**SPECIAL NOTE REGARDING THE REGISTRANT**

In connection with our initial public offering of our Class A common stock in February 2007, we effected a reorganization of our business, which had previously been conducted through HFF Holdings LLC ( HFF Holdings ) and certain of its wholly owned subsidiaries, including Holliday Fenoglio Fowler, L.P. and HFF Securities L.P. (together, the Operating Partnerships ) and Holliday GP Corp. ( Holliday GP ). In the reorganization, HFF, Inc., a newly-formed Delaware corporation, purchased from HFF Holdings all of the shares of Holliday GP, which is the sole general partner of each of the Operating Partnerships, and approximately 45% of the partnership units in each of the Operating Partnerships (including partnership units in the Operating Partnerships held by Holliday GP) in exchange for the net proceeds from the initial public offering and one share of Class B common stock of HFF, Inc. Following this reorganization and as of the closing of the initial public offering on February 5, 2007, HFF, Inc. is a holding company holding partnership units in the Operating Partnerships and all of the outstanding shares of Holliday GP. HFF Holdings and HFF, Inc., through their wholly-owned subsidiaries, are the only limited partners of the Operating Partnerships. We refer to these transactions collectively in this Proxy Statement as the Reorganization Transactions. Unless we state otherwise, the information in this Proxy Statement gives effect to these Reorganization Transactions.

Unless the context otherwise requires, references to (1) HFF Holdings refer solely to HFF Holdings LLC, a Delaware limited liability company that was previously the holding company for our consolidated subsidiaries, and not to any of its subsidiaries, (2) HFF LP refer to Holliday Fenoglio Fowler, L.P., a Texas limited partnership, (3) HFF Securities refer to HFF Securities L.P., a Delaware limited partnership and registered broker-dealer, (4) Holliday GP refer to Holliday GP Corp., a Delaware corporation and the general partner of HFF LP and HFF Securities, (5) HoldCo LLC refer to HFF Partnership Holdings LLC, a Delaware limited liability company and a wholly-owned subsidiary of HFF, Inc. and (6) Holdings Sub refer to HFF LP Acquisition LLC, a Delaware limited liability company and wholly-owned subsidiary of HFF Holdings. Our business operations are conducted by HFF LP and HFF Securities, which are sometimes referred to in this Proxy Statement as the Operating Partnerships. Also, except where specifically noted, references in this Proxy Statement to the Company, we or us mean HFF, Inc., a Delaware corporation, and its consolidated subsidiaries after giving effect to the Reorganization Transactions.

**VOTING PROCEDURES**

**Your vote is very important.** Your shares can only be voted at the Annual Meeting if you are present or represented by proxy. Whether or not you plan to attend the Annual Meeting, you are encouraged to vote by proxy to assure that your shares will be represented. Stockholders may vote by means of completing a proxy card and mailing it in the postage-paid envelope provided. Please refer to your proxy card or the information forwarded by your bank, broker or other holder of record.

You may revoke your proxy at any time before it is voted at the Annual Meeting by (a) giving written notice to the Secretary of the Company, (b) submitting a proxy bearing a later date or (c) casting a ballot at the Annual Meeting. Properly executed proxies that are received before the Annual Meeting's adjournment will be voted in accordance with the directions provided. If no directions are given, your shares will be voted by one of the individuals named on your proxy card as recommended by the Board of Directors.

**Who can vote?** Stockholders of record as of the close of business on April 16, 2010 are entitled to vote. On that day, 18,956,054 shares of Class A common stock and one share of Class B common stock were outstanding and eligible to vote. Each share of our Class A common stock will entitle its holder to one vote on all matters to be voted on by stockholders at the Annual Meeting. Class B common stock entitles its holder, HFF Holdings, to a number of votes that is equal to the total number of shares of Class A common stock for which the partnership units that HFF Holdings holds in the Operating Partnerships as of April 16, 2010 are exchangeable. A list of stockholders eligible to vote will be available at the headquarters of HFF, Inc. located at One Oxford Centre, 301 Grant Street, Suite 600, Pittsburgh, Pennsylvania 15219, beginning May 17, 2010. Stockholders may examine this list during normal business hours for any purpose relating to the Annual Meeting.

**How does the Board of Directors recommend I vote?** The Board of Directors recommends a vote **FOR** each Board of Directors nominee (Item 1), and **FOR** the ratification of the Board of Directors' appointment of Ernst & Young LLP as the independent, registered certified public accountants of the Company for the upcoming year (Item 2).

**What shares are included in the proxy card?** The proxy card represents all the shares of common stock registered to your account.

**How do I vote by proxy?** Stockholders may vote by proxy by returning the proxy card through the mail. To vote, sign and date each proxy card you receive, mark the boxes indicating how you wish to vote and return the proxy card in the postage-paid envelope provided.

**How are votes counted?** The Annual Meeting will be held if a quorum, consisting of a majority of the outstanding shares of common stock entitled to vote, is represented. Broker non-votes, votes withheld and abstentions will be counted for purposes of determining whether a quorum has been reached. When nominees, such as banks and brokers, holding shares on behalf of beneficial owners do not receive voting instructions from the beneficial owners by the tenth day before the Annual Meeting, the nominees may vote those shares only on matters deemed routine by the New York Stock Exchange, such as the ratification of the appointment of independent, registered certified public accountants. On non-routine matters, such as the election of directors, nominees cannot vote and there is a so-called "broker non-vote" on that matter. Abstentions are counted in tabulations of the votes cast by stockholders on the proposals and will have the effect of a negative vote.

Director elections are determined by a plurality of the votes cast. Ratification of the appointment of our independent, registered public accounting firm requires the affirmative vote of a majority of eligible shares present at the Annual

Meeting, in person or by proxy, and voting thereon.

**Who will count the vote?** The Company's transfer agent, American Stock Transfer & Trust Company, will tally the vote, which will be certified by an Inspector of Elections.

**Who is soliciting this proxy?** Solicitation of proxies is made on behalf of the Board of Directors. The Company will pay the cost of preparing, assembling and mailing the notice of Annual Meeting, this Proxy Statement and the accompanying proxy card. In addition to the use of mail, proxies may be solicited by directors, officers and regular employees of the Company, without additional compensation. Proxies may be solicited by mail, in person or by telephone or other electronic means. The Company will reimburse brokerage houses and other nominees for their expenses in forwarding proxy materials to beneficial owners of the Company's Class A common stock.

**Table of Contents**

**CORPORATE GOVERNANCE**

In accordance with Delaware General Corporation Law and the Company's Amended and Restated Certificate of Incorporation and Amended and Restated Bylaws, the Company's business, property and affairs are managed under the direction of the Board of Directors. Although directors are not involved in the day-to-day operating details, they are kept informed of the Company's business through written reports and documents provided to them regularly, as well as by operating, financial and other reports presented by the officers of the Company at meetings of the Board of Directors and committees of the Board of Directors.

**Meetings of the Board of Directors and its Committees.** The Board of Directors had eight meetings during 2009. The incumbent directors in the aggregate attended at least 75% of the Board of Directors and assigned committee meetings, with the exception of Mr. Gibson who attended 50% of the meetings of the Board of Directors during the time he served as director in 2009.

**Attendance at the Annual Meeting.** The Company strongly encourages each of its directors to attend its Annual Meeting of Stockholders. In 2009, five of the Company's seven directors attended the Annual Meeting of Stockholders.

**Director Independence.** The Board of Directors has determined that the following directors are independent under the independence standards promulgated by the New York Stock Exchange (NYSE): John Z. Kukral, Deborah H. McAneny, Susan P. McGalla, George L. Miles, Jr., Lenore M. Sullivan and Steven E. Wheeler. As discussed further under the heading Election of Directors, Mr. Kukral will not be standing for re-election at the Annual Meeting. In addition, McHenry T. Tichenor, Jr., who stepped down from the Board effective as of the 2009 Annual Meeting, had been determined by the Board to be independent under the NYSE independence standards. In making its determinations regarding director and director nominee independence, the Board of Directors considered, among other things:

any material relationships with the Company, its subsidiaries or its management, aside from such director's or director nominee's service as a director;

transactions between the Company, on the one hand, and the directors and director nominees and their respective affiliates, on the other hand;

transactions outside the ordinary course of business between the Company and companies at which some of its directors are or have been executive officers or significant stakeholders, and the amount of any such transactions with these companies; and

relationships among the directors and director nominees with respect to common involvement with for-profit and non-profit organizations.

The independent directors of the Company meet periodically at regularly scheduled executive sessions without the non-independent directors. Mr. Kukral currently serves as the presiding director at such meetings. Ms. McAneny has been elected to serve as the presiding director of such meetings after May 27, 2010.

**Board Leadership.** John H. Pelusi, the Company's Chief Executive Officer, John P. Fowler, Mark D. Gibson and Joe B. Thornton, Jr., each of whom are also transaction professionals of the Operating Partnerships, serve as Vice Chairmen of the Board of Directors. Mr. Kukral currently serves, and after the Annual Meeting Ms. McAneny has been elected to serve, as lead independent director. The role of lead independent director is to serve in a lead capacity

to coordinate the activities of the other non-employee directors and to perform such other duties and responsibilities as the Board of Directors may determine.

