**PROXY STATEMENT**

This proxy statement is furnished in connection with the solicitation of proxies on behalf of the Board of Directors of Tweeter Home Entertainment Group, Inc. (Nasdaq: TWTR ) for the annual meeting of stockholders to be held on January 15, 2004. Only stockholders of record at the close of business on December 17, 2003 are entitled to notice of and to vote at the meeting. On or about December 19, 2003, the proxy statement and form of proxy will be sent to all stockholders of record.

Returning your completed proxy will not prevent you from voting in person at the meeting should you be present and wish to do so.

Unless contrary instructions are indicated on the proxy, all valid proxies received pursuant to this solicitation (and not revoked before they are voted) will be voted FOR the election of the nominees for Director named herein, FOR the adoption of the 2004 Long-Term Incentive Plan, FOR the approval of the issuance of warrants, and the underlying shares of Tweeter common stock, to RetailMasters, LLC in partial payment for consulting services rendered to Tweeter and FOR the approval of the designation of Deloitte & Touche LLP to audit Tweeter's books, records and accounts for fiscal year 2004. If a stockholder specifies a different choice on the proxy, such stockholder's shares of common stock will be voted in accordance with such specifications.

Any person giving a proxy in the form accompanying this proxy statement has the power to revoke it at any time before its exercise. A proxy may be revoked by filing with Tweeter's Secretary an instrument revoking it, by presenting an executed proxy bearing a later date at the Annual Meeting, or by attending the Annual Meeting and voting in person.

The cost of soliciting proxies will be borne by Tweeter. Solicitations may be made by mail, personal interview, telephone and/or telegram by Tweeter's Directors, officers and employees, without additional compensation for such solicitation activities. Tweeter will make arrangements with its transfer agent, EquiServe, to forward solicitation material to the beneficial owners of Tweeter's common stock held of record. Tweeter will reimburse banks, brokerage firms, other custodians, nominees and fiduciaries for reasonable expenses incurred in sending proxy material to beneficial owners of common stock held in their respective names.

Tweeter has retained the services of a proxy solicitation firm, The Altman Group, Inc., for a fee of \$4,500 plus reasonable out of pocket expenses.

Copies of Tweeter's 2003 Annual Report are being mailed to stockholders together with this proxy statement. The Annual Report contains Tweeter's financial statements for the fiscal years ended September 30, 2003, September 30, 2002 and September 30, 2001.

**VOTING SECURITIES**

Holders of record of Tweeter's common stock at the close of business on Wednesday, December 17, 2003 (the Record Date ) have the right to receive notice of and to vote at the Annual Meeting and any adjournments of the meeting. At the Record Date, there were 24,057,355 shares of common stock issued and outstanding. Each share of common stock entitles the holder of that share to one vote on each matter submitted to a vote at the Annual Meeting.

Under Tweeter's bylaws, the presence, in person or by proxy, of stockholders holding a majority in interest of the issued and outstanding shares of common stock entitled to vote at the Annual Meeting is necessary to constitute a quorum. Abstentions and broker non-votes are each included for purposes of determining the presence or absence of a sufficient number of shares to constitute a quorum for the transaction of business. With respect to the approval of any particular proposal, abstentions and broker non-votes are not counted in determining the number of votes cast. Other than the election of Directors, which requires a plurality of the votes cast in person or by proxy, each matter to be submitted to the stockholders requires the affirmative vote of a majority of the votes cast in person or by proxy at the meeting.

**Table of Contents****Proposal 1: Election of Directors****Nominees for Director, Directors Continuing in Office and Executive Officers**

Tweeter's bylaws provide for a Board of Directors consisting of such number of Directors as may be fixed from time to time by the Board. The Board is divided into three classes, with each class holding office for a term of three years and the term of office of one class expiring each year. The Board has fixed the number of Directors to constitute the full Board for the ensuing year at six, two of whom are to be elected at the Annual Meeting for a term expiring at the 2007 annual meeting of stockholders, two whose terms expire at the 2005 annual meeting of stockholders, and two whose terms expire at the 2006 annual meeting of stockholders. Jeffrey Stone, a Director since 1990, Jeffrey Bloomberg, a Director since 1989, and Peter Beshouri, a director since 2001, are in the class of Directors whose term expires at the Annual Meeting. The Board has nominated Mr. Stone and Mr. Bloomberg for election to the class of Directors whose term will expire in 2007. Mr. Beshouri will not stand for re-election to the Board at the Annual Meeting.

The persons named as proxies in the proxy card will vote the shares represented by your proxy for the election of Mr. Stone and Mr. Bloomberg as Directors unless your proxy card specifies otherwise. If either of the nominees for election to the Board should, for any reason not now anticipated, not be available to serve as a Director, the persons named as proxies will vote the shares for such other candidate as may be designated by the Board, unless the Board reduces the number of Directors constituting the full Board in order to eliminate the vacancy. The Board has no reason to believe that Mr. Stone and Mr. Bloomberg will be unable to serve if elected.

**Committees of the Board of Directors**

The Board of Directors has an Audit Committee, consisting of Michael Cronin, Matthew Bronfman and Steven Fischman, whose purpose is to oversee the accounting and financial reporting processes of the company and the audits of the financial statements of the company. In addition to the quarterly payment, members of the Audit Committee are paid \$2,000 per meeting of the Audit Committee and members of the Compensation Committee are paid \$500 per meeting of the Compensation Committee. In fiscal 2003, each Director was given stock options in lieu of cash payments for any compensation due for the period from April 2003 through March 2004. ### **Stone Agreement**

Upon completion of Tweeter's initial public offering in July 1998, Tweeter entered into a five-year employment agreement with Jeffrey Stone. ### **McGuire Employment Agreement**

Upon completion of Tweeter's initial public offering in July 1998, Tweeter entered into an employment agreement with Joseph McGuire. Tweeter renewed this agreement on July 21, 2001. Under the terms of this three-year agreement, Mr. McGuire earns a base annual salary of \$260,000 plus such increases as may be determined by the President, and has the opportunity to earn yearly incentive bonuses based on performance criteria (determined by the Compensation Committee). Mr. McGuire is also entitled to receive stock options and other incentive awards under Tweeter's stock option and incentive plans. Tweeter may elect, upon the expiration and non-renewal of the agreement, to pay Mr. McGuire two years of severance pay in exchange for a two-year non-competition agreement from Mr. McGuire. If Tweeter terminates Mr. McGuire's employment without cause, Tweeter is obligated to pay Mr. McGuire an amount equal to one year of his base salary in effect as of the termination of his employment, and his options and incentives will continue to vest for one year following termination.

### **Beshouri Employment Agreement**

Upon the acquisition of Sound Advice, Tweeter entered into an employment agreement with Peter Beshouri. Under the terms of this two-year agreement, Mr. Beshouri earned a base annual salary of \$400,000. For entering into the agreement, Mr. Beshouri also received a signing bonus of \$100,000, stock options for 30,000 shares of Tweeter common stock and, as additional consideration for entering into Tweeter's Non-competition, Nondisclosure and Non-solicitation agreement, he received an additional \$1,900,000. Mr. Beshouri was also entitled to receive stock options and was eligible to receive annual bonuses, in the sole discretion of Tweeter. The employment agreement provided that if Mr. Beshouri's employment was terminated by Tweeter without cause or Mr. Beshouri terminated his employment for good reason, Tweeter was obligated to pay Mr. Beshouri an amount equal to his salary through the second anniversary of his employment agreement. As of September 30, 2003, the agreement expired and Mr. Beshouri is no longer an

employee of Tweeter. No severance is due to Mr. Beshouri as a result of the termination of his employment. Mr. Beshouri will remain a Director until the 2004 annual stockholders meeting on January 15, 2004.

Mr. Pappas is also entitled to receive options for no fewer than 20,000 shares of Tweeter common stock in each of 2004 and 2005. If Tweeter terminates the agreement without cause or Mr. Pappas terminates the agreement for good reason, Mr. Pappas will be entitled to receive one year's annual salary and, if such termination is on or prior to the second anniversary of the commencement of Mr. Pappas's employment, such termination will cause accelerated vesting of one-year's worth of his options and restricted stock.

### **Compensation Committee Report Regarding Executive Compensation**

The Compensation Committee of the Board of Directors makes decisions regarding cash compensation paid and stock options and other forms of equity-based compensation awarded to Tweeter's executive officers. The Compensation Committee is comprised of two Directors, Michael Cronin and Matthew Bronfman, neither of which have relationships with any executive officers of Tweeter. The Compensation Committee has submitted the following report concerning executive compensation:

#### **Compensation Philosophy**

The Compensation Committee (the Committee), which is composed entirely of outside independent Directors, reviews, evaluates and approves the amount, design and implementation of Tweeter's compensation system for executive officers. Tweeter believes that corporate performance and in turn, stockholder value will be best enhanced by a compensation system that supports and reinforces Tweeter's key operating and strategic goals while aligning the financial interests of Tweeter's executive officers with those of the stockholders. Tweeter utilizes both short-term and long-term incentive compensation programs to achieve these objectives. Executive officer incentive compensation programs are tied to company-wide achievement of annual financial and operational goals and the market value of Tweeter's stock. The Committee believes that the use of company-wide performance in setting goals promotes a unified vision for senior management and creates common motivation among the executives. For other salaried employees, the incentive compensation program is also tied to divisional, departmental or store business goals and, in some cases, individual performance.

For Tweeter's 2003 fiscal year, the Committee made its compensation decisions based on a review of Tweeter's 2002 fiscal year performance, on Tweeter's budget and other projections for the 2003 fiscal year, and on Tweeter's performance in comparison to certain competitors. The Committee also used information from an Executive Compensation Survey provided by an independent consulting firm.

