**PROXY STATEMENT
GENERAL INFORMATION**

The accompanying proxy is solicited by the Board of Directors of Halliburton Company (Halliburton , the Company , we or us). By executing and returning the enclosed proxy or by following the enclosed voting instructions, you authorize the persons named in the proxy to represent you and vote your shares on the matters described in the Notice of Annual Meeting.

Subject to space availability, all stockholders as of the record date, or their duly appointed proxies, may attend the Meeting and each may be accompanied by one guest. Admission to the Meeting will be on a first-come, first-served basis. Registration will begin at 8:00 a.m., and the Meeting will begin at 9:00 a.m. Please note that you may be asked to present valid picture identification, such as a driver's license or passport when you check in at the registration desk.

If you hold your shares in street name (that is, through a broker or other nominee), you will need to bring a copy of a brokerage statement reflecting your stock ownership as of the record date.

No cameras, recording equipment, electronic devices, large bags, briefcases or packages will be permitted in the Meeting.

If you attend the Meeting, you may vote in person. If you are not present, your shares can be voted only if you have followed the instructions for voting via the Internet or by telephone or returned a properly executed proxy; and in these cases, your shares will be voted as you specify. If no specification is made, the shares will be voted in accordance with the recommendations of the Board of Directors. You may revoke the authorization given in your proxy at any time before the shares are voted at the Meeting.

The record date for determination of the stockholders entitled to vote at the Annual Meeting is the close of business on March 20, 2006. Halliburton's common stock, par value \$2.50, is the only class of capital stock that is outstanding. As of March 20, 2006, there were 516,358,189 shares of common stock outstanding. Each of the outstanding shares of common stock is entitled to one vote on each matter submitted to the stockholders for a vote at the Meeting. A complete list of stockholders entitled to vote will be kept at our offices at the address specified below for ten days prior to, and will be available at, the Annual Meeting.

Votes cast by proxy or in person at the Annual Meeting will be counted by the persons appointed by us to act as election inspectors for the Meeting. Except as set forth below, the affirmative vote of the majority of shares present in person or represented by proxy at the Meeting and entitled to vote on the subject matter will be the act of the stockholders. Shares for which a holder has elected to abstain on a matter will count for purposes of determining the presence of a quorum and will have the effect of a vote against the matter.

In the election of Directors, the candidates for election receiving the highest number of affirmative votes of the shares entitled to be voted, whether or not a majority of the shares present, up to the number of Directors to be elected by those shares, will be elected. Shares present but not voting on the election of Directors will be disregarded, except for quorum purposes, and will have no legal effect. With respect to the proposal to amend the Certificate of Incorporation to increase the number of authorized shares, the affirmative vote of the holders of a majority of the outstanding shares of common stock is required to approve the amendment.

The election inspectors will treat shares held in street name which cannot be voted by a broker on specific matters in the absence of instructions from the beneficial owner of the shares, known as broker non-vote shares, as shares that are present and entitled to vote for purposes of determining the presence of a quorum. In determining the outcome of any matter for which the broker does not have discretionary authority to vote, however, those shares will not have any effect on that matter. Those shares may be entitled to vote on other matters.

Table of Contents

CORPORATE GOVERNANCE

In 1997, our Board of Directors adopted a formal statement of its responsibilities and corporate governance guidelines to ensure effective governance in all areas of its responsibilities. Since 1997, our corporate governance guidelines have been reviewed periodically and revised as appropriate to reflect the dynamic and evolving processes relating to corporate governance, including the operation of the Board. Our Board's corporate governance guidelines, as revised in December 2005, can be found on the Corporate Governance page of our website www.halliburton.com and in Appendix A to this proxy statement.

Our Board also wants our stockholders to understand how the Board conducts its affairs in all areas of its responsibility. The full text of our Audit; Compensation; Health, Safety and Environment; Management Oversight; and Nominating and Corporate Governance Committees' charters are available on our website. The Compensation Committee charter was revised in December 2005 and is included as Appendix B to this proxy statement.

We have posted on our website our Code of Business Conduct, which applies to all of our employees and Directors and serves as a code of ethics for our principal executive officer, principal financial officer, principal accounting officer or controller, and other persons performing similar functions. If you do not have access to our website you can request a hard copy of the Code of Business Conduct, our corporate governance guidelines and the charters of the Board's committees by contacting the Senior Vice President and Secretary at the address set forth on page 2 of this proxy statement. Any waivers to our code of ethics for our executive officers can only be made by our Audit Committee.

**THE BOARD OF DIRECTORS AND
STANDING COMMITTEES OF DIRECTORS**

The Board of Directors has standing Audit; Compensation; Health, Safety and Environment; Management Oversight; and Nominating and Corporate Governance Committees. Each of the standing committees are comprised of non-employee Directors, and the Audit; Compensation; and Nominating and Corporate Governance Committees, are comprised, in the business judgment of the Board entirely of independent, non-employee Directors. The Board has made the determination that each of the non-employee Directors, except for Mr. Hunt, is independent because they meet the independence standards set forth in our corporate governance guidelines (see Appendix A). For more information on Mr. Hunt, please see Certain Relationships and Related Transactions in this proxy statement on page 25. The Board of Directors has determined that Mr. Crandall's service on the audit committees of more than three public companies does not impair his ability to serve on Halliburton's Audit Committee. During the last fiscal year, the Board of Directors met on 6 occasions, the Audit Committee met on 9 occasions, the Compensation Committee met on 5 occasions, the Health, Safety and Environment Committee met on 2 occasions, the Management Oversight Committee met on 5 occasions and the Nominating and Corporate Governance Committee met on 2 occasions. The non-employee Directors of the Board and the Management Oversight Committee each met in executive session, with no Company personnel present, on 5 occasions. Mr. W.R. Howell is our Lead Director, and in that capacity, he chairs the executive sessions of the Management Oversight Committee. All members of the Board attended at least 75 percent of the total number of meetings of the Board and the committees on which he or she served during the last fiscal year. Our corporate governance guidelines provide that all Directors should attend our Annual Meeting, and all of our Directors attended the 2005 Meeting.

To foster better communication with our stockholders, we established a process for stockholders to communicate with the Audit Committee and the Board of Directors. The process has been approved by both the Audit Committee and the Board, and meets the requirements of the New York Stock Exchange, or NYSE, and the Securities and Exchange Commission, or SEC. The methods of communication with the Board, which follow, include mail, a dedicated telephone number and an e-mail address.

The following functions are the key responsibilities of the Audit Committee in carrying out its oversight:

- recommending the appointment of the principal independent accountants to the Board of Directors, and together with the Board of Directors being responsible for the appointment, compensation, retention and oversight of the work of the principal independent accountants;
- reviewing the scope of the principal independent accountants' examination and the scope of activities of the internal audit department;
- reviewing Halliburton's financial policies and accounting systems and controls;
- reviewing audited financial statements and interim financial statements;
- preparing a report for inclusion in Halliburton's proxy statement regarding the Audit Committee's review of audited financial statements for the last fiscal year which includes a statement on whether it recommends that the Board include those financial statements in the Annual Report on Form 10-K;

- reviewing and assessing the adequacy of the Audit Committee's Charter annually and recommending revisions to the Board.

The Audit Committee also reviews Halliburton's compliance with its Code of Business Conduct which was formally adopted by the Board in 1992. The Audit Committee meets separately with the principal independent accountants, internal auditors and management to discuss matters of concern, and to receive recommendations or suggestions for change and to exchange relevant views and information.
