Stockholders who execute proxies in the form solicited hereby retain the right to revoke them in the manner described below. Unless so revoked, the shares represented by proxies will be voted at the annual meeting and all adjournments thereof. Proxies solicited on behalf of the Board of Directors of the Company will be voted in accordance with the directions given thereon. Where no directions are indicated, validly executed proxies will be voted "FOR" the proposals set forth in this proxy statement for consideration at the annual meeting.

A proxy may be revoked at any time prior to its exercise by the filing of a written notice of revocation with the Secretary of the Company, by delivering to the Company a validly completed proxy bearing a later date, or by attending the annual meeting and voting in person. Attendance at the annual meeting will not constitute a revocation of a previously delivered proxy. However, if you are a stockholder whose shares are not registered in your own name, you will need appropriate documentation from your record holder to vote personally at the annual meeting.

### VOTING SECURITIES

---

Holders of record of the Company's common stock, par value \$0.10 per share, as of the close of business on April 15, 2004 (the "Record Date") are entitled to one vote for each share then held, except as described below. As of the Record Date, the Company had 622,417 shares of common stock issued and outstanding. The presence, in person or by proxy, of at least a majority of the total number of shares of common stock outstanding and entitled to vote is necessary to constitute a quorum at this annual meeting. In the event there are not sufficient votes for a quorum, or to approve or ratify any matter being presented, at the time of this annual meeting, the annual meeting may be adjourned in order to permit the further solicitation of proxies.

In accordance with the provisions of the Company's Certificate of Incorporation, record holders of common stock who beneficially own in excess of 10% of the outstanding shares of common stock (the "Limit") are not entitled to any vote with respect to the shares held in excess of the Limit. The Company's Certificate of Incorporation authorizes the Board of Directors (i) to make all determinations necessary to implement and apply the Limit, including determining whether persons or entities are acting in concert, and (ii) to demand that any person who is reasonably believed to beneficially own shares of common stock in excess of the Limit supply information to the Company to enable the Board of Directors to implement and apply the Limit.

---

### VOTING PROCEDURES AND METHOD OF COUNTING VOTES

---

As to the election of Directors, the proxy card being provided by the Board of Directors enables a stockholder to vote FOR the election of the three nominees proposed by the Board of Directors, or to WITHHOLD authority to vote for the nominees being proposed. Under Delaware law and the Company's

## Edgar Filing: CLOVER LEAF FINANCIAL CORP - Form DEF 14A

Certificate of Incorporation and Bylaws, Directors are elected by a plurality of votes cast, without regard to either broker non-votes, or proxies as to which authority to vote for the nominees being proposed is withheld.

As to the ratification of McGladrey & Pullen, LLP as independent auditors of the Company, by checking the appropriate box, a stockholder may: (i) vote FOR the item; (ii) vote AGAINST the item; or (iii) ABSTAIN from voting on such item. Under the Company's Certificate of Incorporation and Bylaws, the ratification of this matter shall be determined by a majority of the votes cast, without regard to broker non-votes, or proxies marked "ABSTAIN."

Proxies solicited hereby will be returned to the Company, and will be tabulated by an inspector of election designated by the Board of Directors. If there are insufficient votes to approve any matter presented at the annual meeting, the annual meeting may be adjourned from time to time in order to permit further solicitation of proxies.

### Meetings of the Board of Directors and Committees of the Board of Directors

The Board of Directors of Clover Leaf Financial meets quarterly, or more often as necessary. The Board of Directors has an Audit Committee and a Nominating Committee. The Board of Directors of Clover Leaf Financial met 12 times during the year ended December 31, 2003. No Director attended fewer than 75% in the aggregate of the total number of Board meetings held and the total number of committee meetings on which he served during 2003, including Board and committee meetings of Clover Leaf Bank.

Audit Committee. The Audit Committee reviews audit reports and related matters to ensure compliance with regulations and internal policies and procedures. This committee also acts on the recommendation by management of an accounting firm to perform Clover Leaf Financial's annual audit and acts as a liaison between the auditors and the Board. The current members of this committee are Directors Ulrich, Schwartz and Niebur. Mr. Ulrich has been

## Edgar Filing: CLOVER LEAF FINANCIAL CORP - Form DEF 14A

designated as the financial expert on the Audit Committee. The Audit Committee of Clover Leaf Financial met four times during the year ended December 31, 2003.

Nominating Committee. The Nominating Committee meets annually in order to nominate candidates for membership on the Board of Directors. This committee is comprised of the Board members who are not standing for election. The nominating committee met once during the year ended December 31, 2003. During the year ended December 31, 2003, the Nominating Committee consisted of directors who were "independent" of the Company as defined by Nasdaq listing standards.