#### **Components of the Executive Compensation Program**

Tweeter's compensation program for executive officers consists generally of three components: base salary, an annual performance-based cash bonus and long-term stock incentives. In making compensation decisions, the Committee generally compares the compensation of Tweeter's executive officers with compensation of officers at certain other retail companies and has utilized a nationally known compensation consultant, as it deemed necessary.

The Committee generally compares various short and long-term performance measures, including total stockholder return, return on average stockholders' equity, sales, pre-tax net income and earnings per share for Tweeter and other companies with which it competes for executive talent. The Committee has not established any particular level at which overall compensation will be set in respect to the compensation peer

## **Table of Contents**

group. The Committee believes that the total compensation of the named executive officers is supported by Tweeter's competitive comparisons on the short and long-term performance factors and is appropriate given Tweeter's overall performance. The individual elements of the executive compensation program are addressed below.

### **Annual Salary**

Each year the Committee establishes salaries for executive officers. Such salaries are based on proposals submitted by Tweeter's Chief Executive Officer (CEO) for annual salary for the executive officers other than himself. The Committee sets the executive officer salaries for the 2003 fiscal year after reviewing the CEO's recommendations and considering the information in the Executive Compensation Survey. The Committee believes that the current level of annual salaries for executive officers is appropriate and that it also provides for a large percentage of total compensation to be at risk under the incentive programs. In evaluating individual executive officers, the Committee may also consider, among other factors, (1) a qualitative evaluation of the individual executive officer's performance provided by the CEO, (2) the job responsibilities of the individual executive, including changes in those responsibilities, and (3) Tweeter's performance in relation to its target financial and operational goals for the prior fiscal year.

### **Annual Performance-Based Bonus**

Tweeter's executive officers are eligible to receive cash bonuses under an annual performance-based incentive program (Incentive Program) established each year by the Committee and approved by the Board of Directors. The Incentive Program is designed to motivate Tweeter's employees to achieve Tweeter's annual operating and financial goals. The executive officers participate in the Incentive Program. The Incentive Program allows the Committee to establish performance goals based on pre-tax earnings. The goals are established with the purpose of continuing Tweeter's record of superior performance in comparison with its competitors.

For the 2003 fiscal year, the Incentive Program measured Tweeter's achievement of its target financial goals. The target goal was established early in the fiscal year as part of Tweeter's budgeting process and was approved by the Committee. Consistent with the Committee's compensation philosophy of tying a large percentage of total compensation to performance, the potential maximum bonus for each executive officer was a significant percentage of that individual's salary for the year. For the 2003 fiscal year, the target bonus amounts ranged from 5 percent of base salary to 35 percent of base salary. The target bonus percentages were based upon the results of the Executive Compensation Survey for 2002 and the recommendations of an independent consulting firm.

The amount of bonus payments in each fiscal year depends upon the extent to which Tweeter achieves its target financial and operational goals for the prior fiscal year. For the 2002 fiscal year, Tweeter did not achieve these key performance goals. As a result, performance bonuses based on the 2002 fiscal year performance were not earned and thus were not payable in 2003.

Tweeter's performance for the 2003 fiscal year did not meet the key performance goals set as requirements for payment of bonuses. As a result, no bonuses will be paid in the 2004 fiscal year relating to 2003 fiscal year performance.

### **Long-Term Incentive Compensation**

Grants under Tweeter's stock incentive plans provide long-term incentive compensation and are a significant component of total compensation. These programs are a part of Tweeter's performance-based incentive compensation rewarding officers as total stockholder value increases. For most executive officers, grants under the stock incentive plans have been made in the form of incentive stock options. For non-employee Directors, grants under the plan are in the form of nonqualified stock options (since non-employee Directors do not qualify as recipients of incentive stock options).

## **Table of Contents**

The Committee considers stock-based grants to be an important means of ensuring that executive officers have a continuing incentive to increase the long-term return to stockholders and the value of Tweeter's stock. Stock-based grants also aid in the retention of executives.

Stock options generally vest and become exercisable ratably over a period of one to four years from the date of grant. The number of stock options to be granted to a particular executive officer is determined by the Committee. The Committee primarily uses a formula based on an individual's target bonus for the fiscal year and the market price of Tweeter's stock, as well as the results of compensation surveys, to determine the appropriate grant size. Because the value of stock options is entirely a function of increases in the value of Tweeter's stock, the Committee believes that this component of Tweeter's compensation arrangement closely aligns the interests of the executive officers with those of Tweeter's stockholders.

### **Chairman's and Chief Executive Officer's Compensation**

The Committee determined the compensation of Samuel Bloomberg and Jeffrey Stone, Tweeter's Chairman and CEO, respectively, for the 2003 fiscal year in a manner consistent with the philosophy described above. Midway through fiscal 2003, Mr. Bloomberg and Mr. Stone, as well as certain other officers of Tweeter, were provided the opportunity to reduce their compensation for one year in exchange for options to purchase shares of Tweeter's common stock at the then-current fair market value. Mr. Bloomberg exchanged \$400,000 of salary for options to purchase 480,000 shares of Tweeter common stock. Mr. Stone exchanged \$150,000 of salary for options to purchase 180,000 shares of Tweeter common stock. The reductions in salary were or will be effected approximately 50% in fiscal year 2003 and approximately 50% in fiscal year 2004.

In establishing the Chairman and CEO's compensation, the Committee has compared their compensation with the compensation of the Chairmen and CEOs of the compensation peer group in relation to the relative performance of Tweeter with respect to the compensation peer group. The Committee also considered Mr. Bloomberg's and Mr. Stone's leadership skills in assembling and developing a strong management team and guiding Tweeter through its significant growth during the last twelve years, resulting in Tweeter's continued financial success.

In setting the fiscal 2003 compensation, the Committee also considered Tweeter's performance during the 2002 fiscal year. In the 2002 fiscal year, Tweeter did not achieve the goals set by the Committee as requirements for the payment of bonuses to them. As a result, Mr. Bloomberg and Mr. Stone did not receive bonuses in fiscal 2003.

The Committee believes that Mr. Bloomberg's and Mr. Stone's compensation for the 2003 fiscal year was appropriate in light of all of the above considerations.

Tweeter's performance for the 2003 fiscal year did not meet the requirements set by the Committee for the payment of bonuses to Mr. Bloomberg and Mr. Stone in fiscal 2004. As a result, they will not be paid bonuses in the 2004 fiscal year with respect to 2003 performance.

**PERFORMANCE GRAPH**

Since a nationally recognized index that would represent a peer group was not available, Tweeter has used the Russell 2000 to measure its performance. Tweeter believes that this index is representative of a peer group because it is composed of companies with similar market capitalization. In addition, Tweeter has included the Nasdaq Composite index as a comparison.

**Proposal 2: Adoption of 2004 Long-Term Incentive Plan**

**Background**

Tweeter has provided long-term incentive awards under the Tweeter Home Entertainment Group, Inc. 1998 Stock Option and Incentive Plan (the 1998 Plan ). Effective June 2, 2004, no further incentive awards will be available under the 1998 Plan. In order to provide long-term incentive opportunities after that date, Tweeter's Board of Directors has approved a new program known as the Tweeter Home Entertainment Group, Inc. 2004 Long-Term Incentive Plan (the 2004 Plan ) in the form attached hereto as Appendix C, subject to stockholder approval. The following summary of certain features of the 2004 Plan is qualified in its entirety by reference to the full text of the 2004 Plan.

**Shares Reserved**

The 2004 Plan authorizes and reserves 3,000,000 shares of Tweeter's common stock ( Stock ) for long-term incentive awards. Also, as options granted under the 2004 Plan are exercised, the number of shares represented by such previously outstanding options will become available for issuance under the 2004 Option Plan up to a maximum of 100,000 shares of Stock annually.

**Administration and Eligibility**

The 2004 Plan will be administered by the Compensation Committee of the Board of Directors. The Compensation Committee is authorized, from time to time, to grant (or delegate the right to grant with respect to certain individuals) awards under the 2004 Plan to such officers, other employees, non-employee directors and key personnel (including independent contractors, consultants and other non-employees) of

## **Table of Contents**

Tweeter and its subsidiaries as the Compensation Committee, in its discretion, selects. Individuals who receive awards under the 2004 Plan are known as Participants.

The 2004 Plan is intended to enable Tweeter to continue to provide incentives to the Participants to attract and retain qualified individuals for service to Tweeter. Incentives available under the 2004 Plan are designed to (i) enable the acquisition by key employees and other individuals of a proprietary interest in Tweeter; and (ii) better align the interests of Participants with the interests of Tweeter and its stockholders.

Tweeter has not issued any 2004 Plan awards under the 2004 Plan to date, and will not issue any such awards unless and until the 2004 Plan is approved by Tweeter's stockholders.

## **Stock Options**

*Stock Options* may be either incentive stock options (ISOs) (within the meaning of Section 422 of the Internal Revenue Code of 1986, as amended (the Internal Revenue Code)) or nonstatutory (non-qualified) stock options (NQSOs) (collectively, Stock Options). The exercise price per share purchasable under a Stock Option will be determined at the time of grant by the Compensation Committee and will be at least the fair market value on the grant date. The Compensation Committee has the ability to grant ISOs (which will be designated as such) and NQSOs.

The ISOs eligible to be granted under the 2004 Plan are designed to meet the requirements of the Internal Revenue Code, including but not limited to a requirement that the exercise price be at least 100% of the fair market value of Tweeter's common stock on the date the option is granted and that the option have a term no longer than ten years. No person who owns, directly or indirectly, more than 10% of the total combined voting power of Tweeter's common stock may receive ISOs unless the exercise price is at least 110% of the fair market value of Tweeter's common stock on the grant date and the term is no longer than five years. ISOs granted under the 2004 Plan are not transferable by the optionee, other than by will or by the laws of descent and distribution.

