QUESTIONS AND ANSWERS ABOUT THE MEETING AND VOTING

Q:	WHAT AM I VOTING ON?
A:	(1) Re-election of three directors, Michael A.J. Farrell, Jonathan D. Green, and John A. Lambiase;
	(2) Ratification of Deloitte & Touche LLP as our independent auditors for 2002; and
	(3) A proposal to amend our charter to increase the number of authorized shares of capital stock.
Q:	HOW DOES THE BOARD RECOMMEND I VOTE ON THE PROPOSALS?

Edgar Filing: ANNALY MORTGAGE MANAGEMENT INC - Form PRE 14A

- A: The Board recommends you vote FOR each of the nominees, FOR the approval of Deloitte & Touche LLP, and FOR the proposal to amend the charter to increase the number of authorized shares of capital stock.
- Q: WHO IS ENTITLED TO VOTE AT THE MEETING?
- A: Stockholders of record as of the close of business on March 21, 2002 (the "Record Date") are entitled to vote.
- Q: HOW DO I VOTE?
- A: If your common stock is held by a broker, bank or other nominee, you will receive instructions from them which you must follow in order to have your shares voted. If you hold your shares in your own name as a holder of record, you may instruct the proxies how to vote your common stock by using the toll free telephone number or the Internet voting site listed on the proxy card or by signing, dating, and mailing the proxy card in the postage paid envelope that we have provided to you. Of course, you can always come to the meeting and vote your shares in person. When you use the telephone system or our internet voting site, the system verifies that you are a stockholder through the use of a unique personal identification number that is assigned to you. The procedure allows you to instruct the proxies how to vote your shares and to confirm that your instructions have been properly recorded. Specific directions for using the telephone and Internet voting systems are on the proxy card. Whichever of these methods you select to transmit your proxy card without giving specific voting instructions, the proxies will vote your shares in accordance with those instructions. If you sign and return a proxy card without giving specific voting instructions, your shares will be voted FOR the election of Michael A.J. Farrell, Jonathan D. Green, and John A. Lambiase as directors, FOR the ratification of Deloitte & Touche LLP as our independent auditors for 2002, and FOR the proposal to amend our charter to increase the number of authorized shares to 500,000,000. We are not now aware of any matters to be presented other than those described in this proxy statement. If any matters not described in the proxy statement are properly presented at the meeting, the proxies will use their own judgement to determine how to vote your shares. If the meeting is adjourned, your common stock may be voted by the proxies on the new meeting date as well, unless you have revoked your proxy instructions.

3

- Q: WHAT IS THE PROPOSED CHARTER AMENDMENT?
- A: Our charter currently allows us to issue up to a combined total of 100,000,000 shares of capital stock. To date we have issued 82,870,659 shares of capital stock. To retain the ability to raise additional funds through the issuance of additional shares, we need to increase the number of shares we are currently authorized to issue. The proposed amendment of our charter raises the total number of authorized shares are permitted to issue from 100,000,000 shares to 500,000,000 shares. While we have no immediate plans to issue additional shares of capital stock, the Board believes it is necessary for us to have the authority to issue additional shares.

Edgar Filing: ANNALY MORTGAGE MANAGEMENT INC - Form PRE 14A

Q: HOW WILL VOTING ON ANY OTHER BUSINESS BE CONDUCTED?

A: Other than the three proposals described in this Proxy Statement, we know of no other business to be considered at the Annual Meeting. If any other matters are properly presented at the meeting, your signed proxy card authorizes Michael A.J. Farrell, the our Chairman of the Board of Directors, Chief Executive Officer, and President, and Jennifer A. Stephens, our Secretary, to vote on those matters according to their best judgment.

Q: WHO WILL COUNT THE VOTE?

A: Representatives of Mellon Investor Services LLC, the independent Inspector of Elections, will count the votes.

Q: WHAT DOES IT MEAN IF I RECEIVE MORE THAN ONE PROXY CARD?

A: It probably means your shares are registered differently and are in more than one account. Sign and return all proxy cards to ensure that all your shares are voted.

Q: HOW MANY SHARES CAN VOTE?

A: As of the Record Date, 82,870,659 shares of common stock were issued and outstanding. Holders of our common stock are entitled to one vote per share for each matter before the meeting.

