ITEM 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT

Short-Term Incentive Compensation

Edgar Filing: IDACORP INC - Form 8-K

-----

On February 17, 2005, the Compensation Committee (the "Committee") of the Boards of Directors (the "Boards") of IDACORP, Inc. ("IDACORP") and Idaho Power Company ("IPC") awarded incentive payments based on the level of achievement under the 2004 IDACORP, Inc. Executive Incentive Plan (the "2004 Plan"), a copy of which is attached hereto as Exhibit 10.1 and incorporated herein by reference. The 2004 Plan ties a portion of the annual compensation of the Chief Executive Officer and each executive officer to achieving a certain financial goal. For 2004, the established financial goal was pre-incentive earnings on common stock for IDACORP with a threshold, target and maximum level. The threshold level for earnings on common stock was set at \$67.5 million, with the target at \$75.1 million and the maximum set at \$82.1 million. The award opportunities varied by position as a percentage of base salary with the award opportunities for the Chief Executive Officer and the executive officers ranging from a minimum of 15 percent to a maximum of 100 percent. In 2004, IDACORP achieved pre-incentive earnings on common stock of \$81.76 million, and as a result, each executive officer received an award equal to 97.6 percent of their maximum award opportunity permitted under the 2004 Plan. The 2004 Plan does not permit the payment of awards unless there is payment of awards under the IDACORP/IPC Employee Incentive Plan. The performance levels within the goal were established based upon forecasted performance for 2004.

Attached hereto as Exhibit 10.2 and incorporated herein by reference is the IDACORP, Inc. 2004 Executive Incentive Plan NEO Incentive Chart indicating amounts earned under the 2004 Plan for the named executive officers in the 2004 proxy statement for the Joint Annual Meeting of Shareholders of IDACORP and Idaho Power Company and those expected to be named this year (the "NEOs").