Generally, Participants will be given five years in which to exercise a Stock Option or potentially a shorter period for vested options once a Participant terminates employment. Payment may be made in cash (including a certified or bank check), in the form of unrestricted shares the Participant already has owned for at least six months or in certain cases provided in the Plan by a cashless exercise procedure through a broker. The right to exercise an option may be conditioned upon the completion of a period of service or other conditions. No more than 625,000 shares of Stock reserved under the 2004 Plan may be granted to any Participant during any calendar year period. The 2004 Plan specifically provides that repricing of stock options is not permitted, which means that a stock option may not be cancelled and replaced by a new stock option with a lower exercise price, such that the effect would be the same as reducing the option price.

## **Non-employee Director Options**

The 2004 Plan provides that upon an individual's election as a non-employee director of Tweeter, a NQSO is granted to that individual with respect to such number of shares as may be determined by the Compensation Committee; subsequent awards to non-employee directors typically will be made on an annual basis as part of their compensation. Options granted to non-employee directors generally will be exercisable for a period of five years after they become vested.

## **Restricted Stock**

*Restricted Stock* may be awarded under the 2004 Plan. A Restricted Stock Award is the grant of shares of Stock that requires the completion of a period of service or the attainment of specified performance goals by the Participant or Tweeter or a subsidiary, division or department of Tweeter or such other criteria as the Compensation Committee may determine in order for the shares to vest. All grants of Restricted Stock under the 2004 Plan that vest solely on the basis of continuing employment will be subject to vesting over five years, subject, however, at the Compensation Committee's discretion, to acceleration of vesting upon the achievement of specified performance goals. Upon a Participant's termination of employment (or other business

## **Table of Contents**

relationship) for any reason, the Restricted Stock still subject to restriction generally will be subject to repurchase by Tweeter, subject to the specific terms of the Participant's award agreement or action of the Compensation Committee. A maximum of 500,000 shares of Stock initially reserved for issuance under the 2004 Plan may be used for awards of Restricted Stock, provided that the 500,000 share limit will be reduced on a share-for-share basis by the number of shares used for Deferred Stock Awards.

### **Deferred Stock Awards**

A *Deferred Stock Award* is an award of a right to receive shares of Stock in the future at the end of a specified deferral period under specified conditions. The Compensation Committee will determine the Participants to whom, and the time or times at which, any Deferred Stock Awards will be made, the number of shares of Stock covered by an award to any Participant, the duration of the period during which and the conditions under which receipt of the shares of Stock will be deferred and any other terms and conditions of the Deferred Stock Award. Upon a Participant's termination of employment (or other business relationship) for any reason, a Participant's rights in all Deferred Stock Awards will terminate automatically, subject to the specific terms of the Participant's award agreement or action of the Compensation Committee. A maximum of 500,000 shares of common stock initially reserved for issuance under the 2004 Plan may be used for Deferred Stock Awards, provided that the 500,000 share limit will be reduced on a share-for-share basis by the number of shares used for awards of Restricted Stock.

### **Performance Share Awards**

A *Performance Share Award* is an award entitling a Participant to acquire shares of Stock upon the attainment of specified long-term performance goals over a specified time period of from three to five years. If the specified performance objectives established by the Compensation Committee are attained in whole or in part during the time period specified by the Compensation Committee, and if the Participant continues in employment through the performance period, some or all of the shares of Stock (as provided by the terms of the Plan and any award agreement) will be provided to the Participant.

The performance criteria may vary among Participants. The Compensation Committee will specifically determine the criteria applicable to a Participant. Upon a Participant's termination of employment (or other business relationship) for any reason, a Participant's rights in all Performance Share Awards will terminate automatically, subject to the specific terms of the Participant's award agreement or action of the Compensation Committee. A maximum of 200,000 shares of Stock initially reserved for issuance under the 2004 Plan may be used for Performance Share Awards.

### **Performance Unit Awards**

A *Performance Unit Award* is a grant of units with a specified dollar value, the payment of which is conditioned on the Participant's attainment of specified long-term performance goals over a specified time period of from three to five years. If the specified performance objectives established by the Compensation Committee are attained in whole or in part during the time period specified by the Compensation Committee, and if the Participant continues in employment through the performance period, payment is made based on the value of the units either in the form of cash compensation or shares of Stock, as provided by the terms of the 2004 Plan and the applicable award agreement.

The performance criteria may vary among Participants. The Compensation Committee will specifically determine the criteria applicable to a Participant. Upon a Participant's termination of employment (or other business relationship) for any reason, a Participant's rights in all Performance Unit Awards will terminate automatically, subject to the specific terms of the applicable award agreement or action of the Compensation Committee. A maximum of 550,000 shares of Stock initially reserved for issuance under the 2004 Plan may be used for Performance Unit Awards.

## **Table of Contents**

### **Warrants**

A *Warrant Award* is an award entitling a Participant to acquire shares of Stock for a specific purchase price per share. The Compensation Committee will specifically determine whether and to whom Warrant Awards will be made, the exercisability and method of exercise applicable to each award, and all other limitations and conditions applicable to the awarded Warrants. Upon a Participant's termination of employment (or other business relationship) for any reason, a Participant's rights in all Warrant Awards will terminate automatically, subject to the specific terms of the Participant's award agreement or action of the Compensation Committee. A maximum of 100,000 shares of Stock initially reserved for issuance under the 2004 Plan may be used for Warrant Awards.

### **Common Stock in Lieu of Cash Compensation**

The Compensation Committee may grant shares of Stock to a Participant in lieu of cash compensation earned by the Participant under another Tweeter incentive plan. The grant must be conditioned upon the Participant's irrevocable election to waive receipt of all or a portion of the cash compensation otherwise payable. The number of shares of Stock granted in lieu of cash compensation will be determined by dividing the amount of waived cash compensation by the fair market value of the Stock on the date the Stock is granted.

### **Cessation of Awards; Amendments and Modifications**

No awards may be made under the 2004 Plan after June 1, 2009. Subject to the requirement of stockholder approval for material amendments to the 2004 Plan and certain other limits, the Board at any time may amend or discontinue the 2004 Plan. In addition, the Compensation Committee may amend or cancel any outstanding award under the Plan for various purposes, subject to the consent of any Participant who would be adversely affected.

### **Change in Control**

In the event of a Change of Control of Tweeter (as defined in the 2004 Plan), unless Tweeter's Board of Directors determines otherwise:

(1) Stock Options and Warrants outstanding as of the date of such Change in Control which are not then exercisable and vested will become fully exercisable and vested; and

(2) the restrictions and deferred limitations applicable to any Restricted Stock Awards and Deferred Stock Awards will lapse, and such Restricted Stock Awards and Deferred Stock Awards will become free of all restrictions and become fully vested and transferable to the full extent of the original grant. In addition, the performance goals and other restrictions with respect to any outstanding Performance Share Awards and Performance Unit Awards will be deemed to be satisfied in full and fully distributable.

### **Effect of Federal Income Taxation**

The following summary of tax consequences with respect to the awards granted under the 2004 Plan is not comprehensive and is based upon laws and regulations in effect on December 1, 2003. Such laws and regulations are subject to change. The summary is intended for the information of stockholders considering how to vote and not as tax guidance to Participants in the 2004 Plan. Participants in the 2004 Plan should consult their own tax advisors as to the tax consequences of participation.

*Stock Options.* Stock Options granted under the Plan may be either ISO's or NQSO's. There are generally no Federal income tax consequences either to the option holder or to Tweeter upon the grant of a Stock Option.

On exercise of an ISO, the option holder will not recognize any income and Tweeter will not be entitled to a deduction for tax purposes, although such exercise may give rise to liability for the option holder under the

## **Table of Contents**

alternative minimum tax provisions of the Internal Revenue Code. Generally, if the option holder disposes of shares acquired upon exercise of an ISO within two years of the date of grant or one year of the date of exercise, the option holder will recognize compensation income and Tweeter will be entitled to a deduction for tax purposes in the amount of the excess of the fair market value of the shares on the date of exercise over the exercise price (or the gain on sale, if less). Any further gain realized will be taxed as capital gain and will not result in any deduction by Tweeter. Otherwise, Tweeter will not be entitled to any deduction for tax purposes upon disposition of the shares, and the entire gain for the option holder will be treated as a capital gain. Special rules apply when all or a portion of the exercise price is paid by tendering shares of Tweeter's stock.

On exercise of an NQSO, the amount by which the fair market value of the shares on the date of exercise exceeds the exercise price will generally be taxable to the option holder as compensation subject to income and payroll taxes, and will generally be deductible for tax purposes by Tweeter. The dispositions of shares of Stock acquired upon exercise of an NQSO will generally result in a capital gain or loss for the option holder with the holding period commencing on the date of the exercise, but will have no consequences for Tweeter.

*Other Awards.* With respect to awards granted under the 2004 Plan that result in the payment or issuance of cash or shares of Stock or other property that is either not restricted as to transferability or not subject to a substantial risk of forfeiture, the Participant must generally recognize ordinary income equal to the cash or the fair market value of shares of Stock or other property received on the date any such restrictions lapse. Thus, deferral of the time of payment or issuance generally will result in the deferral of the time the Participant will be liable for income taxes with respect to such payment or issuance. Tweeter generally will be entitled to a deduction in an amount equal to the ordinary income recognized by the Participant, subject to certain limits such as those set forth in Section 162(m) of the Internal Revenue Code as described below.

