COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

All matters related to the compensation of executive officers, including the Chief Executive Officer, are acted upon by the full Board of Directors.

The following person served both as a member of our Board of Directors and as an officer or employee in 2003: George Morgenstern (Chairman of the Board, President and Chief Executive Officer). During 2003, no member of the Board of Directors who was also one of our officers participated in any deliberations of the Board of Directors or any committee thereof relating to his own compensation or to the compensation of any person to whom he is related. Except as described above, each member of the Board of Directors participated in 2003 in deliberations of the Board of Directors concerning executive officer compensation. During 2003, George Morgenstern engaged in transactions with us in which he was deemed to have an interest. For further information, see "Certain Relationships and Related Transactions" below.

EMPLOYMENT ARRANGEMENTS

Edgar Filing: DATA SYSTEMS & SOFTWARE INC - Form 10-K/A

George Morgenstern serves as our Chairman of the Board, President and Chief Executive Officer pursuant to an employment agreement that commenced on January 1, 1997, was amended in March 2002 to extend through December 31, 2003, and provides for a period of consultancy thereafter as set forth below (the "Employment Agreement"). Through December 31, 2003, the Employment Agreement provided for a base salary of \$420,000 per annum (which was \$470,000 due to cost of living adjustments as of December 31, 2003), subject to annual review by the Board and an annual cost of living adjustment, plus contributions to a nonqualified retirement fund equal to 25% of his base salary. Mr. Morgenstern's compensation pursuant to the Employment Agreement also includes the use of two company automobiles, premium payments on a life insurance policy owned by Mr. Morgenstern and other fringe benefits.

Pursuant to the terms of the Employment Agreement, on December 31, 2003, Mr. Morgenstern elected to terminate his employment with us and thereafter to continue to serve us as a consultant for a period (the "Consulting Period") ending on December 31, 2010. At the request of the Board, Mr. Morgenstern has continued on as our Chairman of the Board, President and Chief Executive Officer. During the Consulting Period, Mr. Morgenstern receives an annual consulting fee plus contributions to a nonqualified retirement fund and fringe benefits on the same basis as during the term of his employment as described above. Mr. Morgenstern's annual consulting fee during the Consulting Period is equal to 50% of his annual salary in effect immediately prior to the Consulting Period through the end of the fourth full calendar year of the Consulting Period, and 25% of such annual salary for the remainder of the Consulting Period (subject in all cases to an annual cost of living adjustment).

Under the terms of the Employment Agreement, the Company agrees to take appropriate action to fund the payment of all consulting fees to become payable to Mr. Morgenstern throughout the entire Consulting Period, by purchase of an annuity from a reputable insurance company, deposit of funds or U.S. Treasury Securities having maturities of less than one year in a bank acceptable to Mr. Morgenstern, or other arrangements acceptable to Mr. Morgenstern. In March 2004, Mr. Morgenstern agreed to waive this obligation, except in the event of (i) his death or disability, (ii) the Company entering into a definitive agreement(s) concerning a transaction or series of transactions, the consummation of which will result in the receipt by the Company of gross proceeds equal to or in excess of \$1 million or (iii) his termination as Chief Executive Officer of the Company for any reason other than his voluntary resignation. Upon the occurrence of any of these events, the Company would be obligated to fund all consulting fees as provided in the Employment Agreement. During the term of the Employment Agreement (including any Consulting Period), Mr. Morgenstern may not engage in a business that is in substantial and direct competition with our business or the business of any of our subsidiaries.

Yacov Kaufman serves as Vice President and Chief Financial Officer of the Company and as Executive Vice President and Chief Financial Officer of dsIT pursuant to an employment agreement entered into with the Company on January 1, 1999, and amended in June 2002. The amendment to Mr. Kaufman's employment agreement provides for an increase in Mr. Kaufman's salary to \$200,000 retroactive to January 1, 2002.

We make certain payments to fund in part our future severance obligations to Mr. Kaufman. If Mr. Kaufman's employment is voluntarily terminated or is terminated by us for reasons other than for cause, we must pay him an amount equal to 150% of his last month's salary multiplied by the number of years (including partial years) that Mr. Kaufman worked for us. This

Edgar Filing: DATA SYSTEMS & SOFTWARE INC - Form 10-K/A

severance obligation, which is customary for executives of Israeli companies, would be reduced by the amount contributed by us to certain Israeli pension and severance funds pursuant to Mr. Kaufman's employment agreement. In addition, the agreement with Mr. Kaufman provides for an additional payment equal to six times his last month's total compensation, payable at the end of his employment with us, unless he is terminated by us for cause. As of December 31, 2003, the unfunded portion of these payments was \$57,000.

The stock option agreements with our executive officers generally provide for accelerated vesting in the event we have a change in control.

Jacob Neuwirth serves as President and Chief Executive Officer of dsIT pursuant to an employment agreement that commenced on December 16, 2001. Mr. Neuwirth's employment agreement provides for a base salary which is denominated in linked NIS equivalent to \$165,000 per annum, linked to the Israeli Consumer Price Index ("Index"). In addition, the agreement with Mr. Neuwirth provides for six months advance notice of termination of employment by either side, and an additional payment equal to six times his last month's total compensation, payable upon any termination of his employment. As of December 31, 2003, the unfunded portion of these payments was \$115,000.

Under his employment agreement, Mr. Neuwirth is entitled to a loan of up to \$100,000 from dsIT. As of December 31, 2003 the loan, which is denominated in linked NIS, bears interest at 4% and has no fixed maturity date, had an outstanding balance of \$54,000.
