## Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer.

## Purchase Agreement

On May 1, 2013, the Issuer, VOF and certain other purchasers entered into the Purchase Agreement (the "Purchase Agreement"), pursuant to which VOF and such other purchasers agreed to backstop an equity rights offering (the "Rights Offering") previously disclosed by the Issuer and committed to purchase from the Issuer up to \$75.0 million of Common Shares in the aggregate at the price per share equal to the subscription price of the Rights Offering, or \$5.35, in a private placement to be closed after the conclusion of the Rights Offering (the "Private Placement"). Pursuant to the Purchase Agreement, the exact amount of Common Shares which VOF and such other purchasers were required to purchase was equal to the greater of the number of unsubscribed Common Shares offered in the Rights Offering and the minimum purchase commitment of VOF and such other purchasers, or 8,744,282 Common Shares in the aggregate. In consideration for providing their purchase commitments, the Issuer agreed to issue to VOF, and each other purchaser that was not an affiliate of the Issuer immediately prior to the completion of the Rights Offering, a number of additional Common Shares equal to 3% of such purchaser's purchase commitment (the "Additional Shares").

Pursuant to the Purchase Agreement, the Issuer agreed to increase the size of the Board by two directors and to cause one individual designated by VOF to fill one of such newly-created directorships as a class B director. So long as VOF and its affiliates collectively own at least 10% of the issued and outstanding Common Shares, the Issuer is required to nominate one individual designated by VOF for election to the Board.

Pursuant to the Purchase Agreement, VOF agreed that, without the approval of the Board, neither it nor its affiliates will (a) acquire beneficial ownership measured by voting power of more than 40.0% of the issued and outstanding Common Shares; (b) form or participate in a "group" as defined in Section 13(d)(3) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), with respect to the Common Shares after giving effect to which it would be deemed to beneficially own more than 40.0% of the issued and outstanding Common Shares; or (c) initiate or participate in any "freeze-out" merger or other going private transaction with respect to the Issuer. The provisions of the Purchase Agreement described above will terminate on the date that (i) the Issuer publicly announces that it plans to pursue a tender offer, merger, sale of all or substantially all of its assets or any similar transaction involving the Issuer and its subsidiaries, taken as a whole (a "Buyout Transaction"); (ii) the Board approves, recommends or accepts a Buyout Transaction proposed by any person or group; or (iii) any person or group, other than VOF or a group of which VOF is a part, acquires beneficial ownership measured by voting power of more than 40.0% of the issued and outstanding Common Shares. In the case of any such termination and provided that VOF owns and continues to own in excess of 10% of the issued and outstanding Common Shares at all times following the closing date of the Private Placement, the Issuer will use its best efforts to cause the Board to approve each transaction in which VOF shall

become an “Interested Shareholder” as such term is defined in Article (K) of the third amended and restated articles of incorporation of the Issuer.

On July 25, 2013, the Issuer announced the successful completion of the Rights Offering and the Private Placement. Due to the level of participation in the Rights Offering by existing shareholders of the Issuer, VOF and the other purchasers under the Purchase Agreement were issued the minimum amounts under their purchase commitments. As a result, the Issuer issued to VOF 3,865,888 Common Shares in the aggregate, including (a) 3,738,318 Common Shares for total consideration of \$20,000,001.30 and (b) 127,570 Additional Shares.

#### Registration Rights Agreement

In connection with the Purchase Agreement, on May 1, 2013, the Issuer, VOF and certain other purchasers under the Purchase Agreement entered into the Registration Rights Agreement (the “Registration Rights Agreement”), pursuant to which the Issuer agreed to grant VOF and such other purchasers certain registration rights with respect to the Common Shares, including Common Shares acquired in the Private Placement. Specifically, the Issuer agreed that, on or prior to the thirtieth day following the closing of the Private Placement, the Issuer will file with the Securities and Exchange Commission (the “SEC”) a shelf registration statement covering the resale of all of the Common Shares acquired by VOF and such other purchasers in the Private Placement. In addition, the Issuer agreed that, upon the written request of VOF or one of such other purchasers, the Issuer will file with the SEC a shelf registration statement covering the resale of all other Common Shares beneficially owned by the requesting party, subject to the limitations that the Issuer will not be required to file such a shelf registration statement (a) more than once per calendar quarter or (b) if the shares to be covered by such shelf registration statement represent less than 1% of the then-outstanding Common Shares. Finally, the Issuer agreed that, if at any time it proposes to file a registration statement with respect to any offering of its equity securities for its own account or for the account of any other person, subject to certain exceptions specified in the Registration Rights Agreement, the Issuer will provide VOF and such other purchasers with customary piggyback registration rights in connection with such registration.

The Registration Rights Agreement will terminate with respect to VOF if (a) VOF and its affiliates beneficially own less than 5% of the outstanding Common Shares, if all of the Common Shares then owned by VOF and its affiliates could be sold in any 90-day period pursuant to Rule 144 promulgated under the Securities Act of 1933, as amended, without restriction as to volume or manner of sale or (b) all of the Common Shares held by VOF have been sold.

The foregoing descriptions of the Purchase Agreement and the Registration Rights Agreement do not purport to be complete descriptions of the terms thereof and are qualified in their entirety by reference to the full text of such agreements, forms of which are filed as Exhibit B and Exhibit C, respectively, to this Schedule 13D, and which are hereby incorporated by reference into this Item 6.