The Company's Board of Directors has adopted a written charter for the Nominating Committee, which is attached hereto as Appendix A.

4

The functions of the Nominating Committee include the following:

- o to lead the search for individuals qualified to become members of the Board and to select director nominees to be presented for stockholder approval; and
- o to develop and recommend to the Board criteria for the selection of individuals to be considered for election or re-election to the Board.

The Nominating Committee identifies nominees by first evaluating the current members of the Board of Directors willing to continue in service. Current members of the Board with skills and experience that are relevant to the Company's business and who are willing to continue in service are first considered for re-nomination, balancing the value of continuity of service by existing members of the Board with that of obtaining a new perspective. If any member of the Board does not wish to continue in service, or if the Nominating Committee or the Board decides not to re-nominate a member for re-election, or if the size of the Board is increased, the Nominating Committee would solicit suggestions for director candidates from all Board members. In addition, the Nominating Committee is authorized by its charter to engage a third party to assist in the identification of director nominees. The Nominating Committee would seek to identify a candidate who at a minimum satisfies the following criteria:

- o has the highest personal and professional ethics and integrity and whose values are compatible with the Company's;
- o has had experiences and achievements that have given them the ability to exercise and develop good business judgment;
- o is willing to devote the necessary time to the work of the Board and its committees, which includes being available for Board and committee meetings;
- o is familiar with the communities in which the Company operates and/or is actively engaged in community activities;
- o is involved in other activities or interests that do not create a conflict with their responsibilities to the Company and its stockholders; and
- o has the capacity and desire to represent the balanced, best interests of the stockholders of the Company as a group, and not primarily a special interest group or constituency.

## Edgar Filing: CLOVER LEAF FINANCIAL CORP - Form DEF 14A

The Nominating Committee will also take into account whether, if a nominee is sought for service on the Audit Committee, the financial and accounting expertise of the candidate, including whether an individual qualifies as an audit committee financial expert.

Procedures for the Consideration of Board Candidates Submitted by Stockholders. The Nominating Committee has adopted procedures for the submission of director nominees by stockholders for consideration by the Nominating Committee. If a determination is made that an additional candidate is needed for the Board, the Nominating Committee will consider candidates submitted by the Company's stockholders. Stockholders can submit the names of candidates for Director by writing to the Company's Corporate Secretary, Clover Leaf Financial Corp., 200 East Park Street, Edwardsville, Illinois 62025. A submission must be received not less than ninety (90) days prior to the date of the Company's proxy materials for the preceding year's annual meeting. If the date of the annual meeting is advanced more than thirty (30) days prior to or delayed by more than thirty (30) days after the anniversary of the preceding year's annual meeting, the stockholder's recommendation must be so delivered not later than the close of business on the tenth day following the day on which public announcement of the date of such annual meeting is first made.

5

The submission must include the following information:

- o A statement that the writer is a stockholder and is proposing a candidate for consideration by the committee;
- o The name and address of the stockholder as they appear on the Company's books, and number of shares of the Company's common stock that are owned beneficially by such stockholder (if the stockholder is not a holder of record, appropriate evidence of the stockholder's ownership will be required);
- o The name, address and contact information for the candidate, and the number of shares of common stock of the Company that are owned by the candidate (if the candidate is not a holder of record, appropriate evidence of the candidate's ownership should be provided);
- o A statement of the candidate's business and educational experience;
- o Such other information regarding the candidate as would be required to be included in the proxy statement pursuant to SEC Regulation 14A;
- o A statement detailing any relationship between the candidate and the Company;
- o A statement detailing any relationship between the candidate and any customer, supplier or competitor of the Company;
- o Detailed information about any relationship or understanding between the proposing stockholder and the candidate; and
- o A statement that the candidate is willing to be considered and willing to serve as a Director if nominated and elected.

A nomination submitted by a stockholder for presentation by the

## Edgar Filing: CLOVER LEAF FINANCIAL CORP - Form DEF 14A

stockholder at an annual meeting of stockholders must comply with the procedural and informational requirements described in "Advance Notice Of Business To Be Conducted at an Annual Meeting."

Stockholder Communications with the Board. A stockholder of the Company who wants to communicate with the Board or with any individual Director may do so by writing to:

Clover Leaf Financial Corp.  
Attention: Corporate Secretary  
200 East Park Street  
Edwardsville, Illinois 62025

The letter should indicate that the author is a stockholder and if shares are not held of record, should include appropriate evidence of stock ownership. Depending on the subject matter, the Corporate Secretary will:

- o forward the communication to the Director(s) to whom it is addressed;
- o attempt to handle the inquiry directly, for example where it is a request for information about the Company or it is a stock-related matter; or
- o not forward the communication if it is primarily commercial in nature, relates to an improper or irrelevant topic, or is unduly hostile, threatening, illegal or otherwise inappropriate.