Q: CAN I CHANGE MY VOTE?

A: Yes. You may change your vote at any time before the proxy is exercised. You must (a) file with the our Corporate Secretary a written notice of revocation or (b) timely deliver a valid, later-dated proxy. Attendance at the Annual Meeting will not have the effect of revoking a proxy unless you give written notice of revocation to the Secretary before the proxy is exercised or you vote by written ballot at the Annual Meeting.

Q: WHAT CONSTITUTES A "QUORUM"?

A: A quorum is a majority of the voting power of the shares entitled to vote at the meeting. Since there were 82,870,659 eligible votes as of the Record Date, we will need at least 41,435,330 votes present in person or by proxy at the Annual Meeting for a quorum to exist.

Q: WHAT HAPPENS IF I ABSTAIN?

A: If you submit a properly signed proxy card, but you abstain on one or more proposals, you will still be considered present for purposes of calculating a quorum. Your abstention will not count "for" or "against" either the election of directors (Proposal One) or the approval of Deloitte & Touche LLP as our auditors (Proposal Two),

Edgar Filing: ANNALY MORTGAGE MANAGEMENT INC - Form PRE 14A

however, an abstention will have the same effect as a vote "against" the proposed amendment to our charter (Proposal Three).

4

Q: WHAT ARE BROKER NON-VOTES AND HOW WILL THEY BE TREATED?

A: Broker non-votes are shares held by brokers or nominees for which the broker or nominee (1) lacks discretionary power to vote, and (2) never received specific voting instructions from the beneficial owner of the shares. Broker non-votes are counted for purposes of calculating a quorum. Broker non-votes will not count "for" or "against" either the election of directors (Proposal One) or the approval of Deloitte & Touche LLP as our auditors (Proposal Two), however, broker non-votes will have the same effect as a vote "against" the proposed amendment to our charter (Proposal Three).

Q: WHO CAN ATTEND THE ANNUAL MEETING?

A: All stockholders as of March 21, 2002 can attend the Annual Meeting, although seating is limited. If you plan to attend, please check the box on your proxy card. If your shares are held through a broker and you would like to attend, please either (1) write Kathryn Fagan, Chief Financial Officer, Annaly Mortgage Management, Inc., 12 East 41st Street, Suite 700, New York, New York 10017, or (2) bring to the meeting a copy of your brokerage account statement or an omnibus proxy (which you can get from your broker).

Q: WHEN ARE STOCKHOLDER PROPOSALS DUE FOR THE 2003 ANNUAL MEETING?

A: If you are submitting a proposal to be included in next year's proxy statement pursuant to Rule 14a-8 under the Securities Exchange Act of 1934, we must receive the proposal by _____, 2002.

Q: HOW WILL WE SOLICIT PROXIES FOR THE ANNUAL MEETING?

A: We are soliciting proxies by mailing this Proxy Statement and proxy card to the stockholders. In addition to solicitations by mail, some of our directors, officers and regular employees may, without extra pay, make additional solicitations by telephone or in person. We will pay the solicitation costs, and will reimburse banks, brokerage houses and other custodians, nominees and fiduciaries for their reasonable expenses in forwarding proxy materials to beneficial owners. We may also engage a proxy solicitation company in connection with the Annual Meeting for a fee which is not expected to exceed \$2,500 plus out-of-pocket expenses.

Q: HOW DO I OBTAIN A COPY OF THE ANNUAL REPORT ON FORM 10-K FILED WITH THE SECURITIES AND EXCHANGE COMMISSION?

A: Our 10-K is actually part of the Annual Report that is being mailed to you with this Proxy Statement. If you need another copy, please write Kathryn Fagan, Chief Financial Officer, Annaly Mortgage Management, Inc., 12 East 41st Street, Suite 700, New York, New York 10017.

VOTING

There were 82,870,659 shares of common stock outstanding on the record date, and each stockholder will be entitled to one vote at the meeting for each share registered in the stockholder's name on the record date. Holders of common stock are not entitled to cumulate their votes on any matter to be considered at the meeting. The presence at the meeting, in person or by proxy, of the holders of a majority of the total number of shares of common stock outstanding on the record date constitutes a quorum for the transaction of business at the meeting.

