(the "Company") of proxies for use at our Special Meeting of Stockholders (the "Special Meeting") to be held on _____, 2005 at 10:00 a.m., Eastern Time, and at any adjournments thereof.

This Proxy Statement, Notice of Meeting and Form of Proxy for the Special Meeting and accompanying materials are being mailed to each stockholder at such holder's address of record on or about _____, 2005.

GENERAL

Only stockholders of record at the close of business on February 8, 2005 are entitled to notice and to vote the shares of our common stock (the common stock) held by them on that date at the Special Meeting or any adjournments thereof.

If the accompanying proxy card is voted by casting your vote via regular mail, or via the Internet or telephone by following the instructions on the Proxy Card, and is not revoked, it will be voted in accordance with the instructions contained therein. Unless contrary instructions are given, the persons designated as proxy holders in the proxy card will vote for approval of the proposal contained herein, and, with regard to any other matters that may properly come before the meeting, as recommended by the Board of Directors; or, if no such recommendation is given, in their own discretion. Each stockholder may revoke a previously granted proxy at any time before it is exercised by filing a revoking instrument or a duly executed proxy bearing a later date with our Secretary. The powers of the proxy holders will be suspended if the person executing the proxy attends the Special Meeting in person and so requests. Attendance at the Special Meeting will not, in itself, constitute revocation of a previously granted proxy.

The presence at the Special Meeting, in person or by proxy, of the holders of a majority of the shares of common stock outstanding on February 8, 2005 will constitute a quorum. Each outstanding share entitles its holder to cast one vote on each matter to be voted upon at the Special Meeting. As of January 2, 2005, there were 27,857,948 shares of common stock outstanding.

The cost of soliciting proxies in the enclosed form will be borne by the Company. It is expected that the solicitation will be primarily by mail. Our officers and regular employees may, but without compensation other than their regular compensation, solicit proxies by further mailing or personal conversations, telephone or facsimile. We will, upon request, reimburse brokerage firms and others for their reasonable expenses in forwarding solicitation material to the beneficial owners of stock.

ITEM 1. APPROVAL OF THE ISSUANCE OF UP TO 2,857,565 SHARES OF OUR COMMON STOCK UPON THE EXERCISE OF CERTAIN SERIES B WARRANTS ISSUED BY THE COMPANY IN CONNECTION WITH A PRIVATE TRANSACTION CONSUMATED BY THE COMPANY

After evaluating several opportunities during the third quarter of 2004 to obtain additional financing to provide us with working capital and increase the amount of our stockholders equity, in September 2004, we consummated a private placement with four institutional investors of \$150 million of a new series of 6% Notes due 2014 (the Notes). In connection with the sale of the Notes, we entered into a Warrant Agreement pursuant to which we issued to these investors two series of warrants (the Series A Warrants and Series B Warrants and jointly, the Warrants) exercisable for an aggregate of 8,333,333 shares of our common stock. Of the \$150 million in proceeds from the sale of the Notes

and Warrants, we used \$49 million to repurchase outstanding 7.35% notes due 2007 and 7.20% notes due 2007, which were held by the four investors. The remaining proceeds are being used for general corporate purposes, including the purchase of additional equipment, retirement of debt, potential acquisitions, and working capital.

Summary of Terms of Private Placement. The Warrants issued pursuant to the private placement are exercisable, at the option of the investors, into shares of our common stock at an exercise price of \$18 per share. The exercise price and the number of shares issuable upon exercise of the Warrants will be subject to anti-dilution adjustments under certain circumstances as set forth in the Warrants and the Warrant Agreement. At the current exercise price of \$18 per share, the Series A Warrants are exercisable for a total of 5,475,768 shares of common stock, and the Series B Warrants are exercisable for a total of 2,857,565 shares of common stock. The exercise of the Series A Warrants was not contingent upon stockholder approval, and all 5,475,768 Series A Warrants were exercisable immediately upon the completion of the private placement and are currently exercisable. The exercise of the Series B Warrants requires stockholder approval under the terms of the Series B Warrants. Accordingly, at this Special Meeting we are asking for stockholder approval for the issuance of common stock upon the exercise of the Series B Warrants. If the Warrants were exercised in full, the common stock issuable upon the exercise of both the Series A and Series B Warrants (the Warrant Shares) would constitute 23.03% of our common stock outstanding as of January 2, 2005 (inclusive of the Warrant Shares). Issuance of common stock upon exercise of the Warrants would have a dilutive effect on the Company's outstanding common stock and would reduce earnings per share for future periods.

In connection with the sale of the Notes and Warrants, certain of our significant stockholders, including our Chairman and Chief Executive Officer and a member of our Board of Directors and certain related stockholders, who collectively own more than 50% of our common stock, have entered into a voting agreement pursuant to which they have agreed to vote to approve the exercise of the Series B Warrants at this Special Meeting.

We have agreed to include the Warrant Shares in registration statements for the benefit of the investors, which we intend to file with the Securities and Exchange Commission by May 1, 2005.