Based on the review and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-KSB for the year ended December 31, 2003 and be filed with the SEC. In addition, the Audit Committee recommended that the Board of Directors appoint McGladrey & Pullen, LLP as the Company's independent auditors for the year ending December 31, 2004, subject to the ratification of this appointment by Company's stockholders.

### Compensation of Directors of Clover Leaf Financial

Fees. Directors do not receive compensation for their service on the Board of Directors of Clover Leaf Financial. Directors of Clover Leaf Bank were paid a monthly fee of \$1,000 for the year ended December 31, 2003. Members of the loan committee receive \$200 per meeting attended; members of the audit committee receive \$200 per meeting attended; and members of the executive committee receive \$100 per meeting attended.

Amended and Restated Directors' Emeritus Plan. Clover Leaf Bank maintains a directors' emeritus plan to compensate former members of the Board of Directors who have attained age 75, have a minimum of 20 years of service as directors, and perform emeritus services for Clover Leaf Bank. A director emeritus is entitled to receive an annual fee equal to his annual director's fee as of the date of retirement for a maximum of five years, provided he continues to perform emeritus services for Clover Leaf Bank. A director emeritus must retire at age 80, at which time no further fees will be paid by Clover Leaf Bank. The Board of Directors may, in its discretion, appoint a retired director

## Edgar Filing: CLOVER LEAF FINANCIAL CORP - Form DEF 14A

emeritus as a consultant for a maximum of one year after termination as a director emeritus.

Director's Deferred Compensation Agreements. Clover Leaf Bank has entered into non-qualified deferred compensation agreements with certain of its non-employee directors under which a non-employee director can elect to defer all or a portion of his fees earned in his capacity as a director. The amounts deferred will earn interest at a rate equal to that paid on Clover Leaf Bank's one-year certificate of deposit. In the event of a director's termination of service, the director's account will be paid to him in a lump sum or equal installments over a period not exceeding five years, in the sole discretion of Clover Leaf Bank. In the event of a director's death, amounts under the agreement will be paid to his beneficiary or his estate.

The deferred compensation agreements, in the aggregate, constitute an unfunded plan for tax purposes and for purposes of the Employee Retirement Income Security Act ("ERISA"). All obligations arising under the non-qualified plan are payable from the general assets of Clover Leaf Bank. As of December 31, 2003, Directors Schwartz and Gugger had account balances of \$256,379 and \$44,561, respectively, under their deferred compensation agreements.

8

### Executive Compensation

The following table sets forth information concerning the compensation paid or granted to Clover Leaf Bank's Chief Executive Officer. No other executive officer of Clover Leaf Bank had aggregate annual compensation in excess of \$100,000 for the year ended December 31, 2003.

Name and Principal Position	Year Ended 12/31 (1)	Annual Compensation		Long-Term Compensation

### Benefits

General Benefits. Clover Leaf Bank currently provides health care benefits, including medical, disability and group life insurance, subject to certain deductibles and co-payments, for its full time employees.

Defined Benefit Pension Plan. Clover Leaf Bank maintains the Financial Institutions Retirement Fund, which is a qualified, tax-exempt defined benefit plan ("Retirement Plan"). All employees age 21 or older who have worked at Clover Leaf Bank for a period of one year in which they have 1,000 or more hours

## Edgar Filing: CLOVER LEAF FINANCIAL CORP - Form DEF 14A

of service are eligible for membership in the Retirement Plan. Once eligible, an employee must have been credited with 1,000 or more hours of service with Clover Leaf Bank during the year in order to accrue benefits under the Retirement Plan. Clover Leaf Bank annually contributes an amount to the Retirement Plan necessary to satisfy the actuarially determined minimum funding requirements in accordance with ERISA.

The regular type of all retirement benefits (i.e., normal, early or disability) provides a retirement allowance plus a retirement death benefit. The regular retirement allowance is payable in monthly installments for life. For a married participant, the normal retirement allowance would be paid as a joint and survivor annuity where, upon the participant's death, the participant's spouse is entitled to receive a benefit equal to 50% of that paid during the participant's lifetime. Other optional types of retirement allowance may be selected instead of the normal form. These optional types include various annuity forms.

