PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS
TO BE HELD
MAY 3, 2001

Edgar Filing: RLI CORP - Form DEF 14A

GENERAL INFORMATION

This Proxy Statement is furnished to the shareholders of RLI Corp. ("Company") in connection with the solicitation, by the Board of Directors of the Company, of proxies to be used at the Annual Meeting of Shareholders to be held at 2:00 P.M. Central Daylight Time on Thursday, May 3, 2001, at 9025 North Lindbergh Drive, Peoria, Illinois, 61615, and at any adjournments of the Meeting.

PROXY SOLICITATION. The Company will bear the cost of solicitation of proxies. In addition to the use of the mail, proxies may be solicited in person or by telephone, facsimile or other electronic means, by directors, officers or employees of the Company. No additional compensation will be paid to such persons for their services. In accordance with the regulations of the Securities and Exchange Commission ("SEC") and the New York Stock Exchange ("NYSE"), the Company will reimburse banks, brokerage firms, investment advisors and other custodians, nominees, fiduciaries and service bureaus for their reasonable out-of-pocket expenses for forwarding soliciting material to beneficial owners of the Company's Common Stock and obtaining their proxies or voting instructions.

VOTING. As many shareholders cannot attend the Annual Meeting in person, it is necessary that a large number be represented by proxy. Even if you expect to attend, it is important that you complete the enclosed proxy card, and sign, date and return it as promptly as possible in the envelope enclosed for that purpose. You may also vote your shares by telephone or on the Internet by following the instructions on your proxy card. You have the right to revoke your proxy at any time prior to its use by filing a written notice of revocation with the Corporate Secretary of the Company prior to the convening of the Annual Meeting, or by presenting another proxy card with a later date. If you attend the Annual Meeting and desire to vote in person, your proxy may be withdrawn upon request.

Each proxy will be voted in accordance with the shareholder's specifications. If there are no such specifications, it will be voted as recommended by the Board of Directors. All proxies delivered pursuant to this solicitation are revocable at any time at the option of the shareholder either by giving written notice to the Corporate Secretary at 9025 North Lindbergh Drive, Peoria, Illinois, 61615, or by timely delivery of a properly executed proxy, including an Internet or telephone vote, bearing a later date, or by voting in person at the Annual Meeting. All shares

1

represented by valid, unrevoked proxies will be voted at the Annual Meeting.

Assuming the presence of a quorum, the election of directors requires the affirmative vote of a plurality of the votes cast by the holders of the outstanding shares of Common Stock. With respect to the election of directors, shareholders may vote in favor of all nominees, or withhold their votes as to all nominees, or withhold their votes as to specific nominees. Brokers who hold shares for the accounts of their clients may vote such shares either as directed by their clients or at their own discretion if permitted by the Stock Exchange or other organization of which they are members. Members of the NYSE are permitted to vote their clients' proxies at their own discretion as to the election of directors if the clients have not furnished voting instructions

Edgar Filing: RLI CORP - Form DEF 14A

within ten days of the meeting. If an executed proxy is returned by a broker holding shares in street name which indicates that the broker does not have discretionary authority as to certain shares to vote on one or more matters (a "broker non-vote"), such shares will be considered present at the Annual Meeting for purposes of determining a quorum but will not be considered to be represented at the Annual Meeting for purposes of calculating the vote.

MAILING. This Proxy Statement and enclosed Proxy are first being mailed or electronically delivered to shareholders entitled to notice of and to vote at the Annual Meeting on or about March 26, 2001.

VOTING VIA TELEPHONE OR THE INTERNET. Shareholders can save the Company expense by voting their shares over the telephone, toll-free from the United States or Canada, or by voting through the Internet. The voting procedures are designed to authenticate each shareholder by use of a control number, to allow shareholders to vote their shares, and to confirm that their instructions have been properly recorded. Specific instructions to be followed by any shareholder interested in voting by telephone or the Internet are set forth on the proxy card. The method of voting will not limit a shareholder's right to attend the Annual Meeting.