With respect to awards involving the issuance of shares of Stock or other property that is restricted as to transferability and subject to a substantial risk of forfeiture, the Participant generally must recognize ordinary income equal to the fair market value of the shares of Stock or other property received as of the first time the shares or other property become transferable or not subject to a substantial risk of forfeiture, whichever occurs earlier. Tweeter generally will be entitled to a deduction in an amount equal to ordinary income recognized by the Participant, subject to certain limits such as those set forth in Section 162(m) of the Internal Revenue Code as described below. A Participant may elect to be taxed at the time of the earlier receipt of shares of Stock or other property rather than upon lapse of restrictions on transferability or the substantial risk of forfeiture, but if the Participant subsequently forfeits such shares or property he or she would not be entitled to any tax deduction, including as a capital loss, for the value of the shares or property on which the Participant previously paid tax. The Participant must file such election with the Internal Revenue Service within 30 days of the receipt of the shares of Stock or other restricted property.

*Section 162(m) of the Internal Revenue Code.* Section 162(m) of the Internal Revenue Code generally disallows a public company's tax deduction for compensation to a named executive officer in excess of \$1,000,000 in any tax year. Compensation that qualifies as performance-based compensation is excluded from the \$1,000,000 deductibility cap, and therefore can be fully deductible.

*Parachute Payments.* In the event any payments or rights accruing to a Participant upon a Change in Control, or any other payments awarded under the 2004 Plan, constitute parachute payments under Section 280G of the Internal Revenue Code, depending upon the amount of such payments accruing and the other income of the Participant from Tweeter, the Participant may be subject to a 20% excise tax (in addition to ordinary income tax) on the amount of the payment that exceeds a base amount (an excess parachute payment) and Tweeter may be disallowed a deduction for the excess parachute payment.

Assuming approval by Tweeter's stockholders of the 2004 Plan, Tweeter intends to file a registration statement on Form S-8 to cover at least the initial amount of shares available under the plan.

On December 12, 2003, the last reported sales price for Tweeter's common stock on the Nasdaq National market was \$8.70 per share.

Tweeter's Board of Directors believes it is in the best interest of Tweeter and its stockholders to adopt the proposed 2004 Plan. The plan will replace the 1998 Plan, and will assist Tweeter to continue to attract and

retain key personnel and to strengthen the aligning of such personnel's interests with those of Tweeter's stockholders. A majority of the votes cast by the stockholders represented at the meeting, in person or by Proxy, is required to approve this proposal.

**Proposal 3: Approval of the Issuance of Warrants, and the Underlying Shares of Tweeter Common Stock, to RetailMasters, LLC**

**RetailMasters Overview**

In May 2003, Tweeter Home Entertainment Group engaged RetailMasters, LLC (RetailMasters), a consulting organization composed mostly of former Best Buy senior executives and created *FOUNDATIONS for WINNING*. *FOUNDATIONS for WINNING* is our internal initiative to provide Tweeter with best practices in several areas including Supply Chain, Sales Development, and store level operating disciplines. Our goal is to become "best in class" in these areas. Simultaneously, the team will be working to move Tweeter's portfolio of products and services toward a stronger role in the digital era.

We believe that RetailMasters' experience with, and exposure to, best retail practices on a national level will provide Tweeter with a unique opportunity to create rapid organization and operational improvements. Tweeter associates, at many levels of the company, are being exposed to knowledge and disciplines previously not available to them.

Our goals for Tweeter's alliance with RetailMasters is to have RetailMasters focused on the creation of stockholder value in a manner similar to the focus of our senior management team.

## **Table of Contents**

### **RetailMasters Compensation**

#### ***Consulting Fees***

Currently, RetailMasters charges Tweeter, for consulting services rendered, at the rate of \$235,000 per each month of the term, which we believe is approximately 75% of prevailing market rates for comparable at large consultants.

#### ***Gainshare***

RetailMasters will be entitled to earn gainshare or bonuses based upon Tweeter's achieving agreed-upon improvements in Tweeter's operating income over existing baseline expectations, as summarized below.

RetailMasters will be eligible to earn an annual performance bonus (the Bonus) payable on the earlier of December 10th or ten days after Tweeter announces earnings for each fiscal year during the term of the agreement, and the first year after the end of the term, as follows: (i) an amount equal to twenty-five percent (25%) of consulting fees paid for the fiscal year, if Tweeter's revenue has met Tweeter's budget for the fiscal year then ending; (ii) an additional one hundred thousand dollars (\$100,000) if the pretax earnings of Tweeter exceed the budgeted pretax earnings by one million dollars (\$1,000,000); and (iii) one hundred fifty thousand dollars (\$150,000) for each subsequent one million dollars (\$1,000,000) above the first one million dollars (\$1,000,000) in pretax earnings of Tweeter above the budgeted pretax earnings. The aggregate of all Bonuses paid under the agreement may not exceed one hundred percent (100%) of the cumulative consulting fees paid during the term.

#### ***Equity Participation***

As part of the payment for the consulting services rendered by RetailMasters, we are issuing RetailMasters warrants to purchase Tweeter common stock as follows:

(i) Warrants with an exercise price of \$8.00 per share for 239,145 shares of Tweeter's common stock that will be exercisable for a period of three years from the date of stockholder approval; (ii) warrants with an exercise price of \$11.00 per share for 239,145 shares of Tweeter's common stock that will be exercisable for a period of four years from the date of stockholder approval; (iii) warrants with an exercise price of \$14.00 per share for 239,145 shares of Tweeter's common stock that will be exercisable for a period of five years from the date of stockholder approval; and (iv) warrants with an exercise price of \$17.00 per share for 239,145 shares of Tweeter's common stock that will be exercisable for a period of six years from the date of stockholder approval.

As required by Nasdaq rules, we are seeking approval for issuance of the warrants and the shares of Tweeter common stock for which the warrants are exercisable. A majority of the votes cast by the stockholders represented at the meeting, in person or by proxy, is required to approve this proposal.

### ***Audit Committee Report***

The Audit Committee, (the Committee), of the Board of Directors, composed entirely of independent directors (as independence is defined in Rule 4200(a)(15) of the Nasdaq Stock Market Marketplace Rules), met four times during the fiscal year 2003. The purpose of the Audit Committee is to oversee the accounting and financial reporting processes of the company and the audits of the financial statements of the company. The full responsibilities of the Committee are set forth in its charter, which is reviewed and updated annually and approved by the board, and is attached hereto as Appendix A.

In fulfilling its responsibilities, the Committee appointed, subject to stockholder approval, Deloitte & Touche LLP as the company's outside auditors. In making this decision, the Committee:

Discussed with the auditors the matters to be discussed by SAS 61 (Codification of Statements on Auditing Standards, AU Section 380), as may be modified or supplemented;

Received the written disclosures and the letter from the auditors required by Independence Standards Board Standard No. 1 (Independence Standards Board Standard No. 1, Independence Discussions

**Table of Contents**

with Audit Committee), as may be modified or supplemented, and discussed with the auditors the auditors' independence;

Discussed the overall audit process, receiving and reviewing all reports;

Involved the auditors in the Committee's review of Tweeter's financial statements and related reports with management;

Provided to the auditors full access to the Committee (and the Board) to report on any and all appropriate matters;

Discussed with the independent auditors all matters required to be reviewed by generally accepted auditing standards; and

Conducted an assessment of the competence and qualification of Deloitte & Touche LLP to serve as Tweeter's auditors.

The Committee met with selected members of management and the auditors to review financial statements (including quarterly reports), discussing such matters as the quality of earnings; estimates, reserves and accruals; suitability of accounting principles; highly judgmental areas; and audit adjustments whether or not recorded.

In addition, the Committee considered the quality and adequacy of the company's internal controls and the status of pending litigation, taxation matters and other areas of oversight to the financial reporting and audit process that the Committee felt appropriate.

Based on the review and discussions referred to above, the Committee recommended to the Board that the audited financial statements be included in Tweeter's Annual Report on Form 10-K for the fiscal year ended September 30, 2003. Subsequent to such recommendation, the Board approved such Annual Report on Form 10-K for filing with the Securities and Exchange Commission.

The report and opinion of Deloitte & Touche LLP are filed separately in Tweeter's Annual Report on Form 10-K and should be read in conjunction with the information contained in this section of the proxy Statement and the review of the audited financial statements.

Based upon its work and the information received in the inquiries outlined above, the Committee is satisfied that its responsibilities under its charter for the period ending September 30, 2003 were met and that the financial reporting and audit processes of the company are functioning effectively.

**SECTION 2.**

**ADMINISTRATION OF PLAN;**

**ADMINISTRATOR AUTHORITY TO SELECT PARTICIPANTS AND DETERMINE AWARDS**

(a) *Committee.* The Plan shall be administered by a Committee of not fewer than two (2) Non-employee Directors (the Administrator). Each member of the Committee shall be a non-employee director within the meaning of Rule 16b-3(b)(3)(i) promulgated under the Exchange Act, or any successor definition. Each member of the Committee shall also be an outside director within the meaning of Section 162(m) of the Code and the regulations (including temporary and proposed regulations) promulgated thereunder. In addition, each member of the Committee shall meet the then applicable requirements and criteria of the Nasdaq Stock Market (or other market on which the Stock then trades) for qualification as an independent director.

