going-private transaction subject to R

issuer tender offer subject to Rule 13e-4.

amendment to Schedule 13D under Rule 1

Check the following box if the filing is a final amendment reporting the results of the tender offer.

2

This Amendment No. 2 to the Issuer Tender Offer Statement on Schedule TO relates to the offer by Strayer Education, Inc., a Maryland corporation (the "Company"), to purchase up to 8,500,000 shares of Strayer's common stock, \$.01 par value per share, at a price per share of \$25.00, net to the seller in cash without interest thereon. Strayer's offer is made on the terms and subject to the conditions set forth in the Offer to Purchase, dated April 17, 2001 and in the related Letter of Transmittal, which, as amended or supplemented from time to time, together constitute the "offer". This Amendment No. 2 to Issuer Tender Offer Statement on Schedule TO is intended to satisfy the reporting requirements of Rule 13e-4(c)(2) of the Securities Exchange Act of 1934, as amended.

The information in the Offer to Purchase and the related Letter of Transmittal, copies of which were previously filed with the Schedule TO as Exhibits (a)(1)(A) and (a)(1)(B), respectively, is incorporated in this Amendment No. 2 to Schedule TO by reference, except that such information is hereby amended and supplemented to the extent specifically provided herein.

ITEM 1. SUMMARY TERM SHEET.

ITEM 4. TERMS OF THE TRANSACTION.

Items 1 and 4 are hereby supplemented and amended as follows:

1. Section 9 of the Offer to Purchase, Source and amount of funds, is amended by deleting the penultimate sentence of the first paragraph (as previously amended) and inserting the following in its place:

An aggregate of \$ 212.5 million, which includes the proceeds of the series A convertible preferred stock issuance and \$62.5 million from us, was deposited in escrow on March 16, 2001 following the satisfaction of certain conditions to closing of the transactions contemplated by the series A purchase agreement. There are limited circumstances in which the series A purchase agreement may be terminated, in which case the offer to purchase will be terminated and these funds will not be released to pay for any shares that have been tendered. These circumstances involve the failure to satisfy any one of the following conditions:

- receipt of all required government approvals

Edgar Filing: STRAYER EDUCATION INC - Form SC TO-I/A

- notification of listing of additional shares with The Nasdaq National Market
- no injunctions or proceedings filed to stop the closing of the series A purchase by the Investors
- the filing and effectiveness of an amendment to our charter and the articles supplementary creating the rights and preferences of the series A convertible preferred stock with the Maryland State Department of Assessments and Taxation

3

- execution and delivery of a registration rights agreement between us and the Investors
- delivery of a legal opinion by our outside counsel

As of May \_\_, 2001, we have received all required government approvals and we are not aware of the filing of any injunctions or proceedings to prevent the closing of the series A purchase. The charter amendment and the articles supplementary will be filed prior to the Expiration Date, and we are currently obtaining the necessary signatures to the registration rights agreement. The contents of the legal opinion have been agreed upon and we are unaware of any fact or circumstance that would prevent our counsel from delivering the opinion at the closing.

4

SIGNATURE

After due inquiry and to the best of my knowledge and belief, I certify that the information set forth in this statement is true, complete and correct.

STRAYER EDUCATION, INC.