All properly executed proxies delivered pursuant to this solicitation and not revoked will be voted at the annual meeting in accordance with the directions given. Regarding the election of directors to serve until the 2005 annual meeting of stockholders, in voting by proxy, you may vote in favor of all nominees, withhold your vote as to all nominees or withhold your vote as to specific nominees. With respect to the proposal to ratify Deloitte & Touche LLP as our independent auditors for the current fiscal year, you may vote in favor of the proposal or against the proposal, or you may abstain from voting. With respect to proposed amendment to our charter to increase the number of authorized shares from 100,000,000 to 500,000,000, you may vote in favor of the proposal or against the proposal, or you may abstain from voting. You should specify your choices on the enclosed form of proxy. If you do not provide specific instructions on all the matters to be acted upon, the shares represented by a signed proxy will be voted FOR the election of all nominees, FOR the proposal to ratify the selection of Deloitte & Touche LLP as our independent auditors for the current fiscal year and FOR the proposed amendment to our charter to increase the number of authorized shares from 100,000,000 to 500,000,000. Directors will be elected by a plurality of the votes cast by the holders of the shares of common stock voting in person or by proxy at the annual meeting. Ratification of the selection of our independent auditors will require the affirmative vote of the holders of a majority of the votes cast. The proposed amendment to our charter to increase the number of authorized shares from 100,000,000 to 500,000,000 requires the approval of a majority of the total number of issued and outstanding shares of our common stock, par value \$0.01 per share. Abstentions will have no effect on the outcome of either the vote on the election of directors or the vote on the ratification of the selection of Deloitte & Touche LLP as independent auditors. Broker non-votes will not be included in vote totals and will have no effect on the outcome of either the vote on the election of directors or the vote on the ratification of the selection of Deloitte & Touche LLP as independent auditors. Abstentions will have the effect of a vote "against" the proposed amendment to our charter to increase the number of authorized shares from 100,000,000 to 500,000,000. Broker non-votes will not be included in vote totals and will have the effect of a vote "against" the proposed amendment to our charter to increase the number of authorized shares from 100,000,000 to 500,000,000.

If you submit a proxy, you may revoke it at any time prior to the voting of the proxy by written notice to our Secretary or by attending the meeting and voting your shares in person.

After the initial mailing of this proxy statement, our officers and employees may solicit proxies in person, by mail, telephone or facsimile or

Edgar Filing: ANNALY MORTGAGE MANAGEMENT INC - Form PRE 14A

We may engage an outside proxy soliciting firm to assist in the solicitation of proxies. We will pay reasonable fees which do not expect to exceed \$2,500 and out-of-pocket costs and expenses if we elect to engage such a firm.

EMPLOYMENT AGREEMENTS, TERMINATION OF EMPLOYMENT AND CHANGE-OF-CONTROL ARRANGEMENTS

We have entered into employment agreements with Mr. Farrell, Ms. St. Claire, Ms. Fagan, and Ms. Stephens. Each employment agreement provides for a term through December 31, 2002 and is automatically extended for an additional year at the end of each year of the employment agreement, unless the officer or we provide a prior written notice to the contrary. Each employment agreement provides for annual salaries to Mr. Farrell, Ms. St. Claire, Ms. Fagan, and Ms. Stephens based upon our book value. Mr. Farrell's employment agreement provides for an annual salary equal to 0.25% of our book value, Ms. St. Claire's employment agreements provide for an annual salary equal to 0.20% of our book value. Ms. Fagan's and Ms. Stephens employment agreement provides for annual salaries equal to 0.10% of our book value. Our "book value" is defined in the employment agreements as the aggregate amounts reported on our balance sheet as

"Stockholders' Equity," excluding any

12

adjustments for valuation reserves (i.e., changes in the value of our portfolio of investments as a result of mark-to-market valuation changes).

Our Board and the compensation committee evaluate base salary quarterly and upon the raising of additional equity and they may, at their discretion, raise the salary caps for our executive officers. The board of directors has waived the salary caps for 2002. Base salaries can also be lowered at management's discretion based upon our cash flow needs.