(b) *Powers of Administrator.* The Administrator shall have the power and authority to grant Awards consistent with the terms of the Plan, including the power and authority:

(i) to select the individuals to whom Awards may from time to time be granted;

(ii) to determine the time or times of grant, and the extent, if any, of Incentive Stock Options, Non-Qualified Stock Options, Restricted Stock Awards, Deferred Stock Awards, Performance Share Awards, Performance Unit Awards, Warrants and Common Stock in Lieu of Cash Compensation Awards or any combination of the foregoing, granted to any one or more participants;

(iii) to determine the number of shares of Stock to be covered by any Award;

(iv) to determine and modify from time to time the terms and conditions, including restrictions, not inconsistent with the terms of the Plan, of any Award, which terms and conditions may differ among individual Awards and participants, and to approve the form of written instruments evidencing the Awards;

(v) to accelerate at any time the exercisability or vesting of all or any portion of any Award;

(vi) subject to the provisions of Section 5(a)(iii), to extend at any time the post-termination period in which Stock Options may be exercised;

(vii) to determine at any time whether, to what extent, and under what circumstances Stock and other amounts payable with respect to an Award shall be deferred either automatically or at the election of the participant and whether and to what extent the Company shall pay or credit amounts constituting deemed interest (at rates determined by the Administrator) or dividends or deemed dividends on such deferrals; and

**Table of Contents**

(viii) at any time to adopt, alter and repeal such rules, guidelines and practices for administration of the Plan and for its own acts and proceedings as the Administrator shall deem advisable; to interpret the terms and provisions of the Plan and any Award (including related written instruments); to make all determinations it deems advisable for the administration of the Plan; to decide all disputes arising in connection with the Plan; and to otherwise supervise the administration of the Plan.

All decisions and interpretations of the Administrator shall be made in the Administrator's sole and absolute discretion and shall be final and binding on all persons, including the Company and Plan participants.

(c) *Delegation of Authority to Grant Awards.* The Administrator may delegate to the Chief Executive Officer and/or the President of the Company (provided that such officer is a member of the Board of Directors) all or part of the Administrator's authority and duties with respect to Awards, including the granting thereof, to individuals who are not subject to the reporting and other provisions of Section 16 of the Exchange Act or covered employees within the meaning of Section 162(m) of the Code, provided, however, that the number of shares of Stock underlying Awards made by the Chief Executive Officer and the President shall not exceed, in the aggregate, ten percent (10%) of the number of shares of Stock available for issuance under the Plan.

**SECTION 3.**

**STOCK ISSUABLE UNDER THE PLAN; TERM OF PLAN;**

**RECAPITALIZATIONS; MERGERS; SUBSTITUTE AWARDS**

(a) *Stock Issuable.* The maximum number of shares of Stock reserved and available for issuance under the Plan initially shall be 3,000,000. In addition, (a) as Awards consisting of Stock Options are exercised, the shares of Stock underlying such previously outstanding portion of the Award shall be added back to the Shares available for issuance under the Plan; provided, however, that this amount shall not exceed 100,000 shares of Stock in any given year; and (b) if any portion of an Award is forfeited, cancelled, satisfied without the issuance of Stock or otherwise terminated, the shares of Stock underlying such portion of the Award shall be added back to the shares of Stock available for issuance under the Plan. Subject to such overall limitation, shares of Stock may be issued up to such maximum number pursuant to any type or types of Award; provided, however, that an individual recipient can receive Stock Options with respect to no more than 625,000 shares of Stock during any one calendar year. The shares available for issuance under the Plan may be authorized but unissued shares of Stock or shares of Stock reacquired by the Company.

(b) *Term of Plan.* No Awards shall be made after June 1, 2009. Notwithstanding the foregoing, Stock Options granted hereunder may, except as otherwise expressly provided herein, be exercisable for up to five years after the date they become exercisable.

(c) *Recapitalizations.* Subject to the provisions of Section 15, if, through or as a result of any merger, consolidation, sale of all or substantially all of the assets of the Company, reorganization, recapitalization, reclassification, stock dividend, stock split, reverse stock split or other similar transaction, the outstanding shares of Stock are increased or decreased or are exchanged for a different number or kind of shares or other securities of the Company, or additional shares or new or different shares or other securities of the Company or other non-cash assets are distributed with respect to such shares of Stock or other securities, the Administrator may make an appropriate or proportionate adjustment in (i) the maximum number of shares reserved for issuance under the Plan, (ii) the number of Stock Options that can be granted to any one individual participant, (iii) the number and kind of shares or other securities subject to any then outstanding Awards under the Plan, and (iv) the price for each share subject to any then outstanding Stock Options under the Plan, without changing the aggregate exercise price (*i.e.*, the exercise price multiplied by the total number of Stock Options) as to which such Stock Options remain exercisable. The adjustment by the Administrator shall be final, binding and conclusive. No fractional shares of Stock shall be issued under the Plan resulting from any such adjustment, but the Administrator in its discretion may make a cash payment in lieu of fractional shares.

**Table of Contents**

(d) *Substitute Awards.* The Administrator may grant Awards under the Plan in substitution for stock and stock based awards held by employees of another corporation who become employees of the Company or a Subsidiary as the result of a merger or consolidation of the employing corporation with the Company or a Subsidiary or the acquisition by the Company or a Subsidiary of property or stock of the employing corporation. The Administrator may direct that the substitute awards be granted on such terms and conditions as the Administrator considers appropriate in the circumstances.

**SECTION 4.**

**ELIGIBILITY**

Participants in the Plan will be such full or part-time officers and other employees, Non-employee Directors and key personnel (including independent contractors, consultants and other non-employees) of the Company and the Company's Subsidiaries who are responsible for or contribute to the management, growth or profitability of the Company and the Company's Subsidiaries as are selected from time to time by the Administrator in its sole discretion.

**SECTION 5.**

**STOCK OPTIONS**

Any Stock Option granted under the Plan shall be in such form as the Administrator may from time to time approve. Stock Options granted under the Plan may be either Incentive Stock Options or Non-Qualified Stock Options. Incentive Stock Options may be granted only to employees of the Company or any Subsidiary that is a subsidiary corporation within the meaning of Section 424(f) of the Code. To the extent that any Option does not qualify as an Incentive Stock Option, it shall be a Non-Qualified Stock Option.

(a) *Stock Options Granted to Employees and Key Personnel.* The Administrator in its discretion may grant Stock Options to eligible employees and key personnel of the Company or any Subsidiary. Stock Options granted pursuant to this Section 5(a) shall be subject to the following terms and conditions and shall contain such additional terms and conditions, not inconsistent with the terms of the Plan, as the Administrator shall deem desirable. If the Administrator so determines, Stock Options may be granted in lieu of cash compensation at the participant's election, subject to such terms and conditions as the Administrator may establish, as well as in addition to other compensation.

(i) *Exercise Price.* The exercise price per share for the Stock covered by a Stock Option granted pursuant to this Section 5(a) shall be determined by the Administrator at the time of grant but shall not be less than 100% of the Fair Market Value on the date of grant. If an employee owns or is deemed to own (by reason of the attribution rules of Section 424(d) of the Code) more than 10% of the combined voting power of all classes of stock of the Company or any parent or subsidiary corporation and an Incentive Stock Option is granted to such employee, the option price of such Incentive Stock Option shall be not less than 110% of the Fair Market Value on the grant date. In no event shall the exercise price per share for the Stock covered by a Stock Option be lowered through the technique commonly referred to as repricing.

(ii) *Option Term.* The term of each Stock Option shall be fixed by the Administrator, but no Incentive Stock Option shall be exercisable more than ten years after the date the option is granted. If an employee owns or is deemed to own (by reason of the attribution rules of Section 424(d) of the Code) more than 10% of the combined voting power of all classes of stock of the Company or any parent or subsidiary corporation and an Incentive Stock Option is granted to such employee, the term of such option shall be no more than five years from the date of grant.

(iii) *Exercisability; Rights of a Stockholder.* Stock Options shall become exercisable at such time or times, whether or not in installments, as shall be determined by the Administrator at or after the grant date; provided, however, that (A) Stock Options granted in lieu of compensation shall be exercisable in full as of the grant date unless the Administrator otherwise provides in the Award

**Table of Contents**

agreement, and (B) all Stock Options must be exercised within five (5) years of the date they become exercisable or they shall automatically expire, and provided further that (1) no holder of a Stock Option may exercise any Stock Options during any period in which such person is in breach of any noncompetition agreement or covenant such person has with the Company, and (2) if any such holder fails to cure any such breach within thirty (30) days of written notice thereof, all Stock Options held by such person shall thereupon be forfeited. The Administrator may at any time accelerate the exercisability of all or any portion of any Stock Option. An optionee shall have the rights of a stockholder only as to shares acquired upon the exercise of a Stock Option and not as to unexercised Stock Options.

(iv) *Method of Exercise.* Stock Options may be exercised in whole or in part, by giving written notice of exercise to the Company, specifying the number of shares to be purchased. Payment of the purchase price may be made by one or more of the following methods to the extent provided in the Option Award agreement:

(A) In cash, by certified or bank check or other instrument acceptable to the Administrator;

(B) In the form of shares of Stock that are not then subject to restrictions under any Company plan and that have been beneficially owned by the optionee for at least six months, if permitted by the Administrator in its discretion. Such surrendered shares shall be valued at Fair Market Value on the exercise date; or

(C) By the optionee delivering to the Company a properly executed exercise notice together with irrevocable instructions to a broker to promptly deliver to the Company cash or a check payable and acceptable to the Company to pay the purchase price; provided that the payment method described in this Section 5(a)(iv)(C) shall not be available to an optionee who is subject to the reporting and other provisions of Section 16 of the Exchange Act unless the Company has obtained the written advice of legal counsel that use of such procedure does not violate the loan prohibitions of the Sarbanes-Oxley Act of 2002; and provided further, that in the event the optionee chooses to pay the purchase price as so authorized, the optionee and the broker shall comply with such procedures and enter into such agreements of indemnity and other agreements as the Administrator shall prescribe as a condition of such payment procedure.

The actual or constructive delivery of certificates representing the shares of Stock to be purchased pursuant to the exercise of a Stock Option will be contingent upon receipt from the optionee (or a purchaser acting in his stead in accordance with the provisions of the Stock Option) by the Company of the full purchase price for such shares and the fulfillment of any other requirements contained in the Stock Option or applicable provisions of laws.

