Enclosure: A press release dated August 27, 2014 announcing the sale of Turkcell’s shares in A-Tel.

Istanbul, August 27, 2014

Announcement Regarding the Sale of Our Shares in A-Tel

Subject: Statement made pursuant to Communiqué II-15.1 of the Capital Markets Board

The Board of Directors of our Company convened on 26 August 2014 with the participation of all of the independent members and the following was resolved with the unanimous votes of members attending:

All of our shares with a nominal value of TRY 7,000,000 in A-Tel Pazarlama ve Servis Hizmetleri A.Ş. (“A-Tel”), in which we hold 50%, is sold to Bereket Holding A.Ş. (“Bereket Holding”), the other shareholder of A-Tel, for a total consideration of TRY 31,025,012 as per the Share Sale Agreement dated August 27, 2014.

Further, simultaneously with the Share Sale Agreement, a Settlement Protocol dated August 27, 2014 was signed with Bereket Holding. As per this protocol, it has been agreed that our Company would pay A-Tel a compensation of TRY 30,427,897 and the lawsuit, which was publicly disclosed, filed by Savings Deposit Insurance Fund (TMSF) against our Company with a claim of TRY 131,880,000 and then assigned to Bereket Holding shall be withdrawn along with another related lawsuit.

A provision in relation to A-Tel at the amount of TRY 34,375,000 (before tax) was booked on our consolidated financial statements as at 31 December 2012. It is anticipated that this sale transaction will have an approximately TRY 24 million positive impact on our net consolidated profit for the period ending 30 September 2014. This amount is calculated after the impact of the decrease in the provision for compensation, our share of profit from A-Tel’s net income and current and deferred tax of transactions are deducted.

According to the 5th and 6th articles of the Capital Markets Board “Communiqué Regarding Common Terms On Material Transactions And Right To Exit” with the number II-23.1, this sale transaction does not fall within the category of “Material Transaction”* defined therein.

In compliance with the related regulations, the disclosure of this Board of Directors decision was postponed until the Share Sale Agreement and Settlement Protocol would be simultaneously signed. This postponement was agreed upon at the Board of Directors with the underlying reason that disclosure of such at this stage may mislead the investors and also may adversely affect the rights and interests of our Company.