ELECTRONIC ACCESS TO PROXY MATERIALS AND ANNUAL REPORT. This notice of Annual Meeting and Proxy Statement and the 2000 Annual Report are available on RLI Corp.'s Internet site at www.rlicorp.com. Shareholders can elect to view future proxy statements and annual reports over the Internet instead of receiving paper copies in the mail. You can choose this option and save the Company the cost of producing and mailing these documents by following the instructions provided if you vote over

2

the Internet or by telephone. Should you choose to view future proxy statements and annual reports over the Internet, you will receive an e-mail next year with voting instructions and the Internet address of those materials.

SHAREHOLDER PROPOSALS. To be included in the Board of Directors' Proxy Statement for the 2002 Annual Meeting of Shareholders, a shareholder proposal must be received by the Company on or before November 26, 2001. Proposals should be directed to the attention of the Corporate Secretary at 9025 North Lindbergh Drive, Peoria, Illinois, 61615. If a shareholder raises a matter at the 2002 Annual Meeting of Shareholders, the Company may exercise discretionary authority (vote the shares in the discretion of the persons appointed in the Proxy Card) unless the shareholder notifies the Company of the matter before February 11, 2002.

SHAREHOLDERS ENTITLED TO VOTE. At the close of business on March 5, 2001, the record date for the determination of shareholders entitled to vote at the Annual Meeting, the Company had 9,811,546 shares of Common Stock outstanding and entitled to vote. Common share ownership entitles the holder to one vote per share upon each matter to be voted at the Annual Meeting.

Stephens and Robert O. Viets are Class II directors who were elected by the shareholders in 1998 for three-year terms expiring in 2001. Messrs. F. Lynn McPheeters and Richard H. Blum are also Class II directors who were elected to such office by the Board of Directors on August 24, 2000, and November 15, 2000, respectively.

VOTING OF PROXIES. Unless otherwise instructed, the shares represented by a Proxy will be voted for the election of the four nominees named above. The Committee also evaluated executive performance, executive back-up plans, and examined the officer development program. The Committee reviews and evaluates the compensation and stock options of the outside directors of the Company. At its meeting held December 8, 2000, the Board of Directors revised the Committee membership as follows: Robert O. Viets, Chairman; Richard H. Blum, Gerald I. Lenrow, F. Lynn McPheeters and Edwin S. Overman, members.

NOMINATING COMMITTEE. The Company does not have a standing nominating committee.

BOARD MEETINGS AND COMPENSATION

STOCK OPTION PLAN FOR OUTSIDE DIRECTORS. The Stock Option Plan for Outside Directors ("Director Plan") provides for the grant of an option to purchase 3,000 shares of the Company's Common Stock to each newly elected or appointed outside director exercisable at fair market value on the date of grant. In addition, effective the first business day in February of each year, each outside director is annually granted an option to purchase 900 shares of the Company's Common Stock under the Director Plan, exercisable at fair market value on the date of grant. If the Company earns more than its cost of capital and the ESOP contribution as provided under its Market Value Potential Plan in each respective year, each outside director is granted an option to purchase 900 additional shares of the Company's Common Stock under the Director Plan effective the first business day in February of the succeeding year exercisable at fair market value on the date of grant.

DIRECTOR DEFERRED COMPENSATION PLAN. Prior to the beginning of each year, an outside director may elect to defer the compensation otherwise payable to the director during the succeeding year pursuant to the Director Deferred Compensation Plan ("Deferred Plan"). Under the Deferred Plan, the Company must transfer to a bank trustee, under an irrevocable trust established by the Company, such number of shares as are equal to the compensation as earned and deferred during the referent year. Dividends on these shares are reinvested quarterly under the Company's Dividend Reinvestment Plan. In general, Deferred Plan benefits are distributable beginning when the director's status terminates.

AUDIT COMMITTEE REPORT

The following report by the Audit Committee is required by the rules of the Securities and Exchange Commission to be included in this Proxy Statement and shall not be considered incorporated by reference in other filings by the Company with the Securities and Exchange Commission.

The Audit Committee of the Company's Board of Directors is composed of four independent directors and operates under a written charter adopted by the Board of Directors, which is

13

attached to this Proxy Statement as Exhibit A. The Board of Directors and Audit Committee believe that the Audit Committee's current composition satisfies the New York Stock Exchange rules governing audit committee composition and that each of the members of the Audit Committee is independent for purposes of the New York Stock Exchange listing standards. The members of the Committee are: Messrs. Keane, Lenrow, McPheeters and Viets.