(b) *Annual Limit on Incentive Stock Options.* To the extent required for incentive stock option treatment under Section 422 of the Code, the aggregate Fair Market Value (determined as of the time of grant) of the shares of Stock with respect to which Incentive Stock Options granted under this Plan and any other plan of the Company or its parent and subsidiary corporations become exercisable for the first time by an optionee during any calendar year shall not exceed \$100,000. To the extent that any Stock Option exceeds this limit, it shall constitute a Non-Qualified Stock Option.

(c) *Non-transferability of Options.* Except as otherwise set forth in the following sentence, no Stock Option shall be transferable by the optionee other than by will or by the laws of descent and distribution and all Stock Options shall be exercisable, during the optionee's lifetime, only by the optionee. Notwithstanding the foregoing, an optionee may transfer his Non-Qualified Stock Options, without consideration for the transfer, to members of his family, to trusts for the benefit of such family members, or to partnerships in which such family members are the only partners, provided that the transferee agrees in writing with the Company to be bound by all of the terms and conditions of this Plan and the applicable Option agreement.

**Table of Contents**

(d) *Termination.* Except as may otherwise be provided by the Administrator either in the Award agreement or, subject to Section 13 below, in writing after the Award agreement is issued, an optionee's rights in all Stock Options shall automatically terminate sixty (60) days following optionee's termination of employment (or cessation of business relationship) with the Company and its Subsidiaries for any reason. Notwithstanding the foregoing, if an Incentive Stock Option optionee ceases to be employed by the Company and the Company's Subsidiaries by reason of his death, or if the employee dies within the thirty (30) day period after the employee ceases to be employed by the Company and the Company's Subsidiaries, any Incentive Stock Options of his may be exercised, to the extent of the number of shares with respect to which he could have exercised it on the date of his death, by his estate, personal representative or beneficiary who has acquired the Incentive Stock Options by will or by the laws of descent and distribution, at any time prior to the earlier of the specified expiration date of the Incentive Stock Options or one hundred and eighty (180) days from the date of such optionee's death. Additionally, if an Incentive Stock Option optionee ceases to be employed by the Company and the Company's Subsidiaries by reason of his disability, he shall have the right to exercise any Incentive Stock Options held by him on the date of termination of employment, to the extent of the number of shares with respect to which he could have exercised it on that date, at any time prior to the earlier of the specified expiration date of the Incentive Stock Options or one (1) year from the date of the termination of the optionee's employment. For the purposes of the Plan, the term "disability" shall mean "permanent and total disability" as defined in Section 22(e)(3) of the Code or successor statute.

(e) *Notice to Company of Disqualifying Disposition.* Each employee who receives an ISO must agree to notify the Company in writing immediately after the employee makes a Disqualifying Disposition of any Stock acquired pursuant to the exercise of an ISO. A Disqualifying Disposition is any disposition (including any sale) of such Stock before the later of:

- (i) two years after the date the employee was granted the ISO, or
- (ii) one year after the date the employee acquired Stock by exercising the ISO. If the employee has died before such stock is sold, these holding period requirements do not apply and no Disqualifying Disposition can occur thereafter.

**SECTION 6.**

**RESTRICTED STOCK AWARDS**

(a) *Nature of Restricted Stock Awards.* A Restricted Stock Award is an Award entitling the recipient to acquire, at par value or such other higher purchase price determined by the Administrator, shares of Stock subject to such restrictions and conditions as the Administrator may determine at the time of grant ("Restricted Stock"). Conditions may be based on continuing employment (or other business relationship) and/or achievement of pre-established performance goals and objectives. The grant of a Restricted Stock Award is contingent on the participant executing the Restricted Stock Award agreement. The terms and conditions of each such agreement shall be determined by the Administrator, and such terms and conditions may differ among individual Awards and participants.

(b) *Rights as a Stockholder.* Upon execution of the Restricted Stock Award agreement and paying any applicable purchase price, a participant shall have the rights of a stockholder with respect to the voting of the Restricted Stock, subject to such terms and conditions as may be contained in the Restricted Stock Award agreement. Unless the Administrator shall otherwise determine, certificates evidencing the Restricted Stock shall remain in the possession of the Company until such Restricted Stock is vested as provided in Section 6(d) below, and the participant shall be required, as a condition of the grant, to deliver to the Company a stock power endorsed in blank.

(c) *Restrictions.* Restricted Stock may not be sold, assigned, transferred, pledged or otherwise encumbered or disposed of except as specifically provided herein or in the Restricted Stock Award agreement. Except as may otherwise be provided by the Administrator either in the Award agreement or, subject to Section 13 below, in writing after the Award agreement is issued, if a participant's employment (or other

## **Table of Contents**

business relationship) with the Company and its Subsidiaries terminates for any reason, the Company shall have the right to repurchase Restricted Stock that has not vested at the time of termination at its original purchase price (which may be zero), from the participant or the participant's legal representative.

(d) *Vesting of Restricted Stock.* The Administrator at the time of grant shall specify the date or dates and/or the attainment of pre-established performance goals, objectives and other conditions on which the non-transferability of the Restricted Stock and the Company's right of repurchase or forfeiture shall lapse, provided, however, that any Awards of Restricted Stock that vest solely on the basis of continuing employment (or other business relationship) shall be subject to a five (5) year period of vesting, in equal installments, subject, however, at the Administrator's discretion, to accelerated vesting upon the achievement of specified performance goals. Subsequent to such date or dates and/or the attainment of such pre-established performance goals, objectives and other conditions, the shares on which all restrictions have lapsed shall no longer be Restricted Stock and shall be deemed vested. Except as may otherwise be provided by the Administrator either in the Award agreement or, subject to Section 13 below, in writing after the Award agreement is issued, a participant's rights in any shares of Restricted Stock that have not vested shall automatically terminate upon the participant's termination of employment (or other business relationship) with the Company and its Subsidiaries and such shares shall be subject to the Company's right of repurchase as provided in Section 6(c) above.

(e) *Waiver, Deferral and Reinvestment of Dividends.* The Restricted Stock Award agreement may require or permit the immediate payment, waiver, deferral or reinvestment (in the form of additional Restricted Stock) of dividends paid on the Restricted Stock.

(f) *Limit on Restricted Stock Awards.* No more than 500,000 of the shares of Stock initially reserved for issuance under the Plan may be used for Restricted Stock Awards. In addition, to the extent that shares of Stock are used for Deferred Stock Awards, they shall reduce (on a share-for-share basis) such number of shares available for Restricted Stock Awards.

## **SECTION 7.**

### **PERFORMANCE SHARE AWARDS**

(a) *Nature of Performance Share Awards.* A Performance Share Award is an Award entitling the recipient to acquire shares of Stock upon the attainment of specified long-term performance goals over a specified period of three to five years. The Administrator may make Performance Share Awards independent of or in connection with the granting of any other Award under the Plan. The Administrator in its sole discretion shall determine whether and to whom Performance Share Awards shall be made, the performance goals applicable under each such Award, the periods during which performance is to be measured, and all other limitations and conditions applicable to the awarded Performance Shares; provided, however, that the Administrator may rely on the performance goals and other standards applicable to other performance unit plans of the Company in setting the standards for Performance Share Awards under the Plan.

(b) *Rights as a Stockholder.* A participant receiving a Performance Share Award shall have the rights of a stockholder only as to shares actually received by the participant under the Plan and not with respect to shares subject to the Award but not actually received by the participant. A participant shall be entitled to receive a stock certificate evidencing the acquisition of shares of Stock under a Performance Share Award only upon satisfaction of all conditions specified in the written instrument evidencing the Performance Share Award (or in a performance plan adopted by the Administrator).

(c) *Termination.* Except as may otherwise be provided by the Administrator either in the Award agreement or, subject to Section 13 below, in writing after the Award agreement is issued, a participant's rights in all Performance Share Awards shall automatically terminate upon the participant's termination of employment (or cessation of business relationship) with the Company and its Subsidiaries for any reason.

(d) *Acceleration, Waiver, Etc.* At any time prior to the participant's termination of employment (or other business relationship) by the Company and its Subsidiaries, the Administrator may in its sole discretion

**Table of Contents**

accelerate, waive or, subject to Section 13, amend any or all of the goals, restrictions or conditions imposed under any Performance Share Award.

(e) *Limit on Performance Share Awards.* No more than 200,000 of the shares of Stock initially reserved for issuance under the Plan may be used for Performance Share Awards.

**SECTION 8.**

**PERFORMANCE UNIT AWARDS**

(a) *Nature of Performance Unit Awards.* A Performance Unit Award is an Award of units with a specified dollar value, the payment of which shall be contingent upon the recipient's attainment of specified long-term performance goals over a specified period of three to five years. Payment of the Awards may be in the form of cash compensation or shares of Stock. The Administrator may make Performance Unit Awards independent of or in connection with the granting of any other Award under the Plan. The Administrator in its sole discretion shall determine whether and to whom Performance Unit Awards shall be made, the performance goals applicable under each such Award, the periods during which performance is to be measured, and all other limitations and conditions applicable to the awarded Performance Units; provided, however, that the Administrator may rely on the performance goals and other standards applicable to other performance unit plans of the Company in setting the standards for Performance Unit Awards under the Plan.

(b) *Rights as a Stockholder.* A participant receiving a Performance Unit Award payable in shares of Stock shall have the rights of a stockholder only as to shares actually received by the participant under the Plan and not with respect to shares subject to the Award but not actually received by the participant. A participant shall be entitled to receive a stock certificate evidencing the acquisition of shares of Stock under a Performance Unit Award only upon satisfaction of all conditions specified in the written instrument evidencing the Performance Unit Award (or in a performance plan adopted by the Administrator).