Additional information about the sale of the Warrants appears in our Quarterly Report on Form 10-Q for the quarter ended September 30, 2004, a copy of which (other than exhibits) is enclosed herewith and which is incorporated by reference herein. The form of the Warrant Agreement and the Series A and Series B Warrants are exhibits to that Form 10-Q filing. Upon request, we will provide copies of these or any other exhibits to that Form 10-Q filing at no cost to stockholders. All requests for copies should be directed to 211 College Road East, Princeton, New Jersey 08540, Attention of Investor Relations.

Reasons for Stockholder Approval

Issuance or Potential Issuance of More of Our Outstanding Common Stock. The Company's Board of Directors determined that the sale of the Notes and Warrants in September 2004 was advantageous to the Company and the Warrant Shares to be issued upon exercise of the Warrants further the best interests of the Company because the additional funds raised upon the exercise of the Warrants will provide additional operating capital for the Company. The Board considered the benefits and risks of raising funds based, in part, on estimated future market prices relative to other alternatives, and concluded that the terms set forth in the private placement in September 2004 were in the best interests of the Company and represented the best alternative available to the Company to meet its funding needs at the time. The Board of Directors therefore unanimously approved the sale of the Notes and Warrants and the issuance of shares of common stock upon exercise of the Warrants.

Impact of the Transaction. It is important to note that issuance of the Warrant Shares upon the exercise of the Warrants will result in dilution to the equity interests of other holders of the common stock. Specifically, upon receipt of stockholder approval of this proposal, the exercise of the Series B Warrants and the issuance of the additional common stock will result in a decrease of the relative voting control and dilute the equity interests of the holders of common stock. However, our Directors, many of whom hold significant amounts of our common stock, recommend

the approval of this proposal, as the issuance of shares of our common stock resulting from the exercise of the Warrants will increase the Company's capital.

Under the terms of the Warrant Agreement, in the event that stockholder approval of the issuance of common stock pursuant to the Series B Warrants is not obtained at this Special Meeting, and if such approval is not otherwise obtained prior to April 30, 2005, the holders of the Series B Warrants will have the right, upon exercise of the Series B Warrants and payment of the applicable exercise price, to receive cash from the Company in an amount equal to 105% of the current market price of our common stock on the day prior to exercise. If the holders were to exercise this right, the Company's liquidity would be reduced by approximately \$3 million for each dollar the Company's stock price exceeded the \$18 exercise price of the Warrants at the date of exercise.

Our stockholders will not have the opportunity to dissent from the transaction or to receive an agreed or judicially appraised value for their shares of common stock.

Vote Required and Recommendation of Board of Directors

The Company agreed with the investors to use all commercially reasonable efforts to cause the holders of a majority of our outstanding shares of common stock, in accordance with all statutory laws and securities market or exchange rules applicable to the Company, to approve the exercise of the Series B Warrants. Our Board of Directors now solicits your proxy to be voted to approve the issuance of a sufficient number of shares of our common stock to be issued upon the exercise of the Series B Warrants.

The affirmative vote of a majority of the votes cast in person or by proxy at the meeting will be required to ratify and approve the issuance of common stock upon exercise of the Series B Warrants. Abstentions will not be counted toward the tabulation of votes cast on the proposal. Broker non-votes will be counted towards a quorum, but will not be counted for any purpose in determining whether this matter has been approved. Properly executed unrevoked proxies will be voted for Item 1 unless a vote against such proposal or an abstention is indicated.

THE BOARD OF DIRECTORS DEEMS THIS PROPOSAL TO BE IN THE BEST INTERESTS OF THE COMPANY AND RECOMMENDS A VOTE FOR THE APPROVAL OF THIS ITEM 1 RATIFYING THE POTENTIAL ISSUANCE OF UP TO 2,857,565 SHARES OF THE COMPANY'S COMMON STOCK IN CONNECTION WITH THE EXERCISE OF THE SERIES B WARRANTS.

Edgar Filing: INTERPOOL INC - Form PRE 14A

- (a) Amount reflects the incremental interest expense incurred on the issuance of \$150,000 of 6% notes, partially reduced by the interest expense savings on the repayment of \$31,605 of 7.20% notes due in 2007 and \$17,490 of 7.35% notes due in 2007.
- (b) Amount reflects the interest income earned on the excess cash invested in treasury notes earning 2.20% per annum.
- (c) Amount reflects the tax effect of the above items tax affected at 40%.
- (d) The Warrants (with an exercise price in excess of the average market price for the year ended December 31, 2003) do not have a dilutive effect on income per share. In addition, the convertible redeemable subordinated debentures, which have a dilutive effect on the reported net income per share for the year ended December 31, 2003, had an anti-dilutive effect on pro forma net income per share for 2003, thus these securities, which amounted to weighted average shares of 1,460,461 outstanding as reported, are not included in the pro forma diluted net income per share.