Pursuant to the employment agreements, the executive officers are entitled to participate in our benefit plans, including the Incentive Plan. In addition, the Board has established a bonus incentive compensation plan for our executive officers. This program permits the Board, in its discretion, to award cash bonuses annually to our executive officers. Each employment agreement provides for the officer to receive his or her base salary and bonus compensation to the date of the termination of employment by reason of death, disability or resignation and to receive base compensation to the date of the termination of employment by reason of a termination of employment for cause as defined in the employment agreement. Each employment agreement also provides for the subject officer to receive, in the event that we terminate the officer's employment without cause, or if the officer resigns for "good reason" (as defined in the employment agreement), an amount, 50% payable immediately and 50% payable in monthly installments over the succeeding twelve months, equal to three times the greater of the officer's combined maximum salary base and actual bonus compensation for the preceding fiscal year or the average for the three preceding years of the officer's combined actual base salary and bonus compensation, subject in each case to a maximum amount of 1% of our book equity value (exclusive of valuation adjustments) and a minimum amount of \$250,000. Section 280G of the Code may limit our ability to deduct these payments for Federal income tax purposes. Each employment agreement also contains a "non-compete" provision prohibiting the officer from managing, controlling, participating in or operating a competing REIT for a period of one year following termination of employment following our termination of the officer without cause or resignation of the subject officer for "good reason." Providing services to Fixed Income Discount Advisory Company (an affiliate) and its customers is expressly excluded from operation of the "non-compete" provision. In addition, all outstanding options and other awards granted to an officer under our Incentive Plan immediately vest upon his or her termination without cause or termination for "good reason." "Good reason" under the employment agreements includes certain events resulting in a change of control of Annaly. "Change of Control" includes a merger or consolidation of Annaly, a sale of all or substantially all of our assets, changes in the identity of a majority of the members of our board (other than due to the death, disability or age of a director) or acquisitions of more than 9.8% of the combined voting power of our capital stock, subject to certain limitations. Each agreement requires that the officer act in accordance with provisions of Maryland law relating to corporate opportunities.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

Our compensation committee is comprised solely of the following outside directors: Spencer I. Browne, John A. Lambiase, and Donnell A. Segalas. None of them has served as an officer or employee of Annaly or any affiliate or has any other business relationship or affiliation with Annaly, except his service as a director.

Edgar Filing: ANNALY MORTGAGE MANAGEMENT INC - Form PRE 14A

REPORT OF COMPENSATION COMMITTEE

The compensation structure for our executive officers and directors has been developed with consideration for the following objectives:

1. Incentives for Management to Maximize Performance. We have designed its compensation policy to provide the proper incentives to management to maximize our performance in order to serve the best interests of our stockholders. We have sought to achieve this objective through the granting of stock options under the Incentive Plan, the award of compensation pursuant to our bonus incentive compensation program, and employment agreements with its executive officers where compensation is dependent upon our book value.

To date, our executive officers, pursuant to the Incentive Plan, have been granted options to purchase, in the aggregate, 732,576 shares of common stock with exercise prices ranging from \$4.00 to \$11.25. These options vest in equal installments over a three, four or five-year period from the date of grant.

13

Our Board also has adopted a bonus incentive compensation program for executive officers. This program permits the compensation committee, in its discretion, to award bonuses to our officers and employees based upon individual performance, company performance, or such other factors as the compensation committee determines to be appropriate. Bonuses may be paid in the form of cash, stock options or other forms of compensation as determined appropriate by the compensation committee. In 2001, bonuses were paid in the form of cash. One important factor considered in these awards was our performance and growth during 2001.

Pursuant to employment agreements entered into between us and our executive officers, base compensation for the officers is calculated as a percentage of our "book value." This arrangement was established based upon our view at the time that successful performance by us would result in our ability to raise additional capital.

2. Long-Term Commitment of Management. The committee believes that the long-term commitment of its current management team is a crucial factor in our future performance. This team includes Mr. Farrell, Ms. St. Claire and Ms. Stephens, who have worked together at FIDAC since March 1995 and at Annaly since its incorporation in November 1996 and its commencement of operations in February 1997, and Ms. Fagan, who has worked at Annaly since April 1997. To ensure the long-term commitment of its management team, we, with the approval of the board of directors entered into employment agreements with Mr. Farrell, Ms. St. Claire, Ms. Fagan, and Ms. Stephens. Each of these agreements provides for a term through December 31, 2002 with automatic one-year extensions unless we or the officer provides written notice to the contrary.