(c) *Termination.* Except as may otherwise be provided by the Administrator either in the Award agreement or, subject to Section 13 below, in writing after the Award agreement is issued, a participant's rights in all Performance Unit Awards shall automatically terminate upon the participant's termination of employment (or cessation of business relationship) with the Company and its Subsidiaries for any reason.

(d) *Acceleration, Waiver, Etc.* At any time prior to the participant's termination of employment (or other business relationship) by the Company and its Subsidiaries, the Administrator may in its sole discretion accelerate, waive or, subject to Section 13, amend any or all of the goals, restrictions or conditions imposed under any Performance Unit Award.

(e) *Limit on Performance Unit Awards.* No more than 550,000 of the shares of Stock initially reserved for issuance under the Plan may be used for Performance Unit Awards.

**SECTION 9.**

**DEFERRED STOCK AWARDS**

(a) *Nature of Deferred Stock Awards.* A Deferred Stock Award is an Award of a right to receive shares of Stock at the end of a specified deferral period. The Administrator in its sole discretion shall determine the persons to whom and the time or times at which Deferred Stock Awards will be made, the number of shares of Stock covered by any Deferred Stock Award, the duration of the period (the *Deferral Period*) prior to which the Stock will be delivered, and the restrictions and other conditions under which receipt of the Stock will be deferred and any other terms and conditions of the Deferred Stock Awards. The Administrator may condition a Deferred Stock Award upon the attainment of specified performance goals by the participant or by the Company or a Subsidiary, including a division or department of the Company or a Subsidiary for or within which the participant is primarily employed, or upon such other factors or criteria as the Administrator shall determine. The provisions of Deferred Stock Awards need not be the same with respect to any participant.

**Table of Contents**

The Administrator may make Deferred Stock Awards independent of or in connection with the granting of any other Award under the Plan.

(b) *Terms and Conditions.* Deferred Stock Awards shall be subject to the following terms and conditions:

(1) *Limitations on Transferability.* Except as otherwise provided in an agreement with a participant, Deferred Stock Awards, or any interest therein, may not be sold, assigned, transferred, pledged or otherwise encumbered during the Deferral Period. At the expiration of the Deferral Period (or Elective Deferral Period as defined in Section 9(b)(4), where applicable), the Administrator shall deliver Stock to the participant for the shares of Stock covered by the Deferred Stock Award.

(2) *Rights.* Unless otherwise determined by the Administrator and the applicable agreement with a participant, cash dividends on the Stock that is the subject of the Deferred Stock Award shall be automatically deferred and reinvested in an additional Deferred Stock Award with respect to the same class as the Stock on which such dividend was payable, and dividends on the Stock that is the subject of the Deferred Stock Award payable in Stock shall be awarded in the form of a Deferred Stock Award with respect to the same class as the Stock on which such dividend was payable.

(3) *Acceleration and Waiver.* Based on such factors or criteria as the Administrator may determine, the Administrator may provide for the lapse of restrictions, conditions or deferral limitations in installments and may accelerate the vesting of all or any part of any Deferred Stock Award and waive such remaining restrictions, conditions or deferral limitations for all or any part of such Deferred Stock Award.

(4) *Election.* A participant may elect further to defer receipt of the shares of Stock payable under a Deferred Stock Award (or an installment thereof) for a specified period or until a specified event (an Elective Deferral Period), subject in each case to the Administrator's approval and to such terms as are determined by the Administrator. Subject to any exceptions adopted by the Administrator, such election must be made at least one (1) year prior to completion of the Deferral Period for the Deferred Stock Award (or of the applicable installment thereof).

(c) *Rights as a Stockholder.* A participant receiving a Deferred Stock Award shall have the rights of a stockholder only as to shares actually received by the participant under the Plan and not with respect to shares subject to the Award but not actually received by the participant. A participant shall be entitled to receive a stock certificate evidencing the acquisition of shares of Stock under a Deferred Stock Award only upon satisfaction of all conditions specified in the written instrument evidencing the Deferred Stock Award.

(d) *Termination.* Except as may otherwise be provided by the Administrator either in the Deferred Stock Award agreement or, subject to Section 13 below, in writing after the Deferred Stock Award agreement is issued, a participant's rights in all Deferred Stock Awards shall automatically terminate upon the participant's termination of employment (or cessation of business relationship) with the Company and its Subsidiaries for any reason.

(e) *Limit on Deferred Stock Awards.* No more than 500,000 of the shares of Stock initially reserved for issuance under the Plan may be used for Deferred Stock Awards. In addition, to the extent that shares of Stock are used for Restricted Stock Awards, they shall reduce (on a share-for-share basis) such number of shares available for Deferred Stock Awards.

**SECTION 9A.**

**WARRANTS**

(a) *Nature of Warrants.* A Warrant is an Award entitling the recipient to acquire shares of Stock upon exercise of the Warrant for a specific purchase price per share. The Administrator may make Warrant Awards independent of or in connection with the granting of any other Award under the Plan. The Administrator in its sole discretion shall determine whether and to whom Warrant Awards shall be made, the

## **Table of Contents**

exercisability and method of exercise applicable to each such Warrant Award, and all other limitations and conditions applicable to the awarded Warrants.

(b) *Rights as a Stockholder.* A participant receiving a Warrant Award shall have the rights of a stockholder only as to shares actually received by the participant under the Plan and not with respect to shares subject to the Award but not actually received by the participant. A participant shall be entitled to receive a stock certificate evidencing the acquisition of shares of Stock under a Warrant Award only upon satisfaction of all conditions specified in the written instrument evidencing the Warrant Award.

(c) *Termination.* Except as may otherwise be provided by the Administrator either in the Award agreement or, subject to Section 13 below, in writing after the Award agreement is issued, a participant's rights in all Warrant Awards shall automatically terminate upon the participant's termination of employment (or cessation of business relationship) with the Company and its Subsidiaries for any reason.

(d) *Acceleration, Waiver, Etc.* At any time prior to the participant's termination of employment (or other business relationship) by the Company and its Subsidiaries, the Administrator may in its sole discretion accelerate, waive or, subject to Section 13, amend any or all of the restrictions or conditions imposed under any Warrant Award.

(e) *Limit on Warrant Awards.* No more than 100,000 of the shares of Stock initially reserved for issuance under the Plan may be used for Warrant Awards.

### **SECTION 9B.**

#### **COMMON STOCK IN LIEU OF CASH COMPENSATION AWARDS**

(a) *Grants of Common Stock Payable in Lieu of Cash.* The Administrator may grant shares of Stock available for issuance under the Plan to an eligible participant in lieu of cash compensation earned by the participant under a short- or long-term incentive plan of the Company (an Other Incentive Plan), provided, however, that the award made under the Other Incentive Plan allows for satisfaction of such award by payment of Stock in lieu of cash compensation. In the event of a grant of shares of Stock in lieu of cash compensation, such grant shall be conditioned upon the participant's irrevocable election to waive receipt of all or a portion of the cash compensation otherwise payable, which waiver shall constitute payment in full by such participant for the shares of Stock granted in lieu of such cash compensation. All shares of Stock granted under this Section 9B shall be without restriction other than any restrictions imposed by applicable federal and state securities laws.

(b) *Date of Grant.* Stock granted in lieu of cash compensation shall be granted to each participant on the date the waived cash compensation would otherwise be paid.

(c) *Number of Shares.* The number of shares of Stock granted in lieu of cash compensation shall be determined by dividing the amount of the waived cash compensation by the Fair Market Value of the Stock on the date the Stock is granted. Such Stock shall be granted for the whole number of shares so determined; the value of any fractional share shall be paid in cash.

### **SECTION 10.**

#### **NON-EMPLOYEE DIRECTOR STOCK OPTION PROGRAM**

Each person who is elected as a Non-employee Director shall be granted, on the date of his or her initial election and annually thereafter, a Non-Qualified Stock Option to acquire such number of shares of Stock as may be determined by the Administrator with an exercise price per share for the Stock covered by such Stock Option at least equal to the Fair Market Value on the date as of which the Stock Option is granted. Such Stock Options shall become exercisable as may be determined by the Administrator, provided that all Stock Options granted under this Section 10 shall expire if not exercised within five (5) years after they become exercisable. Stock Options granted under this Section 10 may be exercised only by written notice to the Company specifying the number of shares to be purchased. Payment of the full purchase price of the shares to

**Table of Contents**

be purchased may be made by one or more of the methods specified in Section 5(a)(iv). An optionee shall have the rights of a stockholder only as to shares acquired upon the exercise of a Stock Option and not as to unexercised Stock Options.

**SECTION 11.**

**TAX WITHHOLDING**

(a) *Payment by Participant.* Each participant shall, no later than the date as of which the value of an Award or of any Stock or other amounts received thereunder first becomes includable in the gross income of the participant for Federal income tax purposes, pay to the Company, or make arrangements satisfactory to the Administrator regarding payment of, any Federal, state, or local taxes of any kind required by law to be withheld with respect to such income. The Company and its Subsidiaries shall, to the extent permitted by law, have the right to deduct any such taxes from any payment of any kind otherwise due to the participant. The Company's obligation to deliver stock certificates to any participant is subject to and conditioned on tax obligations being satisfied by the participant.

(b) *Payment in Stock.* Subject to approval by the Administrator, a participant may elect to have such tax withholding obligation satisfied, in whole or in part, by (i) authorizing the Company to withhold from shares of Stock to be issued pursuant to any Award a number of shares with an aggregate Fair Market Value (as of the date the withholding is effected) that would satisfy the required statutory minimum (but no more than such required minimum) with respect to the Company's withholding obligation, or (ii) transferring to the Company shares of Stock owned by the participant with an aggregate Fair Market Value (as of the date the withholding is effected) that would satisfy the required statutory minimum (but no more than such required minimum) with respect to the Company's withholding obligation.