The Committee recommends to the Board of Directors the selection of the Company's independent accountants. The Committee also provides assistance to the members of the Board of Directors in fulfilling their oversight functions over the financial reporting practices and financial statements of the Company. It is not the duty of the Committee, however, to plan or conduct audits or to determine that the Company's financial statements are complete and accurate and are in accordance with generally accepted accounting principles. The responsibility to plan and conduct audits is that of the Company's independent accountants. The Company's management has the responsibility to determine that the Company's financial statements are complete and accurate and in accordance with generally accepted accounting principles.

The Committee received reports and reviewed and discussed the audited financial statements with management and the independent accountants. The

Edgar Filing: RLI CORP - Form DEF 14A

Committee also discussed with the independent accountants matters required to be discussed by Statement on Auditing Standards No. 61. The Company's independent accountants also provided to the Committee the written disclosures and letter required by the Independence Standards Board Standard No.1. The Committee discussed with the independent accountants that firm's independence and any relationships that may impact that firm's objectivity and independence.

Based on the Committee's discussion with and reports from management and its independent accountants and the Committee's reliance on the representation of management that the Company's consolidated financial statements were prepared in accordance with generally accepted accounting principles, the Committee recommended to the Board of Directors that the audited financial statements of the Company be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2000, as filed with the Securities and Exchange Commission.

EXECUTIVE RESOURCES COMMITTEE REPORT

The following report by the Executive Resources Committee is required by the rules of the Securities and Exchange Commission to be included in this Proxy Statement and shall not be considered incorporated by reference in other filings by the Company with the Securities and Exchange Commission.

GENERAL. The Executive Resources Committee is responsible for determining specific compensation levels of certain executive officers. The Company aims to offer total compensation packages that attract, retain and motivate high quality executives and that reward executives for Company profitability and the enhancement of shareholder value. The following components of executive compensation have been designed to meet these objectives.

BASE SALARY. The Executive Resources Committee sets base salary ranges for certain executive officer positions based on executive compensation data from nationally recognized surveys of a group of comparable insurance companies prepared by Watson Wyatt, an independent actuarial firm. Actual salaries, which consider individual performance and job content in the context of these ranges, are targeted to fall within these ranges of salaries offered in the Company's competitive market.

MVP BONUS. The Company pays annual cash bonuses to certain executive officers based upon achievement of the Company's annual business plan. Since adoption of the Market Value Potential Plan ("MVP Plan") in 1996, the Company has paid bonuses pursuant to the MVP Plan, which rewards participants for earnings in excess of the Company's cost of capital. The MVP Plan thus encourages participants to manage and allocate Company capital to products that produce income in excess of the cost of capital, thereby enhancing the potential for appreciation of shareholder value.

Under the MVP Plan, the total annual bonus pool for the Company, if any, is based upon a Committee-specified percentage of the Company's return on capital in excess of its cost of capital. The Executive Resources Committee awards individual bonuses out of the pool taking into account Watson Wyatt studies of bonus compensation in the Company's competitive market and the

Edgar Filing: RLI CORP - Form DEF 14A

executive officer's job content. A memo account is established for each participant in the MVP Plan and the participant's allocated

15

percentage of the MVP Bonus Pool for each year (whether a positive or negative amount) is annually credited to each participant's account without limitation. Once a year, an interest factor is credited to positive balances and forty percent of each participant's positive account balance is paid out. The remaining positive balance or any negative balance is rolled into the next year and is adjusted by subsequent MVP Plan results.

INCENTIVE STOCK OPTIONS. Stock options awarded pursuant to the Incentive Stock Option Plan are another important element of the Company's compensation philosophy. The Company believes options serve as incentives to executives to maximize the long-term growth and profitability of the Company, which will be reflected in the Company's stock price. Under the Incentive Stock Option Plan, options may not be granted for less than fair market value of the Company's Common Stock on the date of grant, so that recipients will recognize value from the grants only if the Common Stock price increases in the future. Furthermore, all options granted provide for twenty percent annual vesting over a period of five years. In the event of a recipient's termination of employment with the Company on or after age sixty-five, or a recipient's death or disability, all options granted become fully vested.