The Board of Directors has carefully considered its leadership structure and believes at this time that the Company and its stockholders are best served by having Mr. Pelusi and the other employee directors serve as Vice Chairmen of the Board of Directors because of the leadership and direction this structure gives the Board of Directors and both the Company's and the Operating Partnerships' management. Because Messrs. Pelusi, Gibson, Thornton and Fowler are heavily involved in the day-to-day operations of the Company and the Operating Partnerships, the Board of Directors believes that this structure promotes a more clear focus for the execution of the Company's and the Operating Partnerships' strategic initiatives and business plans. Moreover, the Board of Directors believes that its other structural features, including a majority of independent directors, regular meetings of the non-management directors in executive session, key committees consisting wholly of independent directors and a lead independent director, provide substantial independent oversight of the Company's and the Operating Partnerships' management. However, the Board of Directors recognizes that depending on future

**Table of Contents**

circumstances, other leadership models may become more appropriate. Accordingly, the Board of Directors will continue to periodically review its leadership structure.

**Committees of the Board of Directors.** The Board of Directors has established three standing committees.

*Audit Committee* In 2009, the Audit Committee had six meetings. The Audit Committee is responsible for, among other things, directly appointing, retaining, evaluating, compensating and terminating our independent, registered public accounting firm; discussing with our independent, registered public accounting firm their independence from management; reviewing with our independent, registered public accounting firm the scope and results of their audit; pre-approving all audit and permissible non-audit services to be performed by the independent, registered public accounting firm; overseeing the financial reporting process and discussing with management and our independent, registered public accounting firm the interim and annual financial statements that we file with the Securities and Exchange Commission; and reviewing and monitoring our accounting principles, policies and financial and accounting controls. The Board of Directors of the Company has adopted a written charter for the Audit Committee, which is publicly available at [www.hfflp.com](http://www.hfflp.com) on the Investor Relations page. The members of the Audit Committee are currently George L. Miles, Jr. (chairperson), Deborah H. McAneny and Susan P. McGalla. The Board of Directors has determined that each of the members of the Audit Committee is independent under the listing standards promulgated by the NYSE and as that term is used in Section 10A(m)(3) of the Securities Exchange Act of 1934, as amended (the Exchange Act). The Board of Directors has determined that Mr. Miles qualifies as an Audit Committee financial expert as that term is defined by applicable securities laws and Securities and Exchange Commission regulations, and has designated him as the Audit Committee's financial expert.

*Compensation Committee* There were seven meetings of the Compensation Committee in 2009. The Compensation Committee is responsible for, among other things, reviewing and recommending director compensation policies to the Board of Directors; making recommendations, at least annually, to the Board of Directors regarding our policies relating to the amounts and terms of all compensation of our executive officers; and administering and discharging the authority of the Board of Directors with respect to our equity plans. For further information regarding the Compensation Committee's processes and procedures for the consideration of executive compensation, refer to the discussion under the heading Compensation Discussion and Analysis in this Proxy Statement. A copy of the Compensation Committee's written charter is publicly available at [www.hfflp.com](http://www.hfflp.com) on the Investor Relations page. The members of the Compensation Committee are currently Lenore M. Sullivan (chairperson), John Z. Kukral, George L. Miles, Jr. and Steven E. Wheeler. As discussed, Mr. Kukral will not be standing for re-election to the Board of Directors at the Annual Meeting. The Board of Directors has determined that each of the members of the Compensation Committee is independent under the listing standards of the NYSE, and each member is an outside director within the meaning of the Treasury Regulations promulgated under Section 162(m) of the Internal Revenue Code of 1986, as amended.

*Nominating and Corporate Governance Committee* In 2009, the Nominating and Corporate Governance Committee met seven times. The Nominating and Corporate Governance Committee is responsible for, among other things, selecting potential candidates to be nominated for election to the Board of Directors; recommending potential candidates for election to the Board of Directors; reviewing corporate governance matters; and making recommendations to the Board of Directors concerning the structure and membership of other Board of Directors committees. While the Nominating and Corporate Governance Committee does not have a formal policy with regard to the consideration of diversity in identifying director nominees, the Nominating and Corporate Governance Committee and the Board of Directors believe it is essential that the Board of Directors is able to draw on a wide variety of backgrounds and professional experiences among its members. The Nominating and Corporate Governance Committee desires to maintain the Board of Directors' diversity through the consideration of factors such as gender, education, skills and relevant professional and industry experience. The Nominating and Corporate Governance Committee does not intend to nominate representational directors but instead considers each candidate's credentials in

the context of these standards and the characteristics of the Board of Directors in its entirety. A copy of the Nominating and Corporate Governance Committee's written charter is publicly available at [www.hfflp.com](http://www.hfflp.com) on the Investor Relations page. The members of the Nominating and Corporate Governance Committee are currently Deborah H. McAneny (chairperson), Susan P. McGalla, Lenore M. Sullivan, Steven E. Wheeler and John Z.

Kukral. As discussed, Mr. Kukral will not be standing for re-election to the Board of Directors at the Annual Meeting. The Board of Directors has determined that each of the members of the Nominating and Corporate Governance Committee is independent under the listing standards of the NYSE.

**Stockholder Communications.** Stockholders and other parties interested in communicating directly with any of the individuals who are directors of the Company or the Board of Directors as a group may do so by writing to Investor Relations, HFF, Inc., One Oxford Centre, 301 Grant Street, Suite 600, Pittsburgh, Pennsylvania 15219. The Company's policy is to deliver such communications directly to the Board of Directors.

**Code of Conduct and Ethics and Corporate Governance Guidelines.** The Board of Directors is committed to ethical business practices and has adopted a Code of Conduct and Ethics. This Code applies to all of the Company's employees and directors and includes the code of ethics for the Company's principal executive officer, principal financial officer, principal accounting officer or controller within the meaning of the Securities and Exchange Commission regulations adopted under the Sarbanes-Oxley Act of 2002, as amended. The Company's Code of Conduct and Ethics, as well as the Company's Corporate Governance Guidelines, is posted on the Company's website at <http://www.hfflp.com> on the Investor Relations page.

**Risk Oversight.** The Company faces a number of risks, including market risks, credit risk, liquidity risk, reputational risk, operational risk and risks from adverse fluctuations in interest rates and inflation and/or deflation. Management is responsible for the day-to-day management of risks faced by the Company, while the Board of Directors, as a whole and through its committees, has responsibility for the oversight of risk management. In its risk oversight role, the Board of Directors seeks to ensure that the risk management processes designed and implemented by management are adequate. The Board of Directors periodically consults with management regarding the Company's risks. In addition, the Audit Committee periodically reviews with management, internal audit and independent auditors the adequacy and effectiveness of the Company's policies for assessing and managing risk.

**Director Compensation.** Our policy is not to pay director compensation to directors who are also our employees. Each outside director is paid a base annual retainer of \$50,000. Outside directors also receive an annual grant of restricted stock units based on the Company's Class A common stock with a market value of \$40,000 on the grant date, vesting immediately and distributable over three years (or such longer term as elected by such director). Each newly-elected outside director receives an initial election grant of options to purchase shares of our Class A common stock with a Black-Scholes (or similar valuation method) value of \$30,000, which will vest annually over three years. Re-elected outside directors receive grants of options to purchase Class A common stock identical to those granted to newly-elected directors.

The chair of the Audit Committee receives an additional annual retainer of \$10,000 and the chair of each of the Compensation Committee and Nominating and Corporate Governance Committee receives an additional annual retainer of \$5,000.

We reimburse all non-employee directors for reasonable expenses incurred to attend meetings of our Board of Directors or committees. Other than as described above, we do not expect to provide any of our directors with any other compensation or perquisites.

In addition to the payments described above, we allow voluntary deferral by our directors of up to 100% of the cash retainer, committee fees and equity awards to a future date elected by the director. The deferred retainer and fees are deemed invested in an investment fund based upon our Class A common stock or another investment vehicle such as an interest-bearing cash account.

**Certain Relationships and Related Transactions.** We have a policy that the Board of Directors or a committee designated by the Board of Directors review any transaction in which the Company and its directors, executive officers or their immediate family members are participants to determine whether a related party has a direct or indirect material interest in the transaction. Upon determining that a related party has a direct or indirect material interest in the transaction, the Board of Directors, or a committee designated by the Board of Directors, then must approve or ratify any such related party transaction. In determining whether to approve or ratify a related party transaction, the Board of Directors, or a committee designated by the Board of Directors, will take into account whether the transaction is on terms no less favorable to the Company than terms generally available to an unaffiliated third party under the same or similar circumstances and the extent of the related party's interest in the transaction, as well as any other factors the Board of Directors, or a committee designated

**Table of Contents**

by the Board of Directors, deems appropriate. During 2009, there were no related party transactions that were required to be approved by the Board of Directors. This policy has been stated orally and is complimented by the written conflict of interest policy in our Code of Conduct and Ethics.