**SECTION 12.**

**TRANSFER, LEAVE OF ABSENCE, ETC.**

For purposes of the Plan, the following events shall not be deemed a termination of employment:

(a) a transfer to the employment of the Company from a Subsidiary or from the Company to a Subsidiary, or from one Subsidiary to another; or

(b) an approved leave of absence for military service or sickness, or for any other purpose approved by the Company, if the employee's right to re-employment is guaranteed either by a statute or by contract or under the written policy pursuant to which the leave of absence was granted or if the Administrator otherwise so provides in writing.

**SECTION 13.**

**AMENDMENTS AND TERMINATION**

The Board may, at any time, amend or discontinue the Plan, and the Administrator may, at any time, amend or cancel any outstanding Award for the purpose of satisfying changes in law or for any other lawful purpose, but no such action shall adversely affect rights under any outstanding Award without the holder's written consent. The Administrator may provide substitute Awards at the same or reduced exercise or purchase price or with no exercise or purchase price in a manner not inconsistent with the terms of the Plan, but such price, if any, must satisfy the requirements which would apply to the substitute or amended Award if it were then initially granted under this Plan, but no such action shall adversely affect rights under any outstanding Award without the holder's written consent. If and to the extent determined by the Administrator to be required by (a) the Code to ensure that Incentive Stock Options granted under the Plan are qualified under Section 422 of the Code or ensure that compensation earned under Stock Options granted under the Plan qualifies as performance-based compensation under Section 162(m) of the Code, if and to the extent intended to so qualify, or (b) the rules of the Nasdaq Stock Market, Plan amendments shall be subject to

approval by the Company's stockholders entitled to vote at a meeting of stockholders. Nothing in this Section 13 shall limit the Board's authority to take any action permitted pursuant to Section 3(c) or 3(d).

**SECTION 14.**

**STATUS OF PLAN**

Unless the Administrator shall otherwise expressly determine in writing, with respect to the portion of any Award which has not been exercised and any payments in cash, Stock or other consideration not received by a participant, a participant shall have no rights greater than those of a general creditor of the Company. In its sole discretion, the Administrator may authorize the creation of trusts or other arrangements to meet the Company's obligations to deliver Stock or make payments with respect to Awards hereunder, provided that the existence of such trusts or other arrangements is consistent with the foregoing sentence.

**SECTION 15.**

**CHANGE OF CONTROL AND MERGER PROVISIONS**

(a) In contemplation of and subject to the consummation of a consolidation or merger or sale of all or substantially all of the assets of the Company in which outstanding shares of Stock are exchanged for securities, cash or other property of an unrelated corporation or business entity or in the event of a liquidation or dissolution of the Company or in the event of a corporate reorganization of the Company (in each case, a Transaction), the Board, or the Board of Directors of any corporation or other entity assuming the obligations of the Company, may, in its discretion, take any one or more of the following actions, as to outstanding Awards: (i) provide that such Awards shall be assumed or equivalent awards shall be substituted, by the acquiring or succeeding corporation or other entity (or an affiliate thereof), and/or (ii) upon written notice to the participants, provide that all Awards will terminate immediately prior to the consummation of the Transaction. In the event that, pursuant to clause (ii) above, Awards will terminate immediately prior to the consummation of the Transaction, all vested Awards, other than Options, shall be fully settled in cash or in kind at such appropriate consideration as determined by the Administrator in its sole discretion after taking into account any and all consideration payable per share of Stock pursuant to the Transaction (the Transaction Price) and all Stock Options shall be fully settled, in cash or in kind, in an amount equal to the difference between (A) the Transaction Price times the number of shares of Stock subject to such outstanding Stock Options (to the extent then exercisable at prices not in excess of the Transaction Price) and (B) the aggregate exercise price of all such outstanding Stock Options. In addition, the Board, or the Board of Directors of any corporation or other entity assuming the obligations of the Company, may, in its discretion, permit a participant, within a specified period determined by the Board prior to the consummation of the Transaction, to exercise all outstanding Stock Options, including those that are not then exercisable, subject to the consummation of the Transaction.

(b) Upon the occurrence of a Change of Control as defined in Section 15(c) below, unless otherwise specified in the Award instrument or unless otherwise determined by the Board in office immediately prior to such Change of Control or specified in the Plan Award instrument, each Award outstanding shall be accelerated, such that all Stock Options and Warrants shall become fully exercisable and the restricted period on all shares of Restricted Stock, Deferred Share Awards, Performance Shares Awards and Performance Unit Awards shall terminate immediately.

(c) Change of Control shall mean the occurrence of any one of the following events:

(i) any person, as such term is used in Sections 13(d) and 14(d) of the Exchange Act (other than the Company, any of its Subsidiaries, any affiliate or associate (as such terms are defined in Rule 12b-2 under the Exchange Act) of the foregoing persons, or any trustee, fiduciary or other person or entity holding securities under any employee benefit plan or trust of the Company or any of its Subsidiaries), together with all affiliates and associates (as such terms are defined in Rule 12b-2 under the Exchange Act) of such person, shall become the beneficial owner (as such term is defined in

Rule 13d-3 under the Exchange Act), directly or indirectly, of securities of the Company representing 25% or more of the combined voting power of the Company's then outstanding securities having the right to vote in an election of the Company's Board of Directors ( Voting Securities ) (other than as a result of an acquisition of securities directly from the Company); or

(ii) persons who, as of the Effective Date, constitute the Board (the Incumbent Directors ) cease for any reason, including, without limitation, as a result of a tender offer, proxy contest, merger or similar transaction, to constitute at least a majority of the Board, provided that any person becoming a director of the Company subsequent to such date shall be considered an Incumbent Director if such person's election was approved by or such person was nominated for election by either (A) a vote of at least two-thirds of the Incumbent Directors or (B) a vote of at least a majority of the Incumbent Directors who are members of a Nominating Committee composed, in the majority, of Incumbent Directors.

Notwithstanding the foregoing, a Change of Control shall not be deemed to have occurred for purposes of the foregoing clause (i) solely as the result of an acquisition of securities by the Company which, by reducing the number of shares of Voting Securities outstanding, increases the proportionate number of shares of Voting Securities beneficially owned by any person (as defined in the foregoing clause (i)) to 25% or more of the combined voting power of all then outstanding Voting Securities; provided, however, that if such person shall thereafter become the beneficial owner of any additional shares of Voting Securities (other than pursuant to a stock split, stock dividend, or similar transaction or as a result of an acquisition of securities directly from the Company), then a Change of Control shall be deemed to have occurred for purposes of the foregoing clause (i).

**SECTION 16.**

**GENERAL PROVISIONS**

(a) *No Distribution; Compliance with Legal Requirements.* The Administrator may require each person acquiring Stock pursuant to an Award to represent to and agree with the Company in writing that such person is acquiring the shares without a view to distribution thereof. No shares of Stock shall be issued pursuant to an Award until all applicable securities law and other legal, Nasdaq and stock exchange or similar requirements have been satisfied. The Administrator may require the placing of such stop-orders and restrictive legends on certificates for Stock and Awards as it deems appropriate.

(b) *Delivery of Stock Certificates.* To the extent the Company uses certificates to represent shares of Stock, certificates to be delivered to participants under this Plan shall be deemed delivered for all purposes when the Company or a stock transfer agent of the Company shall have mailed such certificates in the United States mail, addressed to the participant, at the participant's last known address on file with the Company. Any reference in this Section 16(b) or elsewhere in the Plan to actual stock certificates and/or the delivery of actual stock certificates shall be deemed satisfied by the electronic record-keeping and electronic delivery of shares of Stock or other mechanism then utilized by the Company and its agents for reflecting ownership of such shares.

(c) *Other Compensation Arrangements; No Employment Rights.* Nothing contained in this Plan shall prevent the Board from adopting other or additional compensation arrangements, including trusts, and such arrangements may be either generally applicable or applicable only in specific cases. The adoption of this Plan and the grant of Awards shall not confer upon any individual any right to continued employment (or other business relationship) with the Company or any Subsidiary and shall not interfere in any way with the right of the Company or any Subsidiary to terminate the employment (or other business relationship) of any of its employees at any time.

(d) *Trading Policy Restrictions.* Option exercises and other Awards under the Plan shall be subject to such Company insider-trading-policy-related restrictions, terms and conditions as may be established by the Administrator, or in accordance with policies set by the Administrator, from time to time.

(e) *Section 162(m)*. Notwithstanding anything herein to the contrary, no Award shall become exercisable, vested or realizable if such Award is granted to an employee that is a covered employee as defined in Section 162(m) of the Code and the Administrator has determined that such Award should be structured so that it is not applicable employee remuneration under such Section 162(m) unless and until the terms of this Plan, including any amendment hereto, have been approved by the Company's stockholders in the manner and to the extent required under such Section 162(m).

**SECTION 17.**

**EFFECTIVE DATE OF PLAN**

This Plan shall become effective upon the later to occur of (i) approval by the holders of a majority of the votes cast at a meeting of stockholders at which a quorum is present or by a majority written consent of stockholders, or (ii) June 2, 2004. Subject to such approval by the stockholders and to the requirement that no Stock may be issued hereunder prior to such approval, Stock Options and other Awards may be granted hereunder on and after adoption of this Plan by the Board.

**SECTION 18.**

**GOVERNING LAW**

This Plan and all Awards and actions taken thereunder shall be governed by, and construed in accordance with, the laws of the State of Delaware, applied without regard to conflict of law principles.
