits, earnings per share, profit returns and margins, cashflow, revenues, returns on assets, equity or investments, shareholder return and/or value, working capital and stock price. Performance criteria may be measured solely on a corporate, subsidiary or business unit basis, or a combination thereof. Further, performance criteria may reflect corporate performance alone or performance relative to the performance of a peer group of entities or other external measure of the criteria selected. Profit, earnings and revenues used for any performance criteria measurements shall exclude: gains or losses on operating asset sales or dispositions; asset write-downs; litigation or claim judgments or settlements; accruals for historic environmental obligations; effect of changes in tax law or rate on deferred tax liabilities; accruals for reorganization and restructuring programs; uninsured catastrophic property losses; the cumulative effect of changes in accounting principles; and any extraordinary non-recurring items as described in Accounting Principles Board Opinion No. 30 and/or in management's discussion and analysis of financial performance appearing in the Corporation's annual report to shareholders for the applicable year.

6. PERFORMANCE GOALS

Prior to the end of the first quarter of each fiscal year the Plan is in effect, the Committee shall establish in writing the performance goals, based on one or more of the performance criteria set forth in Section 5, and payment schedules or formulae tied to such goals for the individuals described in Section 3.

7. PAYMENTS

The Committee shall certify in writing the attainment of the applicable performance goals before making any payments for the applicable performance year. The Committee, at its sole discretion, may reduce the amount of payment below that determined using the applicable performance criteria or formulae for a given participant. No participant may receive an aggregate payment for a fiscal year's performance in excess of \$5,000,000. Payments may be made in cash, stock options or shares of common stock of the Corporation or any combination thereof. If any payments are made in the form of common stock or stock options of the Corporation, the value thereof shall be determined as the mean of the high and low prices of the common stock as of the date the Committee certifies the attainment of performance goals and the number of shares so issued or shares underlying any stock options so issued shall be deducted from the number of shares available for issue under the Corporation's 2000 Employee Equity Participation Program (or subsequent Program then in effect).

8. PAYMENT DEFERRALS

The Committee may mandate and/or permit the deferral of all or a portion of any payment earned under the Plan. Deferred payment accounts may be denominated in: cash amounts with the crediting of interest; phantom mutual fund accounts; or common stock equivalent unit accounts, provided that any crediting of interest or dividend equivalents shall not cause the eventual payment to be nondeductible under Section 162(m) of the Code as determined in good faith by the Committee at the time of such crediting.

9. AMENDMENT; TERMINATION

The Board of Directors may amend, modify or terminate the Plan as it deems appropriate to serve the Plan's purposes, subject to shareholder approval to the extent required by Section 162(m) of the Code, other applicable law or the rules of any applicable stock exchange.

10. SECTION 162(M)

Edgar Filing: CORNING INC /NY - Form S-8

All payments under this Plan are designed to satisfy the special requirements for performance-based compensation set forth in Section 162(m) of the Code, and the Plan shall be so construed. If a provision of the Plan causes the payment to fail to satisfy these special requirements, it shall be deemed amended to satisfy the requirements to the extent permitted by law and subject to Committee approval.

11. OTHER INCENTIVE PLANS

The Board may provide that persons specified in Section 3 may participate in and receive payments under other incentive compensation plans, programs and arrangements maintained by the Corporation, as it deems appropriate and necessary.

12. NO TRUST

The Plan shall not create or be construed to create a trust or separate fund of any kind or a fiduciary relationship between the Corporation and any affiliate and a Participant or any other person. To the extent that any person acquires a right to receive payments from the Corporation or any affiliate pursuant to this Plan, such right shall not be greater than the right of any unsecured general creditor of the Corporation or of any affiliate.

13. GOVERNING LAW

The validity, construction and effect of the Plan and any agreements or other instruments issued under it shall be determined in accordance with the laws of New York without reference to the principles of conflict of laws.

14. SEVERABILITY

If any portion of this Plan is deemed to be void, that portion of the Plan, and that portion only, will be deemed void. All other provisions of the Plan will remain in effect.

Dear Sirs:

I am Senior Vice President and General Counsel of Corning Incorporated (the "Company") and am familiar with the preparation and filing of a Registration Statement on Form S-8 (the "Registration Statement") under the Securities Act of 1933, as amended, with respect to the Deferred Compensation Obligations which may be offered by the Company pursuant to the Corning Incorporated 2003 Variable Compensation Plan (the "Plan") described in the Registration Statement.

In this connection, I have examined the originals, or copies certified to my satisfaction, of such corporate records of the Company, certificates of public officials and officers of the Company, and other documents as I deemed pertinent as a basis for the opinions hereinafter expressed.

My opinions expressed above are limited to the laws of the State of New York.

I hereby consent to the filing of this opinion as an Exhibit to the Registration Statement referred to above and further consent to the use of my name under the caption "Interests of Named Experts and Counsel" in the registration statement.
