The registrant hereby represents that it is unable to file its Annual Report on Form 10-K for the period ended October 31, 2004 without unreasonable effort or expense. The registrant recently identified 2 lease agreements for which the appropriate amount of rental expense was not reported in previous periods. The registrant presently requires additional time to analyze the impact of this error on its financial statements. In addition, the registrant has experienced delays in completing its financial statements for the fiscal year ended October 31, 2004, and is unable to complete the audit of its financial statements within the necessary period of time. As a result, the registrant is delayed in filing its Form 10-K for the fiscal year ended October 31, 2004, but it intends to file the Annual Report on Form 10-K by no later than the 15th calendar day following the date on which such periodic report was due.