Consistent with the foregoing, we have structured our executive compensation policies to promote the long-term commitment of management. A significant portion of management compensation is in the form of stock options. In addition, as indicated above, over 99% of the stock options granted by us since inception have been options with vesting periods of four, five, or ten years.

3. Comparability with Competitors' Compensation Structures. In assisting us to develop guidelines for its compensation structure, including the bonus incentive program, the compensation consultant engaged by us looked to the compensation structures of other publicly held mortgage REITS and other publicly

Edgar Filing: ANNALY MORTGAGE MANAGEMENT INC - Form PRE 14A

held companies in the financial services industry. We believe its management compensation structure is consistent, generally, with the management compensation structure of comparable companies. We will continue to monitor whether its compensation structure is consistent with the compensation structure of its competitors.

4. CEO Compensation. Mr. Farrell's total compensation for 2001 was established pursuant to his employment agreement which is described under the caption "Employment Agreements, Termination of Employment and Change-Of-Control Arrangements." Mr. Farrell's compensation was established using substantially the same criteria used to determine compensation levels for our other executive officers which are discussed in this report. Effective May 1, 2001, Mr. Farrell's salary was set at \$1,000,000. For 2001, we determined to pay Mr. Farrell a bonus of \$750,000 (which was paid in January 2002).

5. Compensation of Non-Employee Directors. Upon the recommendation of our compensation consultant, we granted to each of its non-employee directors during 2001 options to purchase 1,250 shares vesting immediately. The compensation consultant has informed the committee that its compensation structure for non-employee directors is consistent, generally, with the compensation structure for non-employee directors of comparable companies.

The following is the report of the audit committee with respect to our audited financial statements for the fiscal year ended December 31, 2001. The information contained in this report shall not be deemed to be "soliciting material" or to be "filed" with the Securities and Exchange Commission, nor shall such information be incorporated by reference into any future filing under the Securities Act of 1933, as amended, or the 1934 Securities Exchange Act, as amended, except to the extent that we specifically incorporates by reference in such filing.

REPORT OF THE AUDIT COMMITTEE

Since our inception, we have had an Audit Committee composed entirely of non-management directors. The members of the Audit Committee meet the independence and experience requirements of the New York Stock Exchange. In 2001, the Committee met four times. The Committee has adopted, and our Board of Directors reapproved, a charter outlining the practices it follows.

During the year 2001, at each of its meetings, the Committee met with the senior member of the our financial management team, and our independent auditors. The Committee's agenda is established by the Committee's chairman. The Committee had private sessions, at each of its meetings, with the independent auditors, at which candid discussions of financial management, accounting and internal control issues took place.

15

The Committee recommended to the Board of Directors the engagement of Deloitte & Touche LLP as our independent auditors and reviewed with our financial managers, the independent auditors, and the director of internal audit, overall audit scopes and plans, the results of internal and external audit examinations, evaluations by the auditors of our internal controls and the quality of our financial reporting.

Management has reviewed the audited financial statements in the Annual Report with the Audit Committee including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements. In addressing the quality of management's accounting judgments, members of the Audit Committee asked for management's representations that our audited consolidated financial statements have been prepared in conformity with generally accepted accounting principles, and have expressed to both management and auditors their general preference for conservative policies when a range of accounting options is available.

In its meetings with representatives of the independent auditors, the Committee asks them to address, and discusses their responses to several questions that the Committee believes are particularly relevant to its oversight. These questions include:

- o Are there any significant accounting judgments made by management in preparing the financial statements that would have been made differently had the auditors themselves prepared and been responsible for the financial statements?
- o Based on the auditors' experience, and their knowledge of us, do our financial statements fairly present to investors, with clarity and completeness, our financial position and performance for the reporting period in accordance with

Edgar Filing: ANNALY MORTGAGE MANAGEMENT INC - Form PRE 14A

generally accepted accounting principles, and SEC disclosure requirements?

- o Based on the auditors' experience, and their knowledge of us, have we implemented internal controls and internal audit procedures that are appropriate?