**Compensation Committee Interlocks and Insider Participation.** During 2009, no member of the Compensation Committee was an officer or employee of the Company, or any of its subsidiaries, or was formerly an officer of the Company or any of its subsidiaries. No member of the Compensation Committee had any relationship requiring disclosure by the Company under any paragraph of Item 404 of Regulation S-K. Furthermore, no member of the Compensation Committee had a relationship that requires disclosure under Item 407(e)(4) of Regulation S-K.

**Submission of Director Nominations.** The Nominating and Corporate Governance Committee will consider director nominees submitted by stockholders to the Board of Directors in accordance with the procedures set forth in the Company's Amended and Restated Bylaws. Those procedures require a stockholder to deliver notice to the Company's Secretary or Assistant Secretary at the principal executive offices of the Company not less than 90 nor more than 120 days prior to the first anniversary of the preceding year's annual meeting of stockholders, except that in the case where the size of the Board of Directors is increased without public announcement at least 80 days prior to the first anniversary of the preceding year's annual meeting, such notice shall be considered timely if made no later than the close of business on the tenth day following the public announcement of such by the Company (provided that if no public announcement is made at least 10 days before the meeting, such notice is not required). Such notice must be in writing and must include (i) the name and address of the nominating stockholder, as they appear on the Company's books, (ii) the class and number of shares of the Company's stock which are owned beneficially and of record by the nominating stockholder, (iii) certain representations, (iv) the nominee's written consent to being named in the proxy statement as a nominee and to serving as a director if elected, and (iv) any information regarding the nominee that is required under Regulation 14A of the Exchange Act to be included in a proxy statement relating to the election of directors. Finally, if the stockholder (or a qualified representative of the stockholder) does not appear at the meeting at which the voting takes place with respect to such stockholder's nomination, such nomination shall be disregarded, notwithstanding that proxies in respect of such vote may have been received by the Company. Candidates for the Board of Directors are evaluated through a process that may include background and reference checks, personal interviews with members of the Nominating and Corporate Governance Committee and a review of the candidate's qualifications and other relevant characteristics. Candidates recommended by the stockholders of the Company are evaluated on the same basis as other candidates (other than directors standing for re-election) recommended by the Company's directors, officers, third party search firms or other sources. However, through its own resources, the Nominating and Corporate Governance Committee expects to be able to identify an ample number of qualified candidates.

Table of Contents

**ELECTION OF DIRECTORS  
ITEM 1 ON PROXY CARD**

The Company's directors are divided into three classes. The members of each class serve for a staggered, three-year term. Upon the expiration of the term of a class of directors, directors in that class will be elected for three-year terms at the annual meeting of stockholders in the year in which their term expires. Any additional directorships resulting from an increase in the number of directors will be distributed among the three classes so that, as nearly as possible, each class will consist of one-third of our directors. The Company's Amended and Restated Certificate of Incorporation and Amended and Restated Bylaws allow the Board of Directors to set the number of directors on the Board of Directors. The Board of Directors currently consists of ten directors.

John Z. Kukral has notified the Board of Directors that he does not wish to stand for re-election as a Class I director due to other business commitments. After careful consideration of the matter, at the present time the Board of Directors has elected to set the number of directors at nine, effective as of the Annual Meeting, in lieu of nominating and electing a new independent director to serve as a Class I director. Under Delaware law and the Company's Amended and Restated Bylaws, the Company may increase the number of directors during the year and appoint additional directors to fill the vacancies so created if it chooses to do so.

The term of office of one class of directors expires each year in rotation so that one class is elected at each annual meeting of stockholders for a three-year term. The term of the Class I directors will expire at the Annual Meeting. The other directors will remain in office for the remainder of their respective terms, as indicated below.

Director candidates are nominated by the Board of Directors upon the recommendation of the Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee has recommended the three nominees below, each of whom is currently a director of the Company. Stockholders are also entitled to nominate director candidates for the Board of Directors in accordance with the procedures set forth on page 6 under the heading "Corporate Governance - Submission of Director Nominations" in this Proxy Statement.

Director elections are determined by a plurality of votes cast. The persons named on the accompanying form of proxy will vote the shares **FOR** the nominees, unless you instruct otherwise. Each nominee has consented to stand for election and the Board of Directors does not anticipate that any nominee will be unavailable to serve. In the event that one or more of the nominees should become unavailable to serve at the time of the Annual Meeting, the shares represented by proxy will be voted for the remaining nominees and any substitute nominee(s) designated by the Board of Directors.

The Board of Directors believes that each of the directors and nominees for director listed below has the sound character, integrity, judgment and record of achievement necessary to be a member of the Board of Directors. In addition, each of the directors and nominees for director has exhibited during his prior service as a director the ability to operate cohesively with the other members of the Board of Directors and to challenge and question management in a constructive way. Moreover, the Board of Directors believes that each director and nominee for director brings a strong and unique background and skill set to the Board of Directors, giving the Board of Directors as a whole competence and experience in diverse areas, including corporate governance and board service, finance, management and commercial real estate industry experience.

Set forth below is information regarding each nominee for Class I director, as well as each Class II and Class III director, each of whose term will continue after the Annual Meeting, including their ages, years of service as directors, business experience and service on other boards of directors during at least the last five years, as well as certain

specific experiences, qualifications and skills that led to the Board of Directors' conclusion that each of the directors and nominees for director listed below should continue to serve as a director.

**NOMINEES FOR CLASS I DIRECTORS**

Ratification requires the affirmative vote of a majority of eligible shares present at the Annual Meeting, in person or by proxy, and voting thereon. ## **Table of Contents**

Although the submission to stockholders of the appointment of Ernst & Young LLP is not required by law or the Company's amended and restated bylaws, the Audit Committee believes it is appropriate to submit this matter to stockholders to allow a forum for stockholders to express their views with regard to the Audit Committee's selection. In the event the stockholders fail to ratify the appointment, the Board of Directors will reconsider its selection. Even if the selection is ratified, the Board of Directors, in its discretion, may direct the appointment of a different independent accounting firm at any time during the year if the Board of Directors determines that such a change would be in the best interests of the Company and its stockholders.

One or more representatives of Ernst & Young LLP are expected to be at the Annual Meeting. They will have an opportunity to make a statement and will be available to respond to appropriate questions.

**The Board of Directors recommends that the stockholders vote FOR the ratification of the selection of Ernst & Young LLP to serve as the Company's independent, registered certified public accountants for the 2010 fiscal year.**

In addition, pursuant to the Company's amended and restated bylaws, if the stockholder (or a qualified representative of the stockholder) does not appear at the meeting at which the voting takes place with respect to such stockholder's proposal, such proposal shall be disregarded, notwithstanding that proxies in respect of such vote may have been received by the Company.

For any proposal that is not submitted for inclusion in next year's proxy statement (as described above) but is instead sought to be presented directly at next year's annual meeting, Securities and Exchange Commission rules permit management to vote proxies in its discretion if (a) the Company receives notice of the proposal before the close of business 45 days before the first anniversary of the mailing date of this Proxy Statement and advises stockholders in next year's proxy statement about the nature of the matter and how management intends to vote on such matter, or (b) the Company does not receive notice of the proposal prior to the close of business 45 days before the first anniversary of the mailing date of this Proxy Statement. ## **AUDIT COMMITTEE REPORT**

*The information contained in this report shall not be deemed to be soliciting material or filed or incorporated by reference in future filings with the Securities and Exchange Commission, or subject to the liabilities of Section 18 of the Exchange Act, except to the extent that we specifically incorporate it by reference into a document filed under the Securities Act of 1933, as amended, or the Exchange Act.*

The Audit Committee appoints the independent accounting firm to be retained to audit the Company's financial statements, and once retained, the independent accounting firm reports directly to the Audit Committee. The Audit Committee consults with and reviews recommendations made by the accounting firm with respect to financial

statements, financial records and financial controls of the Company and makes recommendations to the Board of Directors as it deems appropriate from time to time. The Audit Committee is responsible for pre-approving both audit and non-audit engagements with the independent accountants. The Board of Directors has adopted a written charter setting forth the functions the Audit Committee is to perform, and this report is made pursuant to that charter.

**Table of Contents**

The Audit Committee oversees the Company's financial reporting process on behalf of the Board of Directors of HFF, Inc. Management is responsible for the Company's financial reporting process, including its system of internal controls, and for the preparation of consolidated financial statements in accordance with generally accepted accounting principles. The Company's independent accountants are responsible for auditing those financial statements and expressing an opinion on the conformity of those financial statements with accounting principles generally accepted in the United States of America. The Committee's responsibility is to monitor and review these processes. It is not the Audit Committee's duty or responsibility to conduct auditing or accounting reviews.

The Audit Committee and the Chairman of the Audit Committee have met with management during fiscal year 2009 to consider the adequacy of the Company's internal controls, and discussed these matters and the overall scope and plans for the audit of the Company with the Company's independent, registered certified public accountants during that time period, Ernst & Young LLP. The Audit Committee also discussed with senior management and Ernst & Young LLP the Company's disclosure controls and procedures.

