The information in this report is being furnished, not filed, pursuant to Regulation FD. Accordingly, the information in this report will not be incorporated by reference into any registration statement filed by Reliant Resources under the Securities Act of 1933, as amended, unless specifically identified therein as being incorporated therein by reference. The furnishing of the information in this report is not intended to, and does not, constitute a determination or admission by Reliant Resources that the information in this report is material or complete, or that investors should consider this information before making an investment decision with respect to any security of Reliant Resources or any of its affiliates.

Some of the statements in this report and the exhibit hereto are "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995. Although Reliant Resources believes that the expectations and the underlying assumptions reflected in its forward-looking statements are reasonable, there can be no assurance that these expectations will prove to be correct. Forward-looking statements involve a number of risks and uncertainties, and actual results may differ materially from the results discussed in the forward-looking statements.

In addition to the matters described in this report and the exhibit hereto, the following are some of the factors that could cause actual results to differ materially from those expressed or implied in Reliant Resources' forward-looking statements:

- o state, federal and international legislative and regulatory developments, including deregulation, re-regulation and restructuring of the electric utility industry, and changes in, or application of environmental and other laws and regulations to it is subject,
- o the timing of the implementation of Reliant Energy's business separation plan,
- o the effects of competition, including the extent and timing of the entry of additional competitors in Reliant Resources' markets,
- o Reliant Resources' pursuit of potential business strategies, including acquisitions or dispositions of assets or the development of additional power generation facilities,
- o state, federal and other rate regulations in the United States and in foreign countries in which Reliant Resources operates or into which it might expand its operations,
- o the timing and extent of changes in commodity prices and interest rates,
- o weather variations and other natural phenomena,
- o political, legal and economic conditions and developments in the United States and in foreign countries in which Reliant Resources operates or into which it might expand its operations, including the effects of fluctuations in foreign currency exchange rates,
