Introductory Note

On July 6, 2011, Tortoise Capital Resources Corporation (the “Company”) announced that on June 30, 2011 it had purchased, for approximately \$15.6 million, including the assumption of \$3.4 million of debt, 100 percent ownership of the trust created under the Trust Agreement dated as of January 2, 1985 between U.S. Bank national Association (successor to the First National Bank of Boston), in its individual capacity and as owner trustee, and General Foods Credit Corporation, as owner participant (the “Eastern Interconnect Project Trust”). The Eastern Interconnect Project Trust owns a 40 percent-undivided interest in the Eastern Interconnect Project, which is a 216 mile, 345-KV bulk power transmission line and related equipment and substations including towers, easement rights, converters and other grid support components (collectively, the “Transmission Asset”). The Transmission Asset moves electric power across New Mexico between Albuquerque and Clovis. The Eastern Interconnect Project is leased on a triple net basis through April 1, 2015 to Public Service Company of New Mexico, an independent electric utility company serving approximately 500,000 customers in New Mexico. Public Service Company of New Mexico is a subsidiary of PNM Resources (NYSE: PNM).

Item 8.01                      Other Events

The Company is filing this Current Report on Form 8-K to provide the financial statements that would have been required by Rule 3-14 of Regulation S-X in connection with its purchase of the Eastern Interconnect Project Trust, if at the time of such purchase Rule 3-14 would have been applicable to the Company. Until September 21, 2011, the date of the Company’s withdrawal of its election to be regulated as a business development company under the Investment Company Act of 1940, the Company reported its financial results under the Investment Company Audit Guide and was not required to provide such financial statements.