In fulfilling its oversight responsibilities, the Audit Committee reviewed the audited financial statements in the Annual Report on Form 10-K for the year ended December 31, 2009 with management, including a review of the quality, in addition to the acceptability, of the accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the financial statements.

The Audit Committee reviewed with Ernst & Young LLP, who are responsible for expressing an opinion on the conformity of those financial statements with accounting principles generally accepted in the United States, their judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the Audit Committee under auditing standards generally accepted in the United States, including the matters required to be discussed by statement on Auditing Standards No. 61, as amended (AICPA, Professional Standards, Vol. 1 AU Section 380), as adopted by the Public Company Accounting Oversight Board in Rule 3200T. The Audit Committee has received the written disclosures and the letter from Ernst & Young LLP required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the Audit Committee concerning independence. In addition, the Audit Committee reviewed and has discussed with Ernst & Young LLP their independence, including the compatibility of non-audit services performed with the accountant's independence.

The Audit Committee discussed with the Company's independent accountants the overall scope and plans for their audit. The Audit Committee has met with the independent accountants, with and without management present, to discuss the results of their examination, their evaluation of the Company's internal controls, and the overall quality of the Company's financial reporting.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors (and the Board of Directors approved) that the audited financial statements be included in the Annual Report on Form 10-K for the year ended December 31, 2009 for filing with the Securities and Exchange Commission.

The Audit Committee has appointed the firm of Ernst & Young LLP, independent, registered certified public accountants, as independent accountants to audit and report upon the Company's financial statements for the fiscal year ending December 31, 2010. The Company is requesting stockholder ratification of the appointment of Ernst & Young LLP. In appointing Ernst & Young LLP as the Company's auditors for fiscal year 2010, the Audit Committee has considered whether Ernst & Young LLP's provision of services other than audit services is compatible with maintaining their independence.

**COMPENSATION DISCUSSION AND ANALYSIS**

This Compensation Discussion and Analysis ( CD&A ) provides an overview of the Company's executive compensation programs for the Chief Executive Officer (CEO), Chief Operating Officer (COO) and Chief Financial Officer (CFO) (collectively, the named executive officers (NEOs)) together with a description of the material factors underlying the decisions which resulted in the 2009 compensation provided to the Company's NEOs as presented in the tables which follow this CD&A. The following discussion and analysis contains statements regarding future individual and Company performance targets and goals. These targets and goals are disclosed in the limited context of the Company's compensation programs and should not be understood to be statements of management's expectations or estimates of financial results or other guidance. The Company specifically cautions investors not to apply these statements to other contexts.

***Compensation Committee***

The Compensation Committee (the Committee ) of the Board of Directors is currently composed of four, and will, immediately after the Annual Meeting, be composed of three, non-employee directors, all of whom are independent directors under the listing standards of the New York Stock Exchange and the Securities and Exchange Commission rules. The Committee has responsibility for determining and implementing the Company's philosophy with respect to executive compensation. Accordingly, the Committee has overall responsibility for approving and evaluating the various components of the Company's executive compensation program. The Committee meets at least twice per year (and more often as necessary) to discuss and review the compensation of the NEOs. The Committee annually reviews and approves the compensation of the CEO. The Committee also reviews and approves the compensation of the other NEOs after considering the recommendations of the CEO. In establishing and reviewing compensation for the NEOs, the Committee considers, among other things, the financial results of the Company, recommendations of management and compensation data for comparable companies. In 2009, the Committee engaged Frederic W. Cook & Co., an independent compensation consultant, to review executive compensation and make recommendations for the 2010 compensation of the CEO. Frederic W. Cook & Co. did not make recommendations for 2009 compensation.

The Committee operates under a written charter adopted by the Board of Directors of the Company on January 30, 2007. A copy of this charter is posted on the Company's website at <http://www.hfflp.com> on the Investor Relations page.

The Committee was formed and became operational at the time of our initial public offering. Prior to that time, compensation matters were generally handled by the operating committee of HFF Holdings and, if related to the compensation of members, then voted on by the members of HFF Holdings.

***Compensation Philosophy Mission and Vision Statement***

In connection with setting the compensation for executive officers, the Company has adopted the philosophy set forth in the Mission and Vision Statement (see below) of the Operating Partnerships. The Mission and Vision Statement reflects our pay for value-added performance philosophy. We believe this Mission and Vision Statement is critical to our continued success. The Mission and Vision Statement relies upon the concept that a client's interest must be placed ahead of ours or any individual working for us. Our goal is to hire and retain associates throughout the entire organization who have the highest ethical standards with the best reputation in the industry to preserve our culture of integrity, trust and respect. We endeavor to promote and encourage teamwork to ensure our clients have the best team on each transaction. Without the best people, we believe we cannot be the best firm and achieve superior results for our clients.

To enable us to achieve our goals, we believe that we must maintain a flexible compensation structure, including equity-based compensation awards, to appropriately recognize and reward our existing and future associates who profoundly affect our future success. We believe the ability to reward superior performance is essential if we want to provide superior results for our clients.

## **Table of Contents**

The Committee's goals in structuring the Company's compensation program for its NEOs are to:

provide incentives to achieve Company financial objectives;

provide long-term incentives for the executive officers; and

set compensation levels sufficiently competitive to retain and attract high quality executives and to motivate them to contribute to the Company's success.

The Committee has determined that to achieve these objectives, the Company's executive compensation program should reward both individual and Company short-term and long-term performance. To this end, the Committee believes that executive compensation packages provided by the Company to its executive officers should include both cash- and stock-based compensation. However, the Committee does not rely on any policy or formula in determining the appropriate mix of cash and equity compensation, nor does it rely on any policy or formula in allocating long-term compensation to different forms of awards.

### ***Setting Executive Compensation***

In making compensation decisions, the Committee considers the recommendations of management. The Committee also considers corporate and executive performance, an executive's level of experience and responsibility, an executive's current compensation level and historical compensation practices. In addition, the Committee may look at market data for comparable companies. The Committee does not attempt to maintain a specific percentile with respect to the peer group companies in determining compensation for NEOs. However, the Committee does periodically review information regarding compensation trends and levels from a variety of sources in making compensation decisions.

Prior to the Company's initial public offering, HFF Holdings retained the compensation consulting firm of Mercer Human Resource Consulting to evaluate its compensation practices and to assist in developing and implementing the executive compensation program and philosophy with respect to the COO and CFO. The CEO's compensation was not reviewed by Mercer due to the fact the Company had not yet established an independent Board of Directors or Compensation Committee prior to our initial public offering to review the CEO's compensation. The CEO, John H. Pelusi, Jr., did not want his compensation determined without the approval of an independent Board of Directors or Compensation Committee. In connection with its review of compensation for the COO and CFO as well as for outside directors, Mercer developed a competitive peer group comprised of 24 companies comparable in size to us which consummated an initial public offering in the past three years (2004 - 2006). Mercer performed analyses of competitive performance and compensation levels. It also met with senior management to learn about our business operations and strategy as a public company, key performance metrics and target goals, and the labor and capital markets in which we compete. The Board of Directors and the Compensation Committee did not review or consider these or any other peer companies in connection with setting compensation in 2009. The Compensation Committee did consider the compensation of two of the Company's competitors (Jones Lang LaSalle Incorporated and CB Richard Ellis Group, Inc.) in 2009, although it did not use benchmarking to set its CEO's compensation and retained full discretion in setting the compensation of the Company's CEO. From time to time, our Board of Directors and/or Compensation Committee also evaluates the performance of our senior executives based on quantitative and qualitative performance criteria.

### ***2009 Executive Compensation Components***

The Company's executive compensation program is composed of three principal components:

base salary;

cash bonuses; and

long-term incentives, consisting of equity awards.

In making decisions with respect to any element of a NEO's compensation, the Committee considers the total current compensation that such NEO may be awarded and any previously granted unvested equity awards. The Committee's goal is to award compensation that is reasonable in relation to the Company's compensation philosophy and objectives when all elements of potential compensation are considered.

**Table of Contents**

***Base Salaries***

*In General.* The Company provides NEOs with base salaries to compensate them for services rendered during the fiscal year. In determining base salaries, the Committee reviews base salaries paid at comparable companies and considers other factors, including:

historical information regarding compensation previously paid to NEOs;

the individual's experience and level of responsibility; and

the performance of the Company and the executive.

Generally, we believe that base salaries should be set at the low end to midrange of competitive levels, while providing somewhat higher bonuses based on the performance of the Company and the individual. Base salaries are reviewed annually; however, a decrease in base salary may be prohibited by an executive officer's employment agreement.

***Compensation for Executive Officers During 2009***

In April 2009, in connection with other cost savings initiatives adopted in light of continued negative trends in the markets in which the Company operates, Mr. Pelusi voluntarily agreed to reduce his base salary to \$300,000, which represented a \$150,000 reduction from his prior base salary of \$450,000, which itself had been previously voluntarily reduced \$150,000 from his original 2009 base salary of \$600,000. Such reduced base salary was effective as of April 1, 2009.