ESOP. The Company's ESOP also offers a valuable way of aligning the interests of its employees, including its executive officers, with those of its shareholders on a long-term basis. Pursuant to the ESOP, the Company makes annual cash contributions that are used to purchase Company Common Stock on behalf of the Company's employees, including its executive officers. All employees, including executive officers, may have an annual contribution of fifteen percent of wages (limited to \$25,500). The ESOP vests 100% at the end of five years. Mr. Stephens and Mr. Michael are eligible to participate in individualized Key Employee Excess Benefit Plans ("Key Plan"). Under the Key Plan, the Company makes annual cash contributions which are used to purchase stock held in a trust it maintains for Mr. Stephens' and Mr. Michael's benefit in an amount equal in value to the excess of the contribution allowable to them under the ESOP (determined without regard to any limitations on compensation imposed by the Internal Revenue Code), over the contribution actually made for them under the ESOP (determined with regard to such limitations).

CHIEF EXECUTIVE OFFICERS. Policies with respect to the Chief Executive Officers are the same as those discussed for executive officers generally except that, in addition to the ESOP,

16

Mr. Stephens and Mr. Michael are eligible to participate in individualized Key Employee Excess Benefit Plans.

INTERNAL REVENUE CODE SECTION 162(m). The Company intends that total compensation, including bonuses awarded pursuant to the MVP Plan, will satisfy the conditions necessary for deductibility by the Company under Section 162(m) of the Internal Revenue Code, which limits the ability of the Company to deduct any compensation in excess of \$1,000,000 per year for federal income tax purposes unless such conditions are met.

- (1) Amounts represent compensation accrued during fiscal year 2000 and paid in 2001 pursuant to the Company's MVP Plan, exclusive of the following additional amounts which may be payable to such individuals in future years under the MVP Plan: Gerald D. Stephens \$322,201; Jonathan E. Michael \$225,541; Michael J. Stone \$124,283; Joseph E. Dondanville \$114,754; and Mary Beth Nebel \$55,889.
- (2) Twenty percent of each option grant becomes exercisable one year after the date of the grant and each year thereafter in 20% increments. Such options lapse at the end of the ten-year period beginning on the grant date.
- (3) Amounts represent payment of 50% of the executive officers' remaining positive balance in the MVP bonus pool earned in years 1996 through 1998.
- (4) Represents the value of Company contributions to the ESOP on behalf of the named executive officers. In the case of Messrs. Stephens and Michael, the amounts include shares allocated to them under their respective Key Plans as follows: Mr. Stephens 6,237 in respect of 2000; 7,310 shares in respect of 1999 and 10,630 shares in respect of 1998. Mr. Michael 3,513 in respect of 2000; 4,181 shares in respect of 1999 and 2,246 shares in respect of 1998. In general, benefits are distributable to Messrs. Stephens and Michael when their employment terminates. Under the Key Plan, the Company must transfer to the trustee under an irrevocable trust maintained by the Company for the benefit of Messrs. Stephens and Michael such number of shares as are equal in value to the excess of (a) the contribution allocable to them under the ESOP determined without regard to any limitation on compensation imposed by the Internal Revenue Code, over (b) the contribution actually allocable to them under the ESOP determined with regard to any limitation on compensation imposed by the Internal Revenue Code. The total value of their Key Plan benefits as of December 31, 2000, was: Mr. Stephens \$2,374,520 and Mr. Michael \$548,176.
- (5) Includes amounts voluntarily deferred under the Company's Executive Deferred Compensation Agreement ("Agreement"). The Agreement allows executive officers to defer portions of current base salary and bonus compensation otherwise payable during the year.

OPTION GRANTS IN LAST FISCAL YEAR. The following table shows information regarding grants of stock options made to the named executive officers under the Company's Incentive Stock Option Plan during the fiscal year ended December 31, 2000. The amounts shown for each of the named executive officers as potential realizable values are based on arbitrarily assumed annualized rates of stock price appreciation of five percent and ten percent over the full ten-year term of the options, which would result in stock prices of approximately \$51.41 and \$81.87, respectively. The amounts shown as potential realizable values for all shareholders represent the corresponding increases in the market value of 9,803,962 outstanding

Edgar Filing: RLI CORP - Form DEF 14A

shares of the Company's Common Stock held by all shareholders as of December 31, 2000, which would total approximately \$504,041,164 and \$802,601,314, respectively. No gain to the optionees is possible without an increase in stock price, which will benefit all shareholders proportionately. These potential realizable values are based solely on arbitrarily assumed rates of appreciation required by applicable Securities and Exchange Commission regulations. Actual gains, if any, on option exercises and common stock holdings are dependent on the future performance of the Company's Common Stock. There can be no assurance that the potential realizable values shown in this table will be achieved.

