On June 13, 2018, Comcast released the following communication.

Disney A Comcast/21CF Transaction is Approvable Comcast's all - cash offer is superior to Disney's bid and is in the best interest of 21CF shareholders. Comcast is confident in a path to approval, and in fact, has at least as clear a path to regulatory approval compared to Disney's bid for a number of reasons, including that there are no antitrust concerns with vertical integration due to the complementary nature of the Comcast/21CF assets and AT&T just prevailed in a case the DOJ consistently said presented greater issues than Comcast. V S . Superior: \$35/share in cash, reflecting a \$65 billion equity value for 21CF and a premium of approximately 19% to Disney offer. 1 OFFER Lower: \$52.4 billion all - stock offer. \$ 4.025 Billion (\$2.5 billion Reverse Termination Fee to 21CF and \$1.525 billion reimbursement of Breakup Fee paid by 21CF) POTENTIAL T E R M I N A T I O N FEES PAID \$ 2.5 Billion (\$2.5 billion Reverse Termination Fee to 21CF) Pro - competition: A Comcast/21CF combination would not pose the same concerns about concentration in the film market as Disney's proposal, given that Disney is already the leading film studio. Comcast/21CF = 25% box office share APPROACH TO C O M P E T I T I O N Dominant: A Disney/21CF combination would result in a dominant film studio with significantly higher share of domestic box office. Disney/21CF = 50% box office share Little Overlap: Two - thirds of 21CF RSNs located in markets where Comcast Cable has little or no presence. REGIONAL SPORTS N E T W O R K S (RSNs) Complete Overlap: Complete overlap between 21CF RSNs and ESPN would give Disney unprecedented control over sports rights on national and regional basis. Not Starting from Square One: Comcast's HSR was filed the day it made its offer for the 21CF businesses. We do not believe that there would be any meaningful difference in the timing of antitrust review between a Comcast or Disney acquisition of 21CF. Disney, 21CF, and Comcast have already submitted substantial documents and data to the DOJ in connection with the review of the Disney/21CF transaction. This information largely overlaps with the information that the DOJ would need to review a Comcast/21CF transaction. DOJ R E V I E W Commenced: Announced 21CF acquisition in December 2017 and is currently under DOJ review. We believe Disney's HSR filing was in February and they received a second request in March. Divestitures: Will share in tax burden for any required divestitures. ALLOCATION OF REGULATORY RISK Divestitures: Will share in tax burden for any required divestitures.