Mr. Pelusi is also employed as a transaction professional of HFF LP, one of the two partnerships through which we conduct our business. He is primarily paid for his service as a transaction professional. As is the case with all transaction professionals, his payment as a transaction professional is based upon commissions he earns for the capital markets revenue that through his efforts he brings into HFF LP. This is consistent with HFF LP's pay for performance policy, as the compensation earned by Mr. Pelusi as a transaction professional is directly related to the amount of revenue he generates for HFF LP. In addition, in order to attract and retain top producers, such as Mr. Pelusi, it is critical that they share in the revenue and certain other income that they generate for the Operating Partnerships.

Prior to April 1, 2009, Mr. Pelusi, like other transaction professionals who satisfied certain performance thresholds, was entitled to receive commission payments equal to 50% of the adjusted collected fee amount that he generated for HFF LP. Under this policy, the adjusted collected fee amount was determined based upon the gross revenue actually received by HFF LP attributable to the efforts of Mr. Pelusi and after payment of all customary and appropriate fee splits with outside cooperating brokers or others. The adjusted collected fee amount was also reduced by related producer expenses, including all applicable management plan payments, bonus pool payments to analysts, splits with other producers and employees, and other similar compensation paid or payable to individuals involved in the generation of any commission revenue. Effective April 1, 2009, in response to market and other conditions confronting the Company, Mr. Pelusi, together with other members of HFF Holdings then employed by the operating partnerships, voluntarily chose to be compensated in his capacity as a transaction professional through the Company's waterfall commission plan instead of the Company's prior commission arrangements. Under the waterfall commission plan, transaction professionals receive commissions at varying percentages depending on the amount of allocated fees they have generated. Lower commission rates are paid until certain allocated fees thresholds are met, after which higher commissions are paid. For HFF Holdings members who are also transaction professionals, initial lead fees are also included in the determination of whether certain thresholds have been met (although commissions are not paid on the initial lead fees). This initiative was intended to result in more initial cash flow being retained by the Operating

Partnerships until such time as certain minimum threshold commission levels are achieved. In 2009, Mr. Pelusi achieved the thresholds required to receive commission payments equal to 50% of the adjusted collected fee amount that he generated for HFF LP as described above. Effective December 31, 2009, Mr. Pelusi, together with other members of HFF Holdings then employed by the operating partnerships and who had satisfied the required performance thresholds, returned to the original policy whereby each transaction professional receives commission payments equal to 50% of the adjusted collected fee amount that he or she generates.

## **Table of Contents**

The salary of the CFO, Gregory R. Conley, was \$250,000 in 2009. Among the factors considered in establishing his base salary were his skills and experience, historical base salary and performance as CFO of the Company.

During 2009, the COO, Nancy O. Goodson, was paid a base salary of \$206,000. Among the factors considered in establishing her base salary were her skills and experience, historical base salary and performance as COO of the Company.

### ***Bonuses***

*In General.* Annual cash bonuses are included as part of the executive compensation program because the Committee believes that a significant portion of each NEO's compensation should be contingent on the annual performance of the Company, as well as the individual contribution of the NEO. The Committee believes that this structure is appropriate because it aligns the interests of management and stockholders by rewarding executives for strong annual performance by the Company. Bonuses are awarded on a discretionary basis and are not determined based on any pre-determined performance measures or goals. Bonuses are intended to be on the high end of competitive levels to compensate for lower base salaries.

In addition to our regular bonus program, in connection with his service as a transaction professional with HFF LP, our Chief Executive Officer will also be eligible for an annual bonus through HFF LP's Profit Participation Bonus Plan. HFF, Inc. does not maintain its own profit participation bonus plan.

#### *2009 Performance Bonuses*

In connection with determining the bonus amount for Mr. Pelusi, the Committee consulted with the operating committee of HoldCo LLC. After considering the performance of the Company and Mr. Pelusi and historic compensation practices, and generally the compensation levels of chief executive officers at other companies, the Committee approved a bonus of \$500,000 for Mr. Pelusi, or approximately 148% of his voluntarily-reduced base salary of \$337,500 for the year 2009, which base salary was \$600,000 in 2008. The Committee determined that this bonus amount was appropriate in light of the Company's performance, Mr. Pelusi's contributions to that performance and Mr. Pelusi's voluntarily-reduced salary for 2009.

Mr. Pelusi also is eligible to participate in the HFF LP Profit Participation Bonus Plan. The Profit Participation Bonus Plan is designed to reward an office or line of business for an exceptionally productive year. In addition, the Profit Participation Bonus Plan rewards income generation as well as the ability of an office or line of business to control costs. This element of compensation is integral to HFF LP's compensation practices because it provides an understandable incentive to each of our offices and lines of business and allows us to reward superior performance. The Profit Participation Bonus Plan generally provides that offices or lines of business that generate profit margins for their office or line of business of 14.5% or more are entitled to additional bonuses of an allocated share of 15% of net income from the office. The allocation of the profit participation bonus and how it is shared within the office are determined by the office head in consultation with the managing member of the Operating Partnerships. Mr. Pelusi's profit participation bonus under the HFF LP Profit Participation Bonus Plan in 2009 was a result of the achievement of the Pittsburgh, Pennsylvania office of the Company, at which Mr. Pelusi serves as a transaction professional. In 2009, the Pittsburgh office generated a profit margin of greater than 14.5%. Accordingly, Mr. Pelusi received a profit participation bonus of \$57,693 in 2010 related to 2009 performance.

In connection with determining the bonus amounts for Ms. Goodson and Mr. Conley, the Committee consulted with the CEO and considered the CEO's impression of such officers' performance, as outlined in a written performance review of each of Ms. Goodson and Mr. Conley. The Committee approved bonuses of \$75,000 and \$93,750 for Ms. Goodson and Mr. Conley, respectively, or approximately 36% and 38% of their respective base salaries. In order

to further align Ms. Goodson's and Mr. Conley's interests with those of the Company's stockholders, the Committee decided to pay two-thirds of Ms. Goodson's and Mr. Conley's bonuses in cash and one-third of Ms. Goodson's and Mr. Conley's bonuses in restricted stock units of the Company that were immediately vested at the grant date. The Committee determined that these bonus amounts were appropriate in light of the respective performance of Ms. Goodson and Mr. Conley in their respective areas of responsibility.

## **Table of Contents**

The performance factors considered by the Board of Directors and the Compensation Committee in connection with awarding such discretionary bonuses included (1) the implementation and execution of the Company's business plan, (2) improvements in the Company's operations and efficiency as a result of the steps taken by management to significantly reduce costs and expenses and preserve cash resources in light of the impact of the recent recession and capital markets downturn on the Company's operations, (3) development of certain lines of the Company's capital market services, and (4) individual performance and achievements in a difficult business environment. In connection with awarding the bonuses to the Company's CEO and CFO, the Board of Directors and the Compensation Committee also considered such officers' performance in connection with the preparation of the Company's financial statements and maintaining effective internal controls.

### ***Long-Term Incentive Program***

Our Board of Directors believes that compensation paid to executive officers should be closely aligned with our performance on both a short-term and long-term basis, and that their compensation should assist us in recognizing and rewarding key executives who profoundly affect our future success through their value-added performances. Therefore, we have adopted and maintain an incentive compensation plan, the HFF, Inc. 2006 Omnibus Incentive Compensation Plan. This plan is designed to align management's performance objectives with the interests of our stockholders. Awards under our 2006 Omnibus Incentive Compensation Plan are administered by the Compensation Committee.

All grants of equity compensation to NEOs are made by the Committee. Whether grants are made and the type and size of any grants are based upon Company and individual performance, position held, years of service, level of experience and potential of future contribution to the Company's success. The Committee may also consider long-term incentive grants previously awarded to the NEOs, long-term incentive grants given to other executive officers throughout the Company's history and grant practices at comparable companies.

### ***2009 Equity Grants***

As described above, one-third of Ms. Goodson's and Mr. Conley's 2009 bonuses were paid in restricted stock units of the Company that were immediately vested at the grant date.

### ***Other Equity Grants with Future Vesting***

In connection with the Company's initial public offering, the Committee granted each of Ms. Goodson and Mr. Conley \$300,006 worth of restricted shares of the Company's Class A common stock, based on the closing price of such stock on the grant date. This resulted in the grant of 16,667 restricted shares to each executive, based on an initial public offering price of \$18.00 per common share. These awards were granted to reward these executives for their contributions to the Company's pre-initial public offering performance and, in particular, their superior performance in implementing the Company's initial public offering. In addition, prior to the granting of those awards, none of these executives had significant holdings in the Company.

The restricted shares vest, and the restrictions will cease to apply, in four equal tranches, on the second, third, fourth and fifth anniversaries of the grant date. The first quarter of such restricted shares vested in January 2009 and the second quarter vested in January 2010. The Committee believes that this vesting schedule serves to motivate and retain the recipients, providing continuing benefits to the Company beyond those achieved in the year of grant.

The Company has no formal program, plan or practice to time option grants to its executives in coordination with the release of material non-public information.

***Employment Agreements***

A description of the employment agreements of our current NEOs, Mr. Pelusi at HFF LP, Ms. Goodson and Mr. Conley at HFF, Inc., including a specific description of the components of each such executive officer's compensation, is set forth below.

