PRESS RELEASE

Magic Increases Its Dividend Policy from 50% to 75% of Its Annual Distributable Profits

Or Yehuda, Israel, August 13, 2017 Magic Software Enterprises Ltd. (NASDAQ: MGIC), a global provider of software platforms for enterprise mobility, cloud applications, and business integration, announced today that on August 9, 2017, the Company's Board of Directors decided to amend the Company's dividend distribution policy announced on September 5, 2012 (TASE reference number: 2012-02-230481).

According to the Company's amended policy, each year the Company will distribute a dividend of up to 75% of its annual distributable profits. The Company's Board of Directors may at its discretion and at any time, change, whether as a result of a one-time decision or a change in policy, the rate of dividend distributions and/or decide not to distribute a dividend, all at its discretion.

The actual distribution of a dividend will be subject to meeting the conditions required by applicable law, including the distribution tests set forth in Section 302 of the Israeli Companies Law - 1999, and to the specific decision of the Company's Board of Directors for each distribution.