The Committee believes that, by thus focusing its discussions with the independent auditors, it can promote a meaningful dialogue that provides a basis for its oversight judgments.

The Committee also discussed with the independent auditors other matters required to be discussed by the auditors with the Committee under Statement on Auditing Standards No. 61, as amended by Statement on Auditing Standards No. 90 (communications with audit committees). The Committee received and discussed with the auditors their annual written report on their independence from us and our management, which is made under Independence Standards Board Standard No. 1 (independence discussions with audit committees), and considered with the auditors whether the provision of non-audit services is compatible with the auditors' independence.

In performing all of these functions, the Audit Committee acts only in an oversight capacity and, necessarily, in its oversight role, the Committee relies on the work and assurances of our management, which has the primary responsibility for financial statements and reports, and of the independent auditors, who, in their report, express an opinion on the conformity of our annual financial statements to generally accepted accounting principles.

In reliance on these reviews and discussions, and the report of the independent auditors, the Audit Committee has recommended to the Board of Directors, and the Board has approved, that the audited financial statements be included in our Annual Report on Form 10-K for the year ended December 31, 2001, for filing with the Securities and Exchange Commission.

The foregoing report has been furnished by the current members of the audit committee:

PROPOSAL II

RATIFICATION OF SELECTION OF INDEPENDENT AUDITORS

The accounting firm of Deloitte & Touche LLP (D&T) has served as our independent auditors since our formation in November 1996. During this time, it has performed accounting and auditing services for us. We expect that representatives of D&T will be present at the meeting, will have the opportunity to make a statement and will be available to respond to appropriate questions. If the appointment of D&T is not ratified, the Board of Directors will reconsider the appointment.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE RATIFICATION OF THE SELECTION OF DELOITTE & TOUCHE LLP AS OUR INDEPENDENT AUDITORS FOR THE YEAR 2002.

RELATIONSHIP WITH INDEPENDENT AUDITORS

Deloitte & Touche LLP has been the independent accounting firm which

Edgar Filing: ANNALY MORTGAGE MANAGEMENT INC - Form PRE 14A

has audited our financial statements since our inception. In addition to performing the audit of our financial statements, D&T provided tax services for us during 2001. The aggregate fees billed for 2001 for each of the following categories of services are set forth below:

Audit Fees: The aggregate fees billed by D&T for audit and review of our 2001 financial statements were \$196,200.

Financial Information System Design and Implementation Fees: No fees were paid to D&T for financial information system design and implementation during 2001.

All Other Fees: The fees billed by D&T for tax services during 2001 were \$3,000 and for services relating to the public offerings were \$62,500.

PROPOSAL III

APPROVAL OF THE AMENDMENT TO OUR CHARTER TO INCREASE THE NUMBER OF AUTHORIZED SHARES

Our charter currently allows us to issue up to a combined total of 100,000,000 shares of common stock, par value \$0.01 per share, and preferred stock, par value \$0.01 per share. As of March 21, 2002 we had 82,870,659 shares of common stock issued with outstanding and no shares of preferred stock issued and outstanding. To have the ability to raise additional funds through the issuance of equity we may need to issue more shares than we are currently authorized. The proposed amendment of our charter raises the total number of authorized shares are permitted to issue from 100,000,000 shares to 500,000,000 shares. While we have no immediate plans to issue additional shares of capital stock, if we issue a significant number of shares of common stock or convertible preferred stock in a short period of time, there could be a dilution of the existing common stock and a decrease in the market price of the common stock.

The proposed amendment to our charter deletes the current ARTICLE VI(A) of our charter and replaces it with the following:

"ARTICLE VI

A. The total number of shares of stock of all classes which the Corporation has authority to issues is five hundred million (500,000,000) shares of capital stock, par value one cent (\$0.01) per share, amounting in the aggregate par value to five million dollars (\$5,000,000). All of such shares are initially classified as "Common Stock." The Board of Directors may classify and reclassify any unissued shares of Common Stock by setting or changing in any one or more respects the preferences, conversion or other rights, voting powers, restrictions, limitations as to dividends, qualifications or terms or conditions of redemption of such shares."

17

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE APPROVAL OF THE AMENDMENT TO OUR CHARTER TO INCREASE THE NUMBER OF AUTHORIZED SHARES.
