**ITEM 1.01 Entry into a Material Definitive Agreement**

On February 25, 2007, USG Corporation's wholly owned subsidiary, L&W Supply Corporation ( L&W ), entered into an Equity Purchase Agreement (the Purchase Agreement ) with Joseph Zuccherro (the Seller ) and California Wholesale Material Supply, Inc., Distribuidora CalPly de Mexico, S.A. de C.V., E Foam Corp., Southwest Install and Rework, Inc. and Stockdale Material Company, Inc. (collectively CALPLY ) pursuant to which L&W agreed to purchase from the Seller, or entities owned or controlled by the Seller, all of the issued and outstanding equity interests of CALPLY. CALPLY is a building materials distribution company with 30 operating locations in seven western states and Mexico. CALPLY sells building products and provides services to acoustical contractors, drywall contractors, plaster contractors, roofing companies, manufactured housing companies, countertop fabricators, government institutions and exporters.

Pursuant to the terms of the Purchase Agreement, L&W has agreed to purchase from the Seller all of the outstanding equity interests of CALPLY for a total price of approximately \$280 million, including debt to be repaid at closing.

The Purchase Agreement contains representations, warranties, covenants and indemnities that are customary for agreements of this type, including, in the case of the Seller, a covenant to operate the business in the ordinary course and consistent with past practices between the date of execution of the Purchase Agreement and the closing of the acquisition. The Purchase Agreement also provides for a portion of the purchase price to be held in escrow to secure the Seller's indemnity obligations under the agreement.

Consummation of the transactions contemplated by the Purchase Agreement is subject to the satisfaction or waiver of customary closing conditions, including expiration or termination of the waiting period under the United States Hart-Scott-Rodino Antitrust Improvements Act of 1976, the accuracy in all material respects of the representations and warranties of each party as of the closing or other applicable date, the performance in all material respects by the parties of their respective obligations under the Purchase Agreement and, in the case of the Seller, the absence of any change or event which would reasonably be expected to result in a material adverse effect on the acquired businesses.

There can be no assurance that the closing conditions set forth in the Purchase Agreement will be satisfied or waived. The foregoing summary of the Purchase Agreement and the transactions contemplated thereby is qualified in its entirety by reference to the terms of the Purchase Agreement, a copy of which is attached hereto as Exhibit 10.1 and incorporated herein by reference.

On February 26, 2007, USG Corporation issued a press release announcing the execution of the Purchase Agreement and other matters. A copy of the press release is furnished as Exhibit 99.1 hereto and incorporated herein by reference.