**Table of Contents**

***Other Compensation and Perquisite Benefits***

In addition to the principal categories of compensation described above, the Company provides its NEOs with coverage under its broad-based health and welfare benefits plans, including medical, dental, vision, disability and life insurance. The Company also sponsors a 401(k) plan. The 401(k) plan is a tax-qualified retirement savings plan pursuant to which all employees, including the NEOs, are able to contribute to the 401(k) plan up to the limit prescribed by the Internal Revenue Code on a before-tax basis. Prior to April 1, 2009, the Company made a matching contribution of 50% of the first 6% of pay contributed by the employee, up to a maximum of \$5,000, to the 401(k) plan. Annual salary subject to the Company match was capped at a maximum amount prescribed by the IRS in the particular year. Effective April 1, 2009, the Company suspended 401(k) matching for all participating employees, including the NEOs.

All contributions made by a participant vest immediately and matching contributions by the Company made prior to April 1, 2009 were fully vested after two years of service. These benefits are not tied to any individual or corporate performance objectives and are intended to be part of an overall competitive compensation program.

The NEOs are not generally entitled to benefits that are not otherwise available to all of our employees. In this regard it should be noted that the Company does not provide pension arrangements (other than the 401(k) Plan), post-retirement health coverage or similar benefits for its executives.

***Tax and Accounting Implications***

***Deductibility of Certain Compensation***

Section 162(m) of the Internal Revenue Code limits the deductions that may be claimed by a public company for compensation paid to certain individuals to \$1,000,000 except to the extent that any excess compensation is performance-based compensation. In 2009, the NEOs' base salary and bonuses were not considered performance-based under Section 162(m) and therefore all such compensation is subject to the \$1,000,000 limit. The CEO's commission payments are exempt from the 162(m) limits and Profit Participation Bonus Plan amounts earned by the CEO, and paid by the Operating Partnerships, are not subject to the Section 162(m) limits. The Committee intends to maintain flexibility to pay compensation that is not entirely deductible when the best interests of the Company make that advisable. In approving the amount and form of compensation for the NEOs, the Committee will continue to consider all elements of cost to the Company of providing such compensation, including the potential impact of Section 162(m).

The Committee considers the accounting impact in connection with equity compensation matters, however, these considerations do not significantly affect decisions on grants of equity compensation.

**Employment Agreements**

***John H. Pelusi, Jr.***

HFF LP has entered into an amended and restated employment agreement with Mr. Pelusi in respect of Mr. Pelusi's capacity as a transaction professional on terms and conditions substantially identical to the employment agreements between HFF LP and the members of HFF Holdings who were employed as transaction professionals at the time of our initial public offering. We believe that the compensation paid by HFF LP to these transaction professionals, including Mr. Pelusi, relates to such transaction professionals' services to HFF LP and not to any executive services to HFF, Inc. Consequently, our Compensation Committee may not take into account the compensation HFF LP pays to those transaction professionals, including Mr. Pelusi, when determining our executive compensation policies, programs or awards for those individuals. This employment agreement provides for salary, bonuses, commission sharing, draws against commissions, bonuses and other income allocations as established from time to time by Holliday GP at the direction of our Board of Directors after consideration of the recommendation and advice of the operating committee and managing member of HoldCo LLC. Mr. Pelusi is provided with the welfare benefits and other fringe benefits to the same extent as those benefits are provided to our other similarly situated employees.

As discussed in Non-Competition, Non-Disclosure, Non-Solicitation and Other Restrictive Covenants below, certain non-competition and non-solicitation obligations of Mr. Pelusi under his employment agreement (as well as similar obligations of other members of HFF Holdings under their respective employment agreements) will terminate on March 29, 2011.

The Company has not entered into an employment agreement with Mr. Pelusi in respect of his service as the Company's Chief Executive Officer.

***Gregory R. Conley and Nancy O. Goodson***

We have employment agreements with each of Gregory R. Conley and Nancy O. Goodson. The terms of these employment agreements were determined in consultation with Mercer Human Resource Consulting and were also reviewed with the independent members of the Board of Directors following our initial public offering. Pursuant to the terms of these respective employment agreements with HFF, Inc., Mr. Conley serves as our Chief Financial Officer and Ms. Goodson serves as our Chief Operating Officer, in each case until such executive's employment is terminated by us or Mr. Conley or Ms. Goodson, as the case may be.

## **Table of Contents**

The compensation package of each of Mr. Conley and Ms. Goodson is comprised of the following elements:

*Base Salary.* Each employment agreement establishes a base salary for the first year of the agreement. The Compensation Committee, in consultation with our chief executive officer, will review an executive officer's base salary annually to ensure that the proper amount of compensation is being paid to such executive officer commensurate with his or her services performed for us. The Compensation Committee may increase, but not decrease, such base salary in its sole discretion.

*Annual Cash Bonus.* Mr. Conley and Ms. Goodson are each eligible to receive an annual cash bonus, in an amount up to 50% of his or her base salary, based upon the applicable executive officer's achievement of certain pre-determined financial or strategic performance goals established by the Company from time to time.

*Long-Term Incentive Compensation.* On the effective date of the employment agreement of Mr. Conley and Ms. Goodson, subject to the terms and conditions of the HFF, Inc. 2006 Omnibus Incentive Compensation Plan and the applicable award agreement with such executive officer under such plan, each executive officer received a grant of restricted Class A common stock with an aggregate fair market value on the date of grant of \$300,006. This restricted stock grant vests in four equal annual installments, and began vesting in January 2009.

*Other Benefits.* Mr. Conley and Ms. Goodson have welfare benefits and other fringe benefits to the same extent as those benefits are provided to our other similarly situated employees.

### ***Non-Competition, Non-Disclosure, Non-Solicitation and Other Restrictive Covenants***

Pursuant to the employment agreements described above, we have entered into non-competition, non-disclosure, non-solicitation and other restrictive covenants with Mr. Pelusi and non-disclosure and other restrictive covenants with Mr. Conley and Ms. Goodson. Mr. Pelusi is also prohibited by the terms of the non-competition covenant from directly or indirectly engaging in any activity that requires or would inevitably require the disclosure of confidential information of us or our affiliates. Pursuant to the employment agreement, Mr. Pelusi also may not, directly or indirectly, knowingly solicit or encourage any of our employees or consultants to leave their employment with us, or hire any such employee or consultant until the earlier of (i) five years after the initial effective date of the employment agreement, and (ii) the second anniversary of the termination date of Mr. Pelusi's employment.

*Non-Disparagement.* Each of Mr. Pelusi, Mr. Conley and Ms. Goodson may not, except as legally compelled, make any statement to third parties that would have a material adverse impact on the business or business reputation of, as the case may be, Mr. Pelusi, Mr. Conley and Ms. Goodson or any of us or our affiliates.

*Specific Performance.* In the case of any breach of the employment agreement, including the non-competition, non-disclosure, non-solicitation and other restrictive covenants thereof, Mr. Pelusi, Mr. Conley, Ms. Goodson will each agree that, in addition to any other right we may have at law, equity or under any agreement, we will be entitled to immediate injunctive relief and may obtain a temporary or permanent injunction or other restraining order.

If the employment of Mr. Conley or Ms. Goodson, as the case may be, is terminated for any reason other than by us without cause or by such executive for good reason (including by us with cause, by such executive without good reason, or due to death or disability), such executive will only be entitled to all earned, unpaid base salary and the benefits provided under our employee benefit plans and programs. Mr. Conley or Ms. Goodson, as the case may be, will be permitted to exercise vested stock options for a period of 30 days following termination due to a voluntary resignation and for a period of one year following a termination due to death or disability. **CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS**

The agreements described below were each filed as exhibits to the registration statement on Form S-1 filed in connection with our initial public offering, and the following descriptions of each of these agreements are qualified by reference thereto.

**Reorganization Transactions**

Upon the consummation of our initial public offering, pursuant to a sale and merger agreement, HFF, Inc. contributed the net proceeds raised in the offering to HoldCo LLC, its wholly-owned subsidiary. In consideration for the net proceeds from the offering and one share of Class B common stock, HFF Holdings sold all of the shares of Holliday GP, which is the sole general partner of each of the Operating Partnerships, and approximately 45% of the partnership units in each of the Operating Partnerships (including partnership units in the Operating Partnerships held by Holliday GP), to HoldCo LLC. HFF Holdings used approximately \$56.3 million of the sale proceeds to repay all outstanding borrowings under HFF LP's credit agreement. Accordingly, we did not retain any of the proceeds from the offering.

In addition to cash, HFF Holdings also received an exchange right that permits HFF Holdings to exchange interests in the Operating Partnerships for shares of our Class A common stock (the Exchange Right ) and rights under a tax receivable agreement between HFF, Inc. and HFF Holdings.