The regular retirement allowance payable at or after age 65, is an amount equal to 2% multiplied by an employee's years of benefit service times average compensation paid in the three consecutive years providing the highest average. A reduced benefit is payable upon retirement at age 55 at or after completion of five years of service. A member is fully vested in his account upon completion of five or more years of employment or upon attaining normal retirement age.

If a participant dies while in active service, his beneficiary would receive a lump sum death benefit equal to the participant's last 12 months' salary, plus 10% of such salary for each year of benefit service, up to 300% of salary for 20 or more years, plus refund of his contributions, if any, with interest. Death benefits may be paid in installments over a period of up to 10 years or a lifetime annuity. In the event the participant dies after he retires, his beneficiary would receive a lump sum retirement death benefit equal to 12 times the annual retirement allowance, less the sum of such allowance payments made before death.

9

The following table indicates the annual retirement allowance that would be payable under the Retirement Plan upon retirement at age 65 in calendar year 2003, expressed in the form of a single life annuity for the average salary and benefit service classifications specified below.

Highest Three-Year Average Compensation	Years of Service and Benefit Payable at Retirement			
	15	20	25	30

Employee Stock Ownership Plan and Trust. Clover Leaf Bank implemented an employee stock ownership plan in connection with its conversion to stock form. Employees with at least one year of employment with Clover Leaf Bank and who have attained age 18 are eligible to participate. The employee stock ownership plan is borrowing funds from Clover Leaf Financial to purchase a number of shares equal to up to 8% of the common stock issued in the conversion.

## Edgar Filing: CLOVER LEAF FINANCIAL CORP - Form DEF 14A

The loan is being repaid principally from Clover Leaf Bank's discretionary contributions to the employee stock ownership plan over a period of up to 10 years, although the loan documents permit repayment over a shorter period, without penalty for prepayments. The interest rate for the loan is a floating rate equal to the prime rate. Shares purchased by the employee stock ownership plan are being held in a suspense account for allocation among participants as the loan is repaid.

Contributions to the employee stock ownership plan and shares released from the suspense account in an amount proportional to the repayment of the employee stock ownership plan loan are allocated among employee stock ownership plan participants on the basis of compensation in the year of allocation. A participant who terminates employment for reasons other than death, retirement, or disability prior to seven years of credited service under the employee stock ownership plan vests at 20% per year, starting upon completion of three years of service, with full vesting upon the completion of seven years of service. Nonvested benefits will become fully vested upon a participant's death or disability or termination of the plan. Vested benefits are payable in the form of common stock and/or cash. Clover Leaf Bank's contributions to the employee stock ownership plan are discretionary, subject to the loan terms and tax law limits; therefore, benefits payable under the employee stock ownership plan cannot be estimated. Pursuant to SOP 93-6, Clover Leaf Bank is required to record compensation expense in an amount equal to the fair market value of the shares released from the suspense account. In the event of a change in control (as defined in the plan), the employee stock ownership plan will terminate.

Clover Leaf Bank has established a committee of nonemployee directors to administer the employee stock ownership plan. The employee stock ownership plan trustee, subject to its fiduciary duty, must vote all allocated shares held in the employee stock ownership plan in accordance with the instructions of participating employees. Under the employee stock ownership plan, nondirected shares and shares held in the suspense account are voted in a manner calculated to most accurately reflect the instructions it has received from participants regarding the allocated stock, so long as the vote is in accordance with the provisions of ERISA.

#### Policy on Audit Committee Pre-Approval of Audit and Non-Audit Services of Independent Auditors

The Audit Committee's policy is to pre-approve all audit and non-audit services provided by the independent auditors. These services may include audit services, audit-related services, tax services and other services. Pre-approval is generally provided for up to one year and any pre-approval is detailed as to particular service or category of services and is generally subject to a specific budget. The Audit Committee has delegated pre-approval authority to its Chairman when expedition of services is necessary. The independent auditors and management are required to periodically report to the full Audit Committee regarding the extent of services provided by the independent auditors in accordance with this pre-approval, and the fees for the services performed to date. For the years ended December 31, 2003 and 2002, 100% and 100%, respectively, of audit related fees, tax fees and all other fees were approved by the Audit Committee prior to engagement.

## Edgar Filing: CLOVER LEAF FINANCIAL CORP - Form DEF 14A

The Audit Committee has considered whether the provision of non-audit services, which relate primarily to regulatory reporting and compliance services provided, is compatible with maintaining McGladrey & Pullen, LLP's independence. The Audit Committee concluded that performing such services does not affect McGladrey & Pullen, LLP's independence in performing its function as auditor of Clover Leaf Financial.