AGGREGATED OPTION EXERCISES IN LAST FISCAL YEAR AND FISCAL YEAR-END OPTION VALUES. The following table sets forth information with respect to the named executive officers concerning the exercise of options during the last fiscal year and unexercised options held December 31, 2000. Value realized upon exercise is the excess of the fair market value of the underlying stock on the exercise date over the exercise price under the option. Value of unexercised, in-the-money options at fiscal year end is the difference between its exercise price and the fair market value of the underlying stock on December 31, 2000, which was \$44.69 per share. These values, unlike the amounts set forth in the column headed "Value Realized," have not been, and may never be, realized. The underlying options have not been, and may never be, exercised; actual gains on exercise, if any, will depend on the value of the Company's Common Stock on the date of exercise. There can be no assurance that these values will be realized.

RLI CORP.
AUDIT COMMITTEE CHARTER

Organization

There shall be a committee of the board of directors to be known as the audit committee. The audit committee shall be composed of directors who are independent of the management of the corporation and are free of any relationship that, in the opinion of the board of directors, would interfere with their exercise of independent judgment as a committee member.

Statement of Policy

The audit committee shall provide assistance to the corporate directors in fulfilling their responsibility to the shareholders, potential shareholders, and investment community relating to corporate accounting, reporting practices of the corporation, and the quality and integrity of the financial reports of the corporation. In so doing, it is the responsibility of the audit committee to maintain free and open means of communication between the directors, the independent auditors, the internal auditors, and the financial management of the corporation.

Responsibilities

In carrying out its responsibilities, the audit committee believes its policies and procedures should remain flexible, in order to best react to changing conditions and to ensure to the directors and shareholders that the corporate accounting and reporting practices of the corporation are in accordance with all requirements and are of the highest quality.

In carrying out these responsibilities, the audit committee will:

- o Review and recommend to the directors the independent auditors to be selected to audit the financial statements of the corporation and its divisions and subsidiaries.
- o Meet with the independent auditors and financial management of the corporation to review the scope of the proposed audit for the current year and the audit procedures to be utilized, and at the conclusion thereof review such audit, including any comments or recommendations of the independent auditors.
- o Review with the independent auditors, the company's internal auditor, and financial and accounting personnel, the adequacy and effectiveness of the accounting and financial controls of the corporation, and elicit any recommendations for the

improvement of such internal control procedures or particular areas where new or more detailed controls or procedures are desirable. Particular emphasis should be given to the adequacy of such internal controls to expose any payments, transactions, or procedures that might be deemed illegal or otherwise improper. Further, the committee

Edgar Filing: RLI CORP - Form DEF 14A

periodically should review company policy statements to determine their adherence to the code of conduct.

- o Review the internal audit function of the corporation including the independence and authority of its reporting obligations, the proposed audit plans for the coming year, and the coordination of such plans with the independent auditors.

- o Receive prior to each meeting, a summary of findings from completed internal audits and a progress report on the proposed internal audit plan, with explanations for any deviations from the original plan.

- o Review the financial statements contained in the annual report to shareholders with management and the independent auditors to determine that the independent auditors are satisfied with the disclosure and content of the financial statements to be presented to the shareholders. Any changes in accounting principles should be reviewed.

- o Provide sufficient opportunity for the internal and independent auditors to meet with the members of the audit committee without members of management present. Among the items to be discussed in these meetings are the independent auditors' evaluation of the corporation's financial, accounting, and auditing personnel, and the cooperation that the independent auditors received during the course of the audit.

- o Accounting and financial human resources and succession planning is monitored by the executive resources committee of the board.

- o Submit the minutes of all meetings of the audit committee to, or discuss the matters discussed at each committee meeting with, the board of directors.

- o Investigate any matter brought to its attention within the scope of its duties, with the power to retain outside counsel for this purpose if, in its judgment, that is appropriate.