## **Table of Contents**

### **Exchange Right**

Pursuant to the terms of HFF, Inc.'s amended and restated certificate of incorporation, HFF Holdings can from time to time exchange its partnership units in the Operating Partnerships for shares of the Company's Class A common stock on the basis of two partnership units, one for each Operating Partnership, for one share of Class A common stock, subject to customary conversion rate adjustments for stock splits, stock dividends and reclassifications. Beginning in February 2009, twenty-five percent of partnership units in HFF LP and HFF Securities held by HFF Holdings became exchangeable by HFF Holdings, upon the direction of its members, for shares of our Class A common stock. In addition, members of HFF Holdings gained the right to exchange an additional twenty-five percent of the partnership units in the Operating Partnerships held by HFF Holdings for shares of Class A common stock in February 2010 and have the right to direct HFF Holdings to exchange an additional twenty-five percent of the partnership units in the Operating Partnerships held by the HFF Holdings for shares of our Class A common stock beginning in each of February 2011 and 2012. Through April 16, 2010, 2,382,668 partnership units had been exchanged for shares of our Class A common stock.

### **Tax Receivable Agreement**

As described above, partnership units in HFF LP and HFF Securities held by Holdings Sub, HFF Holdings wholly-owned subsidiary, were sold to HoldCo LLC, our wholly-owned subsidiary, for cash raised in the initial public offering. In the future, partnership units in HFF LP and HFF Securities held by HFF Holdings through Holdings Sub may be exchanged by HFF Holdings for shares of our Class A common stock on the basis of two partnership units, one of each Operating Partnership, for one share of Class A common stock, subject to customary conversion rate adjustments for stock splits, stock dividends and reclassifications. HFF LP and HFF Securities made an election under Section 754 of the Internal Revenue Code effective for the taxable year in which the initial sale of partnership units occurred and intends to keep that election in effect for each taxable year in which an exchange of partnership units for shares occurs. The initial sale produced (and later exchanges may produce) increases to the tax basis of the assets owned by HFF LP and HFF Securities at the time of the initial public offering (and at the time of each exchange of partnership units). These anticipated increases in tax basis would be allocated to us and would likely reduce the amount of tax that we would otherwise be required to pay in the future.

Upon the consummation of our initial public offering, we entered into a tax receivable agreement with HFF Holdings that provides for the payment by us to HFF Holdings of 85% of the amount of the cash savings, if any, in U.S. federal, state and local income tax that we actually realize as a result of these increases in tax basis and as a result of certain other tax benefits arising from our entering into the tax receivable agreement and making payments under that agreement. We will retain the remaining 15% of cash savings, if any, in income tax that we realize. For purposes of the tax receivable agreement, cash savings in income tax will be computed by comparing our actual income tax liability to the amount of such taxes that we would have been required to pay had there been no increase to the tax basis of the assets of HFF LP and HFF Securities allocable to us as a result of the initial sale and later exchanges and had we not entered into the tax receivable agreement. The term of the tax receivable agreement commenced upon consummation of our initial public offering and continues until all such tax benefits have been utilized or have expired.

Although we are not aware of any issue that would cause the IRS to challenge the tax basis increases or other tax benefits arising under the tax receivable agreement, HFF Holdings will not reimburse us for any payments previously made if such basis increases or other benefits were later not allowed. As a result, in such circumstances we could make payments to HFF Holdings under the tax receivable agreement in excess of our actual cash tax savings.

While the actual amount and timing of payments under the tax receivable agreement will depend upon a number of factors, including the amount and timing of taxable income generated in the future, changes in future tax rates, the

value of individual assets, the portion of the Company's payments under the tax receivable agreement constituting imputed interest and increases in the tax basis of the Company's assets resulting in payments to HFF Holdings, the Company has estimated that the payments that will be made to HFF Holdings will be \$105.5 million and has recorded this obligation to HFF Holdings as a liability on the consolidated

balance sheets. In conjunction with the filing of the Company's 2008 federal and state tax returns, the benefit for 2008 relating to the Section 754 basis step-up was finalized resulting in \$2.7 million in tax benefits realized by the Company for 2008. As discussed above, the Company is obligated to remit to HFF Holdings 85% of any such cash savings in federal and state tax. As such, during August 2009, the Company paid \$2.3 million to HFF Holdings under this tax receivable agreement. In addition, during the year ended December 31, 2009, the tax rates used to measure the deferred tax assets were updated, which resulted in a reduction of deferred tax assets of \$2.0 million, which in turn resulted in a reduction in the payable under the tax receivable agreement of \$1.7 million. In conjunction with the filing of the Company's 2007 federal and state tax returns, the benefit for 2007 relating to the Section 754 basis step-up was finalized resulting in \$6.2 million in tax benefits realized by the Company for 2007. As discussed above, the Company is obligated to remit to HFF Holdings 85% of any such cash savings in federal and state tax. As such, during August 2008, the Company paid \$5.3 million to HFF Holdings under this tax receivable agreement. In addition, during the year ended December 31, 2008, the tax rates used to measure the deferred tax assets were updated which resulted in a reduction of deferred tax assets of \$4.6 million, which resulted in a reduction in the payable under the tax receivable agreement of \$3.9 million. To the extent the Company does not realize all of the tax benefits in future years, this liability to HFF Holdings may be reduced.

## **Registration Rights Agreement**

We entered into a registration rights agreement with HFF Holdings pursuant to which we are required to register under the Securities Act of 1933, as amended, under certain circumstances and subject to certain restrictions, shares of our Class A common stock (and other securities convertible into or exchangeable or exercisable for shares of our Class A common stock) held or acquired by HFF Holdings, its affiliates and certain of its transferees. Such securities registered under any registration statement will be available for sale in the open market unless restrictions apply.

## **Operating Partnership Agreements**

HFF, Inc., through HFF LP and HFF Securities, operates our business. Below are brief summaries of the HFF LP and HFF Securities partnership agreements.

### **HFF LP Partnership Agreement**

#### ***Purpose***

The partnership agreement provides that HFF LP's purpose is to engage in any lawful act or activity for which limited partnerships may be formed under the Texas Revised Limited Partnership Act.

#### ***Management and Control***

The partnership agreement further provides that Holliday GP, as general partner, manages and controls the business and affairs of HFF LP. As noted above, the shares of Holliday GP are wholly-owned by HoldCo LLC, a wholly-owned subsidiary of HFF, Inc.

In exercising such control, Holliday GP acts at the direction of the managing member of HoldCo LLC, who is appointed by the Board of Directors of HFF, Inc. Holliday GP also consults with and considers the non-binding recommendations of the operating committee of HoldCo LLC, which is appointed by certain senior officers of the Operating Partnerships (and is comprised of 10 employees of the Operating Partnerships (or either of them)). Additionally, a managing member and operating committee has been established in HFF LP. The managing member of HFF LP is selected in the same manner as the HoldCo LLC operating committee, and the HFF LP operating committee is identical to the HoldCo LLC operating committee. In performing its duties as general partner of HFF LP,

Holliday GP consults with and considers the non-binding recommendations of the HFF LP managing member and HFF LP operating committee. Additionally, such senior officers, HFF LP managing member and HFF LP operating committee participate in the preparation of the annual budget for submission to Holliday GP as a non-binding recommendation. Holliday GP delegates certain control over HFF LP to certain officers of HFF LP.

**Table of Contents*****Units; Percentage Interests***

Each partner in HFF LP holds units representing interests in HFF LP, and the percentage interest of each partner will be determined based on the ratio of the number of units held by such partner to the number of outstanding units in the partnership. The units held by each partner as of April 16, 2010 are as set forth below:

<b>Name</b>	<b>Units</b>	<b>Percentage Interest</b>
Holliday GP	368,000	1.0%
HoldCo LLC	17,972,332	50.2%
Holdings Sub	18,459,668	48.8%

In the event a share of Class A common stock is redeemed, repurchased, acquired, cancelled or terminated by HFF, Inc., one unit of HFF LP registered in the name of HoldCo LLC (or in the event HoldCo LLC no longer holds units, Holliday GP) will automatically be cancelled for no consideration. Similarly, in the event HFF, Inc. issues a share of Class A common stock (other than in connection with the initial public offering), the net proceeds received by HFF, Inc. with respect to such share will be concurrently transferred to HoldCo LLC for transfer to HFF LP and HFF Securities in such manner as Holliday GP shall determine, each of which will in return issue to HoldCo LLC one unit in such Operating Partnership.

In the event any member of HFF Holdings forfeits a membership interest in HFF Holdings in accordance with the HFF Holdings operating agreement (i.e., as the result of being removed for cause under the HFF Holdings operating agreement or competing or soliciting in violation of the HFF Holdings operating agreement), the HFF LP partnership agreement provides that Holdings Sub will simultaneously forfeit a portion of the units it then holds in HFF LP (equal to such forfeiting member's indirect ownership interest in HFF LP, other than the membership interests that were permitted to be sold by such member prior to that time).

***Distributions; Tax Distributions***

Holliday GP has the right to determine when distributions will be made to the partners of HFF LP and the amount of any such distribution. All distributions shall be made to the partners pro rata in accordance with their respective percentage ownership interests in HFF LP.

