Item 2.01. Acquisition of Assets

On May 18, 2006, Government Properties Trust, Inc. (GPT) completed its previously announced acquisition of the United States Citizenship and Immigration Services (USCIS) property located at 1709 and 1717 Zoy Street, Harlingen, Texas (the Harlingen property) for approximately \$27.1 million. The purchase price was determined through arms-length negotiations between GPT and U.S.I.N.S. II, LLC, an unrelated party with an address at 1014 East Harrison Avenue, Harlingen, Texas. GPT funded the purchase price with cash on hand and a mortgage loan from a financial institution in the amount of approximately \$19.9 million. The mortgage loan bears interest at a fixed rate of 6.266% with principal and interest payments due monthly and are amortized on a 30-year schedule, with a balloon payment due June 1, 2016.

The Harlingen property consists of two conjoined buildings that are fully leased by the United States of America under modified gross leases. The first building (USCIS I) was completed in January 1998 and consists of a 19,000 square foot, single-story building. The USCIS I lease expires in January 2018 and has an optional early termination right in January 2013. The second building (USCIS II), was completed in 2002 and consists of a 108,000 square foot, two-story building. The USCIS II lease expires in October 2022 and has no early termination right. The USCIS utilizes these facilities, situated on approximately 10 acres of land, for administrative purposes and processing immigrants in south Texas.

Report of Independent Registered Public Accounting Firm

The Board of Directors

Government Properties Trust, Inc.

We have audited the accompanying statement of revenue and certain expenses of the United States Immigration and Naturalization Services District Office Harlingen, Texas (the Property) for the year ended December 31, 2005. The statement of revenue and certain expenses is the responsibility of the Property's management. Our responsibility is to express an opinion on the Statement of Revenue and Certain Expenses based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the statement of revenue and certain expenses is free of material misstatement. We were not engaged to perform an audit of the Property's internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Property's internal control over financial reporting.

Accordingly we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the statement of revenue and certain expenses, assessing the accounting principles used and significant estimates made by management, and evaluating the overall presentation of the statement of revenue and certain expenses. We believe that our audit provides a reasonable basis for our opinion.

The accompanying statement of revenue and certain expenses was prepared for the purpose of complying with the rules and regulations of the Securities and Exchange Commission, for inclusion in Government Properties Trust, Inc.'s Current Report on Form 8-K as described in Note 2, and is not intended to be a complete presentation of the Property's revenue and expenses.

In our opinion, the statement of revenue and certain expenses referred to above presents fairly, in all material respects, the revenue and certain expenses described in Note 2 for the year ended December 31, 2005 in conformity with U.S. generally accepted accounting principles.

Notes to Statements of Revenue and Certain Expenses
Three Month Period Ended March 31, 2006 (Unaudited), and Year Ended December 31, 2005

1. Description of the Property

The United States Immigration and Naturalization Services District Office Harlingen, Texas (the Property), located at 1709 and 1717 Zoy Street, Harlingen, Texas, consist of various office buildings totaling approximately 127,000 rentable square feet (unaudited) that are 100% leased to the United States Immigration and Naturalization Services with two leases expiring in October 2022 and January 2018. One of the leases totaling approximately 19,000 rentable square feet (unaudited) has an optional early termination date of January 2013.

2. Summary of Significant Accounting Policies

The accompanying statement of revenue and certain expenses for the year ended December 31, 2005 was prepared for purposes of complying with the rules and regulations of the Securities and Exchange Commission. The accompanying financial statement is not representative of the actual operations of the Property for the periods presented nor indicative of future operations as certain expenses, primarily depreciation, amortization and interest expense, which may not be comparable to the expenses expected to be incurred in future operations of Property, have been excluded. In the preparation of the statement of revenue and certain expenses in conformity with accounting principles generally accepted in the United States, management makes estimates and assumptions that affect the reported amounts of revenue and expenses during the reporting period. Actual results could differ from these estimates.

Rental income is recorded when due from the tenant under the term of the respective leases, which is not materially different than the straight-line method. The current supplemental lease agreements base monthly rental payments totaling \$234,453, through the term of the leases subject to annual rent increases based on the Consumer Price Index, as defined. The base monthly rent in place as of March 31, 2006 (unaudited) and December 31, 2005, was \$240,330 and \$240,134, respectively.

3. Interim Period (unaudited)

The unaudited statement of revenue and certain expenses for the three months ended March 31, 2006, has been prepared for purposes of complying with the rules and regulations of the Securities and Exchange Commission. In the opinion of management, all adjustments considered necessary for a fair presentation have been included. Operating results for the three months ended March 31, 2006 are not necessarily indicative of the results that may be expected for the year ending December 31, 2006.

4. Related Party Transactions

An affiliate of the Property provides and allocates cleaning services amongst various properties. Such services amounted to \$21,198 for the period ended March 31, 2006 (unaudited), and \$58,436 for the year ended December 31, 2005.