The holders of the partnership units in HFF LP, including HoldCo LLC and Holliday GP, will incur U.S. federal, state and local income taxes on their proportionate share of any net taxable income of HFF LP. Net profits and net losses of HFF LP will generally be allocated to the partners pro rata in accordance with their respective percentage interests (as determined in accordance with the HFF LP partnership agreement). The partnership agreement provides for cash distributions to the partners of HFF LP if Holliday GP determines that the taxable income of HFF LP will give rise to taxable income for its partners (or their constituent members). Generally these tax distributions will be computed based on our estimate of the net taxable income of HFF LP allocable to each partner multiplied by an assumed rate equal to the highest effective marginal combined U.S. federal, state and local income tax rate for the applicable year prescribed for an individual or corporate resident in New York, New York assuming such taxpayer: (a) had no itemized deductions or tax credits, (b) was not subject to the alternative minimum tax, the self employment tax or other U.S. federal (or comparable state or local) income taxes not imposed under sections 1 or 11 of the Internal Revenue Code, and (c) was subject to income tax only in the jurisdictions where the taxpayer resides or is commercially domiciled. The assumed tax rate will be the same for all partners of HFF LP. In connection with the aforementioned partnership agreement provision, HFF LP made cash distributions in 2009 to Holdings Sub, a

wholly-owned subsidiary of HFF Holdings, in an aggregate amount of \$1,564,000.

***Transfers***

The partnership agreement requires that each limited partner obtain Holliday GP's consent to any sale, assignment, pledge, transfer, distribution or other disposition of any unit. Holliday GP may grant or withhold such consent in its sole discretion, provided that the partnership agreement permits certain transfers including (a) transfers contemplated under and in accordance with the Exchange Right (as defined in the HFF LP partnership agreement), (b) transfers by the members in HFF Holdings of their interests (i) by devise or descent or by operation of law upon the death or disability of a member of HFF Holdings and (ii) to (x) immediate

family members or trusts established for the benefit of such family members for estate planning purposes, (y) a charity for gratuitous purposes, or (z) as otherwise expressly permitted under the HFF Holdings operating agreement, and (c) transfers of shares of Class A common stock and Class B common stock of HFF, Inc.

### ***Dissolution***

HFF LP may be dissolved only upon the occurrence of the voluntary agreement of all partners, any act constituting dissolution under applicable law or certain other events specified in the partnership agreement. Upon dissolution, HFF LP will be liquidated and the proceeds from any liquidation will be applied and distributed in the following manner: (a) first, to creditors (including to the extent permitted by law, creditors who are partners) in satisfaction of the liabilities of the Partnership, (b) second, to the setting up of any reserves which Holliday GP may determine to be reasonably necessary for any contingent liability of HFF LP and (c) third, to the partners in proportion to their respective percentage interests.

## **HFF Securities Partnership Agreement**

### ***Purpose***

The partnership agreement provides that HFF Securities purpose is to act as a registered broker-dealer in connection with its efforts, on behalf of its clients, to (a) raise equity capital for discretionary, commingled real estate funds marketed to institutional investors, (b) raise equity capital for real estate projects, (c) raise equity capital from institutional investors to fund future real estate acquisitions, recapitalizations, developments, debt investments and other real estate-related strategies, and (d) execute private placements of securities in real estate companies. In addition, the partnership agreement provides that HFF Securities will provide advisory services on various project or entity-level strategic assignments such as mergers and acquisitions, sales and divestitures, recapitalizations and restructurings, privatizations, management buyouts, and arranging joint ventures for specific real estate strategies; and will be entitled to engage in any and all purposes and activities that are ancillary thereto as permitted under the Delaware Revised Uniform Limited Partnership Act, Delaware Code Annotated.

### ***Management and Control***

The partnership agreement of HFF Securities provides that Holliday GP, as general partner, manages and controls the business and affairs of HFF Securities. Holliday GP will exercise such management and control in accordance with applicable securities laws. As noted above, the shares of Holliday GP are wholly-owned by HoldCo LLC, which is a wholly-owned subsidiary of HFF, Inc.

Holliday GP delegates certain control over HFF Securities to certain officers of HFF Securities, including, without limitation, one or more executive managing directors, senior managing directors, directors, supervisory principals and registered representatives.

Each supervisory principal is required to qualify with the FINRA Series 7 and 24 examinations. The executive managing directors and supervisory principals are responsible for, among other things, preparing HFF Securities annual budget and business plan, which after approval by the senior officers of the Operating Partnerships and the HoldCo LLC operating committee will be submitted to the General Partner as a non-binding recommendation.

### ***Units; Percentage Interests***

Each partner in HFF Securities holds units representing interests in HFF Securities, and the percentage interest of each partner will be determined based on the ratio of the number of units held by such partner to the number of outstanding

units in the partnership. The units and associated percentage interests held by each of the partners as of April 16, 2010 are as set forth below:

<b>Name</b>	<b>Units</b>	<b>Percentage Interest</b>
Holliday GP	368,000	1.0%
HoldCo LLC	18,459,668	50.2%
Holdings Sub	17,972,332	48.8%

## **Table of Contents**

In the event a share of Class A common stock is redeemed, repurchased, acquired, cancelled or terminated by HFF, Inc., one unit of HFF Securities registered in the name of HoldCo LLC (or in the event HoldCo LLC no longer holds units, Holliday GP) will automatically be cancelled for no consideration. Similarly, in the event HFF, Inc. issues a share of Class A common stock (other than in connection with the initial public offering), the net proceeds received by HFF, Inc. with respect to such share will be concurrently transferred to HoldCo LLC for transfer to HFF Securities and HFF LP in such manner as Holliday GP shall determine, each of which will in return issue to HoldCo LLC one unit in such Operating Partnership.

In the event any member of HFF Holdings forfeits a membership interest in HFF Holdings in accordance with the HFF Holdings operating agreement (i.e., as the result of being removed for cause under the HFF Holdings operating agreement or competing or soliciting in violation of the HFF Holdings operating agreement), the partnership agreement provides that Holdings Sub will simultaneously forfeit a portion of the units it then holds in HFF Securities (equal to such forfeiting member's indirect ownership interest in HFF Securities, other than the membership interests that were permitted to be sold by such member prior to that time).

### ***Distributions; Tax Distributions***

Holliday GP has the right to determine when distributions will be made to the partners of HFF Securities and the amount of any such distribution. All distributions will be made to the partners pro rata in accordance with their respective percentage ownership interests (as evidenced by units or fractional units held by each partner) in HFF Securities.

The holders of the partnership units in HFF Securities, including HoldCo LLC and Holliday GP, will incur U.S. federal, state and local income taxes on their proportionate share of any net taxable income of HFF Securities. Net profits and net losses of HFF Securities will generally be allocated to the partners pro rata in accordance with their respective percentage interests (as determined pursuant to the HFF Securities partnership agreement). The partnership agreement provides for cash distributions to the partners of HFF Securities if Holliday GP determines that the taxable income of HFF Securities will give rise to taxable income for its partners (or their constituent members). Generally these tax distributions will be computed based on our estimate of the net taxable income of HFF Securities allocable to each partner multiplied by an assumed rate equal to the highest effective marginal combined U.S. federal, state and local income tax rate prescribed for an individual or corporate resident in New York, New York assuming such taxpayer: (a) had no itemized deductions or tax credits, (b) was not subject to the alternative minimum tax, the self employment tax or other U.S. federal (or comparable state or local) income taxes not imposed under sections 1 or 11 of the Internal Revenue Code, and (c) was subject to income tax only in the jurisdictions where the taxpayer resides or is commercially domiciled. The assumed tax rate will be the same for all partners of HFF Securities. In connection with the aforementioned partnership agreement provision, HFF Securities did not make any cash distributions in 2008 to Holdings Sub, a wholly-owned subsidiary of HFF Holdings.

### ***Transfers***

The partnership agreement requires that each limited partner obtain Holliday GP's consent to any sale, assignment, pledge, transfer, distribution or other disposition of any unit. Holliday GP may grant or withhold such consent in its sole discretion, provided that the partnership agreement permits certain transfers including (a) transfers contemplated under and in accordance with the Exchange Right (as defined in the HFF Securities partnership agreement), (b) transfers by members in HFF Holdings of their interests (i) by devise or descent or by operation of law upon the death or disability of a member of HFF Holdings and (ii) to (x) immediate family members or trusts established for the benefit of such family members for estate planning purposes, (y) a charity for gratuitous purposes, or (z) as otherwise expressly permitted under the HFF Holdings operating agreement, and (c) transfers of shares of Class A common stock and Class B common stock.

***Dissolution***

HFF Securities may be dissolved only upon the occurrence of the voluntary agreement of all partners, any act constituting dissolution under applicable law or certain other events specified in the partnership agreement.

## **Table of Contents**

Upon dissolution, HFF Securities will be liquidated and the proceeds from any liquidation will be applied and distributed in the following manner: (a) first, to creditors (including to the extent permitted by law, creditors who are partners) in satisfaction of the liabilities of the Partnership, (b) second, to the setting up of any reserves which Holliday GP may determine to be reasonably necessary for any contingent liability of HFF Securities and (c) third, to the partners in proportion to their respective percentage interests.
